It gives the phrase "centralized entertainment hub" a whole new meaning and has become the gold standard against which other systems are compared. And, as if that wasn't enough, it is free. What more could you ask for - a media manager that is both free and that works extremely well taking your Fire Stick experience from mediocre to spectacular? But surely there must be some kind of catch? There is and it's a bit of a doozy. Kodi is not the easiest software to operate. Once you get used to how it works, it becomes a breeze but it's a difficult system to teach yourself. In fact, when you don't know how to use it, you'll probably give up quickly because it is not at all intuitive. In this book,
