What would you do to bring back someone you love? After the unexpected loss of his girlfriend, a boy suffering from delusions believes he can travel through time to save her in this gripping new novel from New York Times bestselling author Beth Revis. "A story that's both heartbreaking and hopeful." —Publishers Weekly, starred review "Revis's account of grief, loss, first love, and anguish, presented through a lens of mental illness, is a must-read." —VOYA, starred review "A heartrending, beautifully complex look at mental illness, life, and loss. I tore through the pages, and, days later, this story still has a hold on me." —Alexandra Bracken, #1 New York Times bestselling author of The Darkest Minds series and Passenger Seventeen-year-old Bo has always had delusions that he can travel through time. When he was ten, Bo claimed to have witnessed the Titanic hit an iceberg, and at fifteen, he found himself on a Civil War battlefield, horrified by the bodies surrounding him. So when his concerned parents send him to a school for troubled youth, Bo assumes he knows the truth: that he's actually attending Berkshire Academy, a school for kids who, like Bo, have "superpowers." At Berkshire, Bo falls in love with Sofia, a quiet girl with a tragic past and the superpower of invisibility. Sofia helps Bo open up in a way he never has before. In turn, Bo provides comfort to Sofia, who lost her mother and two sisters at a very young age. But even the strength of their love isn't enough to help Sofia escape her deep depression. After she commits suicide, Bo is convinced that she's not actually dead. He believes that she's stuck somewhere in time — that he somehow left her in the past, and now it's his job to save her. Not since Ned Vizzini's It's Kind of a Funny Story has there been such a heartrending depiction of mental illness. In her first contemporary novel, Beth Revis guides readers through the mind of a young man struggling to process his grief as he fights his way through his delusions. As Bo becomes more and more determined to save Sofia, he has to decide whether to face his demons head-on, or succumb to a psychosis that will let him be with the girl he loves.
"In this sly and salacious work, Nutting forces us to take a long, unflinching look at a deeply disturbed mind, and more significantly, at society's often troubling relationship with female beauty." (San Francisco Chronicle) In Alissa Nutting's novel Tampa, Celeste Price, a smoldering 26-year-old middle-school teacher in Florida, unrepentantly recounts her elaborate and sociopathically determined seduction of a 14-year-old student. Celeste has chosen and lured the charmingly modest Jack Patrick into her web. Jack is enthralled and in awe of his eighth-grade teacher, and, most importantly, willing to accept Celeste's terms for a secret relationship—car rides after dark, rendezvous at Jack's house while his single father works the late shift, and body-slamming erotic encounters in Celeste's empty classroom. In slaking her sexual thirst, Celeste Price is remorseless and deviously free of hesitation, a monstress of pure motivation. She deceives everyone, is close to no one, and cares little for anything but her pleasure. Tampa is a sexually explicit, virtuosically satirical, American Psycho-esque rendering of a monstrously misplaced but undeterrable desire. Laced with black humor and crackling sexualized prose, Alissa Nutting's Tampa is a grand, seriocomic examination of the want behind student / teacher affairs and a scorching literary debut.

From the #1 NYT Bestselling author of BIG ROCK comes a hot & hilarious new standalone... Just call me Mister O. Because YOUR pleasure is my super power. Making a woman feel 'oh-god-that's-good' is the name of the game, and if a man can't get the job done, he should get the hell out of the bedroom. I'm talking toe-curling, mind-blowing, sheet-grabbing ecstasy. Like I provide every time. I suppose that makes me a superhero of pleasure, and my mission is to always deliver. But then I'm thrown for a loop when a certain woman asks me to teach her everything about how to win a man. The only problem? She's my best friend's sister, but she's far too tempting to resist--especially when I learn that sweet, sexy Harper has a dirty mind too and wants to put it to good use. What could possibly go wrong as I give the woman I've secretly wanted some no-strings-attached lessons in seduction? No one will know, even if we send a few dirty sexts. Okay, a few hundred. Or if the zipper on her dress gets stuck. Not on that! Or if she gives me those f*&k-me-eyes on the train in front of her whole family. The trouble is the more nights I spend with her in bed, the more days I want to spend with her out of bed. And for the first time ever, I'm not only thinking about how to make a woman cry out in pleasure --I'm thinking about how to keep her in my arms for a long time to come. Looks like the real Adventures of Mister O have only just begun.... **MISTER O is a standalone romantic comedy and it follows supporting characters first introduced in BIG ROCK**

In 1941, Henry Miller, the author of Tropic of Cancer, was commissioned by a Los Angeles bookseller to write an erotic novel for a dollar a page. Under the Roofs of Paris (originally published as Opus Pistorum) is that book. Here one finds Miller's characteristic candor, wit, self-mockery, and celebration of the good life. Soon to be a major motion picture from Lionsgate starring Anna Kendrick, Blake Lively and Henry Golding, and directed by Paul Feig "Riveting and brilliantly structured, A Simple Favor is an edge-of-your seat domestic thriller about a missing wife and mother that relies on a rotating cast of unreliable narrators to ingeniously examine the cost of competitive mom-friends, the toll of ordinary marital discontent and the fallacy of the picture-perfect, suburban family."—Kimberly McCreight, New York Times bestselling author She's your best friend. She knows all your secrets. That's why she's so dangerous. A single mother's life is turned upside down when her best friend vanishes in this chilling debut thriller in the vein of Gone Girl and The Girl on the Train. It starts with a simple favor—an ordinary kindness mothers do for one another. When her best friend, Emily, asks Stephanie to pick up her son Nicky after school, she happily says yes. Nicky and her son, Miles, are classmates and best friends, and the five-year-olds love being together—just like she and Emily. A widow and stay-at-home mommy blogger living in woodsy suburban Connecticut, Stephanie was lonely until she met Emily, a sophisticated PR executive whose job in Manhattan demands so much of her time. But Emily doesn't come back. She doesn't answer calls or return texts. Stephanie knows something is terribly wrong—Emily would never leave Nicky, no matter what the police say. Terrified, she reaches out to her blog readers for help. She also reaches out to Emily's husband, the handsome, reticent Sean, offering emotional support. It's the least she can do for her best friend. Then, she and Sean receive shocking news. Emily is dead. The nightmare of her disappearance is over. Or is it? Because soon, Stephanie will begin to see that nothing—not friendship, love, or even an ordinary favor—is as simple as it seems. A Simple Favor is a remarkable tale of psychological suspense—a clever and twisting free-fall of a ride filled with betrayals and reversals, twists and turns, secrets and revelations, love and loyalty, murder and revenge. Darcey Bell masterfully ratchets up the tension in a taut, unsettling, and completely absorbing story that holds you in its grip until the final page.
A sweeping novel of world war, migration, and the search for new beginnings in a new land, The Sound of One Hand Clapping was both critically acclaimed and a bestseller in Australia. Recognized with the Australian Booksellers' Book of the Year Award and the Vance Palmer Prize for Fiction, it now introduces to an international readership a young Australian who is emerging as one of our most talented new storytellers. In the winter of 1954, in a construction camp for a hydroelectric dam in the remote Tasmanian highlands, when Sonja Bulch was three years old and her migrant Slovenian father was drunk, her mother Maria walked off into a blizzard, never to return. Thirty-five years later, Sonja returns to Tasmania and a father haunted by memories of the European war and other, more recent horrors. As the shadows of the past begin to intrude ever more forcefully into the present, Sonja's empty life and her father's living death are to change forever. The Sound of One Hand Clapping is about the barbarism of an old world left behind, about the harshness of a new country, and the destiny of those in a land beyond hope who seek to redeem themselves through love.

The trailblazing memoirist and author of Henry & June recounts her relationships with Henry Miller and others—including her own father. Anaïs Nin wrote in her uncensored diaries like they were a broad-minded confidante with whom she shared the liberating psychosexual dramas of her life. In this continuation of her notorious Henry & June, she recounts a particularly turbulent period between 1932 and 1934, and the men who dominated it: her protective husband, her therapist, and the poet Antonin Artaud. However, most consuming of all is novelist Henry Miller—a man whose genius, said Anaïs, was so demonic it could drive people insane. Here too, recounted in extraordinary detail, is the sexual affair she had with her father. At once loving, exciting, and vengeful, it was the ultimate social transgression for which Anaïs would eventually seek absolution from her analysts. "Before Lena Dunham there was Anaïs Nin. Like Dunham, she's been accused of narcissism, sociopathy, and sexual perversion time and again. Yet even that comparison undercuts the strangeness and bravery of her work, for Nin was the first of her kind. And, like all truly unique talents, she was worshipped by some, hated by many, and misunderstood by most . . . A woman who'd spent decades on the bleeding edge of American intellectual life, a woman who had been a respected colleague of male writers who pushed the boundaries of acceptable sex writing. Like many great . . . experimentalists, she wrote for a world that did not yet exist, and so helped to bring it into being." —The Guardian Includes an introduction by Rupert Pole

It started out like any other morning on the train. Until I became mesmerized by the guy sitting across the aisle. He was barking at someone on his phone like he ruled the world. Who did the stuck-up suit think he was...God? Actually, he looked like a God. That was about it. When his stop came, he got up suddenly and left. So suddenly, he dropped his phone on the way out. I might have picked it up. I might have gone through all of his photos and called some of the numbers. I might have held onto the mystery man's phone for days—until I finally conjured up the courage to return it. When I traipsed my ass across town to his fancy company, he refused to see me. So, I left the phone on the empty desk outside the arrogant jerk's office. I might have also left behind a dirty picture on it first though. I didn't expect him to text back. I didn't expect our exchanges to be hot as hell. I didn't expect to fall for him—all before we even met. The two of us couldn't have been any more different. Yet, you know what they say about opposites. When we finally came face to face, we found out opposites sometimes do more than attract—we consumed each other. Nothing could have prepared me for the ride he took me on. And I certainly wasn't prepared for where I'd wind up when the ride was over. All good things must come to an end, right? Except our ending was one I didn't see coming.
