

Limpopo Memorandum For English Paper 2 September 2014 Grade 12

For years, it has been what is called a 'deteriorating situation'. Now all over South Africa the cities are battlegrounds. The members of the Smales family - liberal whites - are rescued from the terror by their servant, July, who leads them to refuge in his native village. What happens to the Smaleses and to July - the shifts in character and relationships - gives us an unforgettable look into the terrifying, tacit understandings and misunderstandings between blacks and whites.

The papers which make up this book, were written at different times and were of the class that disappears entirely unless some care is taken to preserve them. The author also managed to retrieve the pamphlet entitled 'England in South Africa' which was viewed as lost until discovered accidentally that a lady in Scotland, Mrs Taylor, had preserved a copy, which was then lended to the author. That pamphlet, written from the standpoint of the loyal Cape Colonists is worth preserving as it shows that so far back as 1885, Dutch National aspirations had taken such definite form as to lead to the formation of an English political association - the Empire League - for the maintenance of the English tie. The other papers, too, will be of use to the student of the future. Even the newspaper reports of meetings of the Transvaal National Union, containing as they do, though in crude form, records of the resolutions passed by that body of Uitlanders and of the speeches of its leaders, which must reveal to future writers much that is important and relevant. The terms of the great Petition which was signed by 38, 500 people and contemptuously disregarded by the Volksraad, will forever give the lie to the statement, on the Boer side, that the Uitlanders formulated their 'demands' in such insolent terms as to preclude all possibility of their being granted. The extracts from the address of the Republican Chief Justice, the solemn warnings in the paper written by Mr. J. W. Wessels (now a judge on the Transvaal Bench), and the able analysis of the Republican Constitution by Advocate Auret, printed originally as appendices to my statement for the House of Commons Committee, should be of great value to students of South African history.

In the Johannesburg township of Soweto, a young, black gangster in South Africa, who leads a group of violent criminals, slowly discovers the meaning of compassion, dignity, and his own humanity. Reprint. A South African film, releasing February 2006 by Miramax) (General Fiction)
The Gift of the Magi is a treasured short story written by O. Henry. A young and very much in love couple can barely afford their one-room apartment, let alone the extra expense of getting Christmas presents for one another. But each is determined to show their love for the other in this traditional time of giving; each sells a thing they hold most dear in order to afford a present, with poignant and touching results that capture their love for one another.
Maya Angelou's unforgettable collection of poetry lends its name to the documentary film about her life, And Still I Rise, as seen on PBS's American Masters. Pretty women wonder where my secret lies. I'm not cute or built to suit a fashion model's size But when I start to tell them, They think I'm telling lies. I say, It's in the reach of my arms, The span of my hips, The stride of my step, The curl of my lips. I'm a woman Phenomenally. Phenomenal woman, That's me. Thus begins "Phenomenal Woman," just one of the beloved poems collected here in Maya Angelou's third book of verse. These poems are powerful, distinctive, and fresh—and, as always, full of the lifting rhythms of love and remembering. And Still I Rise is written from the heart, a celebration of life as only Maya Angelou has discovered it. "It is true poetry she is writing," M.F.K. Fisher has observed, "not just rhythm, the beat, rhymes. I find it very moving and at times beautiful. It has an innate purity about it, unquenchable dignity. . . . It is astounding, flabbergasting, to recognize it, in all the words I read every day and night . . . it gives me heart, to hear so clearly the caged bird singing and to understand her notes."

This book discusses "tourism and hospitality" from different perspectives and disciplines. In addition, this book, considering the tourism and hotel management terminology, is expected to be a source book for the theoretical and practical scientific studies in the fields which is in close relationship such as gastronomy, recreation and marketing.

Dreams are the currency of Okri's writing, particularly in this first book of poems, An African Elegy, but also in his books of short stories and prize-winning novel The Famished Road. Okri's dreams are made on the stuff of Africa's colossal economic and political problems, and reading the poems is to experience a constant succession of metaphors of resolution in both senses of the word. Virtually every poem contains an exhortation to climb out of the African miasma, and virtually every poem harvests the dream of itself with an upbeat restorative ending' - Giles Foden, Times Literary Supplement

From best-selling author Holly Webb comes a brand new series full of mystery and intrigue following the adventures of a very determined heroine and her dog! Holly Webb fans will be thrilled to pieces to discover the adventures of Maisie Hitchins, the pluckiest little detective in Victorian London. Maisie Hitchins lives in her grandmother's boarding house, longing for adventure. She idolizes the famous detective, Gilbert Carrington, and follows his every case. But Maisie is about to be given the opportunity of a lifetime: her own mystery to solve! In the first book in this fantastic new series, Maisie rescues a puppy in peril whilst running an errand, and adopts him. She decides to investigate the puppy's original cruel owner, but instead gets tangled up in an intriguing plot involving stolen sausages, pilfered halfpennies and a fast-paced bicycle chase. The streets of Victorian London are never safe, but Maisie's on the case!

The Strange Case of Dr. Jekyll and Mr. Hyde

Papers Relating to the Transvaal: 1885-86

The terrifying comic strip about a woman taxi driver--take a seat and buckle up for a wild ride

The Strange Case of Dr. Jekyll and Mr. Hyde is about a London lawyer named Gabriel John Utterson who investigates strange occurrences between his old friend, Dr. Henry Jekyll, and the evil Edward Hyde. There are two personalities within Dr. Jekyll, one apparently good and the other evil; completely opposite levels of morality. The novel's impact is such that it has become a part of the language, with the very phrase "Jekyll and Hyde" coming to mean a

person who is vastly different in moral character from one situation to the next. 'The Strange Case of Dr. Jekyll and Mr. Hyde' is a thrilling Gothic horror novel. John Utterson, a prosecutor, is on his weekly walk with his relative, who proceeds to tell him of an encounter with a man he had seen some months ago while coming home late at night from Cavendish Place. The tale describes a sinister figure named Edward Hyde who tramples a young girl, disappears into a door on the street, and re-emerges to pay off her relatives with 10 pounds in gold and a cheque signed by respectable gentleman Dr. Henry Jekyll (a client and friend of Utterson's) for 90 pounds. Jekyll had recently and suddenly changed his will to make Hyde the sole beneficiary. This development concerns and disturbs Utterson, who makes an effort to seek out Hyde. Utterson fears that Hyde is blackmailing Jekyll for his money. Upon finally managing to encounter Hyde, Hyde's ugliness, as if deformed, amazes Utterson. Although Utterson cannot say exactly how or why, Hyde provokes an instinctive feeling of revulsion in him. Much to Utterson's surprise, Hyde willingly offers Utterson his address. After one of Jekyll's dinner parties, Utterson stays behind to discuss the matter of Hyde with Jekyll. Utterson notices Jekyll turning pale, yet he assures Utterson that everything involving Hyde is in order and that he is to be left alone.

The search for a means to an end to apartheid erupts into conflict between a black township youth and his "old-fashioned" black teacher.

An African Elegy

Settler Self-government, 1840-1900

This is the moving story of the unforgettable Rosa Burger, a young woman from South Africa cast in the mold of a revolutionary tradition. Rosa tries to uphold her heritage handed on by martyred parents while still carving out a sense of self. Although it is wholly of today, Burger's Daughter can be compared to those 19th century Russian classics that make a certain time and place come alive, and yet stand as universal celebrations of the human spirit. Nadine Gordimer, winner of the 1991 Nobel Prize in Literature, was born and lives in South Africa.

Recommendations. To the government of South Africa. -- Background. Migration to South Africa - Foreign migrants on farms in South Africa - Zimbabwean farm workers in Limpopo Province -- The International Organization for Migration and Zimbabwean migrants. -- The legal framework: Migrants' status and employment conditions. -- The Immigration Act : Violations and gaps resulting in human rights abuses. Unlawful procedures and acts in the arrest, detention, and deportation of undocumented foreigners: Officers' failure to verify the status and identity of suspected "illegal foreigners"--Assault, bribery, and theft by police during arrest of suspected illegal migrants - Detention exceeding 30 days without proper procedures - Detention not in compliance with prescribed standards. --Deportation without an opportunity to collect remuneration, savings, and personal belongings -- Migrants' vulnerability to arrest and deportation arising from government deficiencies in documenting corporate workers -- Migrants' vulnerability to financial abuses by corporate permit holders. -- Employment laws : Violations and gaps resulting in human rights violations. -- Employers' failure to pay minimum wages, their unlawful use of piece rate, and their disregard of overtime rules -- Employers' failure to comply with provisions governing deductions from wages -- Discrimination and violence against Zimbabwean workers by South Africans in the private sector -- Housing and living conditions -- Workers' compensation -- Employer deductions for emergency travel documents (ETDs) -- Conclusion. -- Acknowledgements. This expanded twelfth edition of the bestselling guide to style is based on the Economist's own updated house style manual, and is an invaluable companion for everyone who wants to communicate with the clarity, style and precision for which the Economist is renowned. As the introduction says, 'clarity of writing usually follows clarity of thought.' The Economist Style Guide gives general advice on writing, points out common errors and clichés, offers guidance on consistent use of punctuation, abbreviations and capital letters, and contains an exhaustive range of reference material - covering everything from accountancy ratios and stock market indices to laws of nature and science. Some of the numerous useful rules and common mistakes pointed out in the guide include: *Which informs, that defines. This is the house that Jack built. But: This house, which Jack built, is now falling down. Discreet means circumspect or prudent; discrete means separate or distinct. Remember that "Questions are never indiscreet. Answers sometimes are" (Oscar Wilde). Flaunt means display, flout means disdain. If you flout this distinction you will flaunt your ignorance Forgo means do without; forego means go before. Fortuitous means accidental, not fortunate or well-timed. Times: Take care. Three times more than X is four times as much as X. Full stops: Use plenty. They keep sentences short. This helps the reader.

The Development of Representative and Responsible Government

The Gift of the Magi

The New Tribe

In this ambitious and densely worked novel, we begin to see early signs of Ngugi's increasing bitterness about the ways in which the politicians are the true benefactors of the rewards of independence.

Regile is a zama-zama working illegally in an abandoned mine near Barberton. He has moved up the ranks and is now paid a salary to keep the other child workers in line. Towards the end of a three-month stint underground, a fourteen-year-old boy from Mozambique, Taiba, starts asking questions about their rescue. Taiba constantly reaffirms his belief that they will be saved: by the police, by the private security firms that guard the mines, or maybe even by the mythical Spike Maphosa. Regile knows that such hope is dangerous.

Hazel is determined to beat her rival in an upcoming race, but when she sees her brother Raymond running alongside her on the track, she realizes there are more important things than winning.

Nothembi got bored sitting alone in her room when she worked as a domestic worker. She recorded her own music on a portable tape recorder and took it to a record company. But she could not read contracts and lost money from her music. Now she is back at school and has a good contract. Her music is earning her money and making her famous.

*This volume focuses on the primary developments in the British empire's settlement colonies in the years leading up to the 20th century, and examines the changing relationship between British authority and colonial autonomy. In illustrating the larger theme of self-government, Madden provides sections on the British viewpoint of imperialism and self-government, the development of self-government in specific colonies, the extension of self-government beyond internal affairs, and the eventual federal governments and contiguous groupings of colonies. Sindiwe Magona's novel *Mother to Mother* explores the South African legacy of apartheid through the lens of a woman who remembers a life marked by oppression and injustice. Magona decided to write this novel when she discovered that Fulbright Scholar Amy Biehl, who had been killed while working to organize the nation's first ever democratic elections in 1993, died just a few yards away from her own permanent residence in Guguletu, Capetown. She then learned that one of the boys held responsible for the killing was in fact her neighbor's son. Magona began to imagine how easily it might have been her own son caught up in the wave of violence that day. The book is based on this real-life incident, and takes the form of an epistle to Amy Biehl's mother. The murderer's mother, Mandisi, writes about her life, the life of her child, and the colonized society that not only allowed, but perpetuated violence against women and impoverished black South Africans under the reign of apartheid. The result is not an apology for the murder, but a beautifully written exploration of the society that bred such violence.*
