CAROLYN REYNOLDS' approach to teaching astrological chart interpretation is about having fun while learning. ASTROLOGICAL TEACHING SIGNS is written to learn astrology in a simple, fun, and easy way. Here's a riddle: Two boxers enter the ring. Watching Floyd Mayweather, Jr.'s quick-footed, circling, and dancing boxing style is all about his Pisces Sun ruler ship which rules the feet. The other, Adrien Broner is clad in gold with gold braces, gold teeth; braggadocio and rapping. He's all about the show, the glitz, and the applause. He wants a crown because he is a Leo. Using keywords about which words express each sign and learning how to accentuate the right side of the brain creates an initiative approach that makes astrology easy to understand. CAROLYN REYNOLDS is internationally published, and the co-author of the late LINDA GOODMAN'S RELATIONSHIP SIGNS, THE BOOK OF LOVERS: An Astrological Guide to Romance, and ASTROLOGY ON THE JOB. She studied with many leading astrologers, as well as both learning Goodman's method of interpreting the Sun Signs, and the combining the genius of Sydney Omarr's blend of the Sun and Moon Signs in prediction and astrological methods. She has appeared on The Other Side, Unsolved Mysteries and Dr. Drew, as well as various newscasts and radio shows. There are parallels in the Universe. Different cultures at different times observed the same celestial events, yet each saw the sky with a different eye. Behind the shield, beneath the headdress, or on red clay soil kneeling below trees of pine and alder, each watched for signs. They looked to the skies for meanings, omens and warnings. We observe differently today, with the digital age, but our common characteristics of hopes and desires are revealed in much the same ways through astrology. TEACHING SIGNS, her upcoming online book and astrology course translates the astrological principles through the ages. Embark on your cosmic path to self-discovery with this comprehensive guide to the twelve signs of the zodiac. Your sun sign is determined by the day and month of your birth and dictates your zodiac personality. Taking each of the twelve signs in turn, world famous astrologer Linda Goodman explains the importance of the sun - the most powerful of all stellar bodies - in astrology. She describes the characteristics of each sign and how these can be used to really get to know the men, women, children, bosses and employees in your life. This newfound knowledge allows us to feel closer to one another and to understand that, as Goodman says, 'Not all Capricorns are meek, not all Leos are outwardly domineering and not all Virgos are virgins.' Learn all this and much, much more from the world-famous astrologer who has helped millions divine their way to success, happiness and love by studying the sun signs. Before publication of *Sun Signs* in 1968, astrology as we know it had a very limited following. With this book, Linda Goodman changed that forever, bringing metaphysical consciousness to millions of readers around the world for the first time. Newspapers began running astrology columns, and Goodman herself contributed to these in the larger mass circulation women's magazines. An increasing number of people knew their sign and how to interpret the signs of others, introducing the study of astrological tendencies as we now know it.

Combining astrology, numerology, and pure psychic intuition, *The Secret Language of Birthdays* is a wholly unique compilation that reveals one's strengths, weaknesses, and major issues while providing practical advice and spiritual guidance. Many have suspected that your birthday affects your personality and how you relate to others. Nineteen years and over one million copies later, *The Secret Language of Birthdays* continues to fascinate readers by describing the characteristics associated with being born on a particular day. The 366 personality profiles are based on astrology, numerology, the tarot, and Gary Goldschneider's observations of more than 14,000 people. Your strengths, weaknesses, and major concerns will be illuminated while you are given practical advice and spiritual guidance. After you study your profile, it will be hard to resist examining those of family, friends, colleagues, and even celebrities. Cainer provides the tools needed to help readers better understand themselves, find an ideal partner, reach their potential, enjoy happy and satisfying relationships, and even predict the future.

In this complete, step-by-step guide to determining astrological compatibility between two people, the author reveals insights into love relationships as well as connections that are often overlooked in other astrology books such as friendships, working relationships, and parent-child relationships. By comparing the charts of ordinary as well as famous couples, *The Astrology of Whole Relationships* delves deeply into emotional, intellectual, and sexual compatibility, how karma determines planetary positions, and important indicators of a soul mate connection between two people.

A modern, inclusive guide to astrology that uses the zodiac to illuminate your love life as well as your relationships with your family, your friends, and yourself. When it comes to friendship, family, and romance, we all want the same things: to love and be loved, to communicate, to fight fair, and to feel okay in our own skin. Illuminating and accessible, Astrology for Real Relationships includes a primer on basic zodiac knowledge—including the importance of your Sun, Moon, and the planets in your birth chart—before exploring how self-love and self-care affects all types of relationships. Once your mental health and spiritual and emotional wellness are balanced, you can be empowered in your relationships, including:

- *Friends and chosen family: The Sun governs your identity and your will. Are you comfortable being yourself? Do your friends see you in the same ways that you see yourself?*
- *Hanging out and dating: The Moon governs your feelings and emotions. Are you honest with yourself about how you feel and what you really need from a partner?*
- *Long term relationships: Mars is the planet of conflict. Do you always seem to be attracted to the wrong people? Are women really from Venus and men from Mars? Full of real talk about attraction, dating, sex, frenemies, self-love, mental health, and how to deal with family, this book will help you build and maintain strong connections—with your crushes, your spouse, your boss, or your mom—and uncover and empower you to get what you really want in relationships, not what you think you should want.*

If you think your astrological fate is sealed by your Sun sign, think again! Your emotions, instincts, intuition, and most private passions are dominated by your Moon sign. In this eye-opening volume, world-famous astrologer and therapist Donna Cunningham unravels the often bewildering effects of lunar influence: a person's potential for intimacy, sense of security, family ties, susceptibility to indulgence in food or drink, career ambition, as well as how men and women respond differently to the same lunar promptings in love and life. Cunningham provides all the information you need to determine your own and others' Moon signs—and analyze their power. Moon Signs also charts the daily, monthly, and yearly courses of the moon, which create those predictable mood swings—our "emotional weather." The time-honored tradition of astrology has come into its own as a resource for human development and spiritual insight. For astrological novices and veterans alike, Cunningham's invaluable guide will pave the way to a more profound understanding of the uncharted and sometimes dark side of the soul.
