NCLEX experts Linda Silvestri and Angela Silvestri, this book is part of the popular Saunders Pyramid to Success, which has helped thousands of nurses pass the NCLEX-PN exam! 1,265 NCLEX-PN® Examination-Style questions are included in the book, and the Evolve website includes all of the questions from the book plus an additional 4,400 questions. Content organized by Client Needs and Integrated Processes mirrors the actual NCLEX-PN exam, providing a logical review for exam preparation and end-of-course standardized exams. UNIQUE! Detailed test-taking strategy and rationale for each question provides clues for analyzing and uncovering the correct answer option, along with

## Read Book Lippincott Enclx Pn 9th Edition

rationales for both correct and incorrect options. Case studies include a client scenario and accompanying practice questions. UNIQUE! Priority Nursing Action tips are provided for each question to clarify the most important nursing considerations and interventions for each scenario. Categorization of questions allows you to select questions by cognitive level, client needs, integrated process, and clinical content area. All alternate item format questions are included, providing the practice needed to master critical thinking skills and understand prioritization. Graphic options questions on Evolve familiarize you with these alternate item format question types that could appear on the NCLEX®.
