Peopled by larger-than-life heroes and villains, charged with towering questions of good and evil, *Atlas Shrugged* is Ayn Rand's magnum opus: a philosophical revolution told in the form of an action thriller—nominated as one of America's best-loved novels by PBS's *The Great American Read*. Who is John Galt? When he says that he will stop the motor of the world, is he a destroyer or a liberator? Why does he have to fight his battles not against his enemies but against those who need him most? Why does he fight his hardest battle against the woman he loves? You will know the answer to these questions when you discover the reason behind the baffling events that play havoc with the lives of the amazing men and women in this book. You will discover why a productive genius becomes a worthless playboy...why a great steel industrialist is working for his own destruction...why a composer gives up his career on the night of his triumph...why a beautiful woman who runs a transcontinental railroad falls in love with the man she has sworn to kill. *Atlas Shrugged*, a modern classic and Rand's most extensive statement of Objectivism—her groundbreaking philosophy—offers the reader the spectacle of human greatness, depicted with all the poetry and power of one of the twentieth century's leading artists.

An elderly black woman who lives out in the country makes the long and arduous journey into town, as she has done many times in the past.

All animals are equal but some animals are more equal than others. It's just an ordinary farm - until the animals revolt. They get rid of the irresponsible farmer. The other animals are sure that life is improving, but as systems are replaced and half-truths are retold, a new hierarchy emerges . . . Orwell's tale of propaganda, power and greed has never felt more pertinent. With an exciting new cover and inside illustrations by superstar Chris Mould.

The Allegory of the Cave, or Plato's Cave, was presented by the Greek philosopher Plato in his work Republic (514a–520a) to compare "the effect of education (παιδεία) and the lack of it on our nature". It is written as a dialogue between Plato's brother Glaucon and his mentor Socrates, narrated by the latter. The allegory is presented after the analogy of the sun (508b–509c) and the analogy of the divided line (509d–511e). All three are characterized in relation to dialectic at the end of Books VII and VIII (531d–534e). Plato has Socrates describe a group of people who have lived chained to the wall of a cave all of their lives, facing a blank wall. The people watch shadows projected on the wall from objects passing in front of a fire behind them, and give names to these shadows. The shadows are the prisoners' reality.

The Tale of Peter Rabbit

Frankenstein (Modern English Translation)

You Can't Be Serious

Fern Hill

A Raisin in the Sun

Carefully edited for modern readers to allow for easier reading Obsessed with the secret of creation, Swiss scientist Dr. Victor Frankenstein cobbles together a body he's determined to bring to life. And one fateful night, he does. When the creature opens his eyes, the doctor is repulsed: his vision of perfection is, in fact, a hideous monster. Dr. Frankenstein abandons his creation, but the monster won't be ignored, setting in motion a chain of violence and terror that shadows Victor to his death. Mary Shelley's Frankenstein, a gripping story about the ethics of creation and the consequences of trauma, is one of the most influential Gothic novels in British literature. It is as relevant today as it is haunting.

A luminous, powerful novel that establishes Rachel Cusk as one of the finest writers in the

English language A man and a woman are seated next to each other on a plane. They get to talking—about their destination, their careers, their families. Grievances are aired, family tragedies discussed, marriages and divorces analyzed. An intimacy is established as two strangers contrast their own fictions about their lives. Rachel Cusk's *Outline* is a novel in ten conversations. Spare and stark, it follows a novelist teaching a course in creative writing during one oppressively hot summer in Athens. She leads her students in storytelling exercises. She meets other visiting writers for dinner and discourse. She goes swimming in the Ionian Sea with her neighbor from the plane. The people she encounters speak volubly about themselves: their fantasies, anxieties, pet theories, regrets, and longings. And through these disclosures, a portrait of the narrator is drawn by contrast, a portrait of a woman learning to face a great loss. *Outline* takes a hard look at the things that are hardest to speak about. It brilliantly captures conversations, investigates people's motivations for storytelling, and questions their ability to ever do so honestly or unselfishly. In doing so it bares the deepest impulses behind the craft of fiction writing. This is Rachel Cusk's finest work yet, and one of the most startling, brilliant, original novels of recent years. A Finalist for the Folio Prize, the Goldsmiths Prize, the Scotiabank Giller Prize, and the Baileys Women's Prize for Fiction One of The New York Times' Top Ten Books of the Year Named a New York Times Book Review Notable Book and a Best Book of the Year by The New Yorker, Vogue, NPR, The Guardian, The Independent, Glamour, and The Globe and Mail

Gorgeous, spirited and extravagantly rich, Cora Cash is the closest thing 1890s New York society has to a princess. Her masquerade ball is the prelude to a campaign that will see her mother whisk Cora to Europe, where Mrs Cash wants nothing less than a title for her daughter. In England, impoverished blue-bloods are queueing up for introductions to American heiresses, overlooking the sometimes lowly origins of their fortunes. Cora makes a dazzling impression, but the English aristocracy is a realm fraught with arcane rules and pitfalls, and there are those less than eager to welcome a wealthy outsider...

The final book of the Bible, Revelation prophesies the ultimate judgement of mankind in a series of allegorical visions, grisly images and numerological predictions. According to these, empires will fall, the "Beast" will be destroyed and Christ will rule a new Jerusalem. With an introduction by Will Self.

A Traveler's Guide to a Done Dissertation

Ranging in topic from general discussions of literary theory to close readings of well known literary works, these nine papers address nearly every literary movement in nineteenth- and early-twentieth-century Russia, and a number of major writers, including Pushkin, Gogol, Turgenev, and Dostoevsky. Four kinds of issues are addressed: theoretical problems in the relationship of literature and society, the reading public, the rhetoric and ideologies of writers and critics, and the relationship between fictional and social worlds. In confronting some of the ways in which the social and literary aspects of Russian culture have imposed themselves upon each other, this volume seeks an approach to Russian literature that neglects neither the dynamics of social interaction nor the forms and traditions of literature. The contributors are Robert L. Belknap, Jeffrey Brooks, Edward J. Brown, Donald Fanger, Jean Franco, Robert Louis Jackson, Hugh McLean, Victor Ripp, and William Mills Todd III.

The readings in *The Writer's Presence* are selected exclusively for the quality of the writing. Editors Donald McQuade of the University of California, Berkeley, and Robert Atwan, Series Editor of *The Best American Essays* scoured hundreds of essays in search of teachable readings with strong voices and clear points of view. The result is a blend of classic pieces by favorites like James Baldwin, Annie Dillard, and Amy Tan; and fresh pieces by rising stars like Michael Pollan, Geeta Kothari, James McBride, and Daniel Harris. The voices in *The Writer's Presence* represent different communities, time periods, levels of difficulty, and fields of study, and the topics intersect in intriguing and nuanced ways, giving students the opportunity to think critically and develop their own voices. Organized by type of writing and with minimal apparatus, *The Writer's Presence* gives instructors unsurpassed teaching flexibility. With so many exceptional readings and so many ways to teach them, the possibilities are endless.

A New Translation From The French By Marion Wiesel Born in Sighet, Transylvania, Elie Wiesel was a teenager when he and his family were taken from their home in 1944 and deported to the Auschwitz concentration camp, and then to Buchenwald. *Night* is the terrifying record of Elie Wiesel's memories of the death of his family, the death of his own innocence, and his despair as a deeply observant Jew confronting the absolute evil of man. This new translation by his wife and most frequent translator, Marion Wiesel, corrects important details and presents the most accurate rendering in English of Elie Wiesel's seminal work.

Mary Oliver is one of America's best-loved poets, the winner of the Pulitzer Prize and the National Book Award. Her luminous poetry celebrates nature and beauty, love and the spirit, silence and wonder, extending the visionary American tradition of Whitman, Emerson, Frost and Emily Dickinson. Her extraordinary poetry is nourished by her intimate knowledge and minute daily observation of the New England coast, its woods and ponds, its birds and animals, plants and trees.

George Orwell set out 'to make political writing into an art', and to a wide extent this aim shaped the future of English literature – his descriptions of authoritarian regimes helped to form a new vocabulary that is fundamental to understanding totalitarianism. While 1984 and Animal Farm are amongst the most popular classic novels in the English language, this new series of Orwell's essays seeks to bring a wider selection of his writing on politics and literature to a new readership. In Why I Write, the first in the Orwell's Essays series, Orwell describes his journey to becoming a writer, and his movement from writing poems to short stories to the essays, fiction and non-fiction we remember him for. He also discusses what he sees as the 'four great motives for writing' – 'sheer egoism', 'aesthetic enthusiasm', 'historical impulse' and 'political purpose' – and considers the importance of keeping these in balance. Why I Write is a unique opportunity to look into Orwell's mind, and it grants the reader an entirely different vantage point from which to consider the rest of the great writer's oeuvre. Lamb to the Slaughter is a short, sharp, chilling story from Roald Dahl, the master of the shocking tale. In Lamb to the Slaughter, Roald Dahl, one of the world's favourite authors, tells a twisted story about the darker side of human nature. Here, a wife serves up a dish that utterly baffles the police . . . Lamb to the Slaughter is taken from the short story collection Someone Like You, which includes seventeen other devious and shocking stories, featuring the two men who make an unusual and chilling wager over the provenance of a bottle of wine; a curious machine that reveals the horrifying truth about plants; the man waiting to be bitten by the venomous snake asleep on his stomach; and others. 'The absolute master of the twist in the tale.' (Observer) This story is also available as a Penguin digital audio download read by Juliet Stevenson. Roald Dahl, the brilliant and worldwide acclaimed author of Charlie and the Chocolate Factory, James and the Giant Peach, Matilda, and many more classics for children, also wrote scores of short stories for adults. These delightfully disturbing tales have often been filmed and were most recently the inspiration for the West End play, Roald Dahl's Twisted Tales by Jeremy Dyson. Roald Dahl's stories continue to make readers shiver today.

This Second Edition of Diana Ridley's bestselling guide to the literature review outlines practical strategies for reading and note taking, and guides the reader on how to conduct a systematic search of the available literature, and uses cases and examples throughout to demonstrate best practice in writing and presenting the review. Wendy Laura Belcher's Writing Your Journal Article in Twelve Weeks: A Guide to Academic Publishing Success is a revolutionary approach to enabling academic authors to overcome their anxieties and produce the publications that are essential to succeeding in their fields. Each week, readers learn a particular feature of strong articles and work on revising theirs accordingly. At the end of twelve weeks, they send their article to a journal. This invaluable resource is the only guide that focuses specifically on publishing humanities and social science journal articles. Golding's iconic 1954 novel, now with a new foreword by Lois Lowry, remains one of the greatest books ever written for young adults and an unforgettable classic for readers of any age. This edition includes a new Suggestions for Further Reading by Jennifer Buehler. At the dawn of the next world war, a plane crashes on an uncharted island, stranding a group of schoolboys. At first, with no adult supervision, their freedom is something to celebrate. This far from civilization they can do anything they want. Anything. But as order collapses, as strange howls echo in the night, as terror begins its reign, the hope of adventure seems as far removed from reality as the hope of being rescued.

This collection of papers examines the relationship between the teaching of language and the teaching of literature to non-native students. The book attempts to identify key theoretical issues and principles as a basis for further discussion.

Structural Analysis, 8e, provides readers with a clear and thorough presentation of the theory and application of structural analysis as it applies to trusses, beams, and frames. Emphasis is placed on teaching readers to both model and analyze a structure. Procedures for Analysis, Hibbeler's problem solving methodologies, provides readers with a logical, orderly method to follow when applying theory.

This edition contains the English translation and the original text in German. "Before the Law" (German: "Vor dem Gesetz") is a parable contained in the novel "The Trial" (German: "Der Prozess"), by Franz Kafka. "Before the Law" was published in Kafka's lifetime, first in the New Year's edition 1915 of the independent Jewish weekly "Selbstwehr", then in 1919 as part of the collection "Ein Landarzt" ("A Country Doctor"). "The Trial", however, was not published until 1925, after Kafka's death. "Vor dem Gesetz" ist ein 1915 veröffentlichter Prosatext Franz Kafkas, der auch als Türhüterlegende oder Türhüterparabel bekannt ist. Die Handlung besteht darin, dass ein "Mann vom Land" vergeblich versucht, den Eintritt in das Gesetz zu erlangen, das von einem Türhüter bewacht wird.

A modern classic by Nobel Laureate J.M. Coetzee. His latest novel, The Schooldays of Jesus, is now available from Viking. Late Essays: 2006-2016 will be available January 2018. For decades the Magistrate has been a loyal servant of the Empire, running the affairs of a tiny frontier settlement and ignoring the impending war with the barbarians. When interrogation experts arrive, however, he witnesses the Empire's cruel and unjust treatment of prisoners of war. Jolted into sympathy for their victims, he commits a quixotic act of rebellion that brands him an enemy of the state. J. M. Coetzee's prize-winning novel is a startling allegory of the war between oppressor and oppressed. The Magistrate is not simply a man living through a crisis of conscience in an obscure place in remote times; his situation is that of all men living in unbearable complicity with regimes that ignore justice and decency. Mark Rylance (Wolf Hall, Bridge of Spies), Ciro Guerra and producer Michael Fitzgerald are teaming up to bring J.M. Coetzee's Waiting for the Barbarians to the big screen.

The star of the Harold and Kumar franchise, House, and Designated Survivor recounts why he rejected the advice of his aunties and guidance counselors and, instead of becoming a doctor or “something practical,” embarked on a surprising journey that has included confronting racism in Hollywood, meeting his future husband, and working in the Obama administration, in this “incredibly joyful and insightful” (Kiefer Sutherland) memoir. *You Can’t Be Serious* is a series of funny, consequential, awkward, and ridiculous stories from Kal Penn’s idiosyncratic life. It’s about being the grandson of Gandhian freedom fighters, and the son of immigrant parents: people who came to this country with very little and went very far—and whose vision of the American dream probably never included their son sliding off an oiled-up naked woman in the raunchy Ryan Reynolds movie *Van Wilder*...or getting a phone call from Air Force One as Kal flew with the country’s first Black president. “By turns hilarious, poignant, and inspiring” (David Axelrod, *New York Times* bestselling author), Kal reflects on the most exasperating and rewarding moments from his journey so far. He pulls back the curtain on the nuances of opportunity and racism in the entertainment industry and recounts how he built allies, found encouragement, and dealt with early reminders that he might never fit in. He describes his initially unpromising first date with his now-fiancé Josh, involving an 18-pack of Coors Light and an afternoon of watching NASCAR. And of course, he reveals how, after a decade and a half of fighting for and enjoying successes in Hollywood, he made the terrifying but rewarding decision to take a sabbatical from a fulfilling acting career for an opportunity to serve his country as an Obama White House aide. Above all, *You Can’t Be Serious* shows that everyone can have more than one life story. The book “is insightful, funny, and instructive for anyone who’s ever grappled with how they fit into the American dream” (Ronan Farrow, *New York Times* bestselling author), and demonstrates that no matter who you are and where you come from, you have many more choices than those presented to you. And okay, yes, it’s also about how Kal accidentally (and very stupidly) accepted an invitation to take the entire White House Office of Public Engagement to a strip club—because, let’s be honest, that’s the kind of stuff you really want to hear about.
