As the educational
landscape of

America continues to evolve and diversify, college faculty and administrators must be cutting edge in their approaches to create a variety of educational experiences with a greater level of multicultural cognizance. Unlike

in previous generations, higher education in the 21st Century is no longer a luxury reserved for the elite and wealthy, but is an increasing necessity for access to labor markets.

Community colleges and universities are working hard to

She is preparing to attend a lavish garden party at her boyfriend's family estate, set deep in the English countryside. At the same time, she is considering the carefully assembled pieces of herself. As the minutes tick down and the future beckons, she can't escape the question: is it time to take it all apart?

Assembly is a story about the stories we live within – those of race and class, safety and freedom, winners and losers. And it is about one woman daring to take control of her own story, even at the cost of her life. With a steely, unfaltering gaze, Natasha Brown dismantles the mythology of whiteness,
