The Ultimate Guide to Financials That Every Business Owner Should Master! Students, Entrepreneurs, and the Curious Will Most Certainly Benefit from Learning the Basics!

Today, only 5% of the 50 million active businesses on Facebook are tapping into the targeting capabilities and gold mine opportunity of their advertising programs. With more than 1.7 billion active users and growing, Perry Marshall, joined by co-authors Thomas Meloche and Keith Krance, walk entrepreneurs and businesses through the latest changes and enhancements to help them pinpoint their ideal audience, and ultimately gain a ten-fold return on their investment.

In Don't Mess It Up: How Founders and Their Successors Can Avoid the Clichés That Inhibit Growth, author and six-time second CEO Les Trachtman offers his expertise on the most effective ways to successfully hand off your company to a worthy successor. He also has advice for those who are inheriting a business and want to take it to the next level, as well as for boards who are dealing with these leadership transitions. In his direct, no-nonsense approach, Les shows readers how seemingly harmless business clichés such as "get it right" and "be careful" can have a detrimental effect on a company's future by conveying that such imperative ingredients such as risk and innovation are things to now be avoided. Readers will learn how to: • Understand the metamorphosis required to transition from great founder to great CEO • Know when, and if, it's time to replace yourself • Pick the right successor • Prepare yourself and your company for the fragile transition • Create a successful CEO transition • Separate yourself from the company There is likely no one more experienced in founder transitions than Les Trachtman. He has been an innovative and respected successor at six different companies; let his hard-won advice guide you through your transition and toward success.

The Ultimate, Step-by-step Guide on How to Build Business Credit and Exactly Where to Apply

Running your LLC, step by step A limited liability company can give your small business both tax benefits and protection from personal liability for business debts. But without careful record keeping, regular meetings, and formal minutes, you could lose these advantages. Your Limited Liability Company provides all the instructions and forms you need to maintain the legal validity of your LLC. Forms include: Minutes of LLC Meeting Waiver of Notice of Meeting Approval of LLC Minutes Written Consents for Single-Member LLCs You'll also find more than 50 of the most commonly used legal resolutions to insert in your minutes or written consents. Use them to: declare distributions of LLC profits to members hire employees and contract with outside firms approve LLC contracts approve salary increases and bonuses authorize bank loans elect corporate tax treatment for your LLC, and amend the articles and operating agreement. With Downloadable Forms Provides 70 minutes and resolution forms with step-by-step instructions on how to document important LLC decisions, votes, and transactions. All forms are included in the book and are available for download on nolo.com.

The second edition of author Marques Vickers' The Ultimate Guide To Selling Art Online is a concise reference source for artists enabling creative entrepreneurs to maximize the expanding sales capabilities of the Internet. This edition details important exposure strategies, existing and emerging sales opportunities and valuable promotional outlets. Over 500 useful reference websites are provided referencing art marketing, website design, sales and promotion outlets. This Ultimate Art Guide stresses the importance and urgency of cultivating a vibrant social media presence via active postings and participation with content, social networking and weblog websites. These activities supplement an artist website with videos, feedback capabilities and resources to cultivate new and return buyers. The book stresses the importance of personalization and an artist's articulation of their creative vision. Practical advice and supplementary consulting sources are offered on every aspect of website design, effective promoting through media exposure, direct mail and the cultivation of a potential and existing client base to establish long-term sustainability. Concrete and instructive sales advice is provided on the most direct online sources available today for artists including online art galleries, eBay, Amazon and Etsy marketplace stores, auction houses, design industry outlets and barter exchanges. A chapter stresses alternative income sources including giclée reproductions and licensed art images. CONTENTS: A Fresh Dependency and Integration of Social Media Designing An Artist's Website Drawing Traffic To Your Social Media Pages and Website Cultivating Media Exposure and Email Marketing Alternative Income Sources through Self-Publishing and Licensing Who Buys Art? Online Art Gallery Sales Outlets Selling Via eBay, Etsy and Amazon Marketplaces Consigning and Selling Through Auction Houses Barter Exchanges and Cashless Transactions

A limited liability company (LLC) can be the right choice for any business owner seeking to reduce liability and protect his or her assets. This type of entity has several advantages over operating a sole proprietorship or partnership. In this book, you will discover the ins and outs of an LLC and find out if it's right for you.

Here's the truth: Every dental office's success depends on: Healthy collections Smooth patient flow Delivering the ultimate patient experience with a smile The lifeblood of any successful dental practice is a rock-solid dental billing process. This book is a step-by-step guide to a groundbreaking dental billing process written by someone in the industry. You're about to learn how dental billing impacts the overall health of your practice. You'll finally understand the hidden inside your dental reporting and how to use them. Best of all? You'll leave billing chaos behind and take a more healthy cash flow and confident mastery of your processes.

Invaluable Insight into LLCs Featuring updated forms and financial templates now available via download, this complete toolkit provides step-by-step instructions for planning, organizing, forming, operating and maintaining a limited liability company (LLC) in any state. LLCs are one of the most flexible business formations available and for many businesses, offer a better alternative to corporations. As in partnerships, taxation passes through to the business, avoiding the double taxation problem with corporations, LLCs offer liability protection for owners and their assets. However, LLCs aren't for everyone. To help you make an informed decision, business legal guru Michael Spadaccini provides invaluable insight, offering tips from the pros, practical experience and lists of advantages and disadvantages. This hands-on reference offers: Instructions on how to start an LLC, including detailed requirements for every state The pros, cons, and uses of different business formations - including corporations, sole proprietorships, and partnerships Details on how and when LLCs are best used for minimizing tax liability protection and shielding assets Contact information and summaries of incorporation laws for the 50 states and DC, including requirements and costs for creating LLCs.

Marketer Perry Marshall converts the widely known 80/20 principle into a master framework that multiplies the power of everything you do in sales and marketing and makes scary-accurate predictions. It's the ultimate secret to selling more while working less. Guided by famed marketing consultant and best-selling author Perry Marshall, sales and marketing professionals save 80 percent of their time and money by zeroing in on the right 20 percent of their market - then apply 80/202 and 80/203 to gain 10X, even 100X the success. With a powerful 80/20 software tool (online, included with the book), sellers and marketers uncover how to slash time-wasters; advertise to hyper-responsive buyers and

avoid tire-kickers; gain coveted positions on search engines; differentiate themselves from competitors and gain esteem in their marketplace. With the included tools they'll see exactly how much money they're leaving on the table, and how to put it back in their pockets. Sellers will identify untapped markets, high-profit opportunities and incremental improvements, gaining time and greater profit potential. Supported by online tools from Marshall, including The 80/20 Power Curve, a tool that helps you see invisible money, and a Marketing DNA Test, a personal assessment that zeroes in on one's natural selling assets, this timeless guide promises to change the game for seasoned and novice marketers and sellers.

Everything you've ever wanted to know about how to have a threesome—plus everything you'd never think to ask! The Ultimate Guide to Threesomes will teach you how to have ethical, consensual encounters that give pleasure to everyone involved. Fantasy exploration, finding threesome partners, making your dreams come true—sex educator Stella Harris guides you through the whole process. You'll also find plenty of positions and scenarios for beginners and veterans alike, plus information about safer sex and aftercare. And if you want threesomes to stay a fantasy? That's okay too! This book teaches how to use threesomes in dirty talk and role play. Whether you're just starting out on your threesome journey, or you've been having threesomes for years, you'll find something here to suit your needs. Harris is used to hearing, "Wow, I never thought of that!"—what new ideas will you find in these pages?

In this step by step guide, former Management Consultant and change management expert Theodore Panagacos walks you through the entire discipline of Business Process Management. Learn how to fast track your organization's strategy to govern processes, create a process culture, and measure business performance. Accounting is a foundational subject matter of business. You cannot be a student of business, run your own startup, or even have a somewhat coherent conversation with someone on the topic of business if you don't understand the basics of accounting. This is a must-read for everyone frankly. The good news is that Concise Reads has done it once again and is now offering Accounting in an easy to read, easy to understand concise read that can be read and understood within the span of a single day! Concise Reads is better than other accounting books because it's short, it's to the point, it's affordable, and it's written by the same person who brought you the popular titles on how to write a business plan, how to incorporate, operations management, and leadership principles. There is also no age limit for this reading. It would actually be a wonderful thing to gift this to anyone and everyone you care about to get them understanding the fundamentals of profits and losses, assets and liabilities, and the relationship to cash flows. Most Americans don't even get to learn accounting by the time they finish college--just to put the potential impact in perspective. In this guide you will learn about: GAAP ACCOUNTING MASTERING JOURNAL ENTRIES INCOME STATEMENT BALANCE SHEET CASH FLOW STATEMENT STATEMENT OF RETAINED EARNINGS MUST KNOW COMMON ACCOUNTING TERMS This Series covers the following topics commonly taught in MBA programs: ACCOUNTING 101 HOW TO WRITE A BUSINESS PLAN OPERATIONS MANAGEMENT LEADERSHIP PRINCIPLES THE ART OF NEGOTIATION HOW TO INCORPORATE YOUR BUSINESS CONSULTING FRAMEWORKS

The growing legions of crafters looking to turn their hobby into a profession can rely on the tried and true advice in Craft, Inc. In this completely revised edition of the definitive crafter's business book, entrepreneur Meg Mateo Iasco offers expanded and authoritative guidance on everything from developing products and sourcing materials to writing a business plan and paying taxes. With all-new sections on opening an online shop, using social media strategically, and more along with updated interviews from such craft luminaries as Jonathan Adler and Jill Bliss this comprehensive primer features the most current information on starting and

running a successful creative business.

The book is about self-discovery but with a twist. Self-discovery allows us to find the core of our being. In this book, *Walking Our Talk: the Ultimate Guide to Self-Discovery*, we will learn how to self-diagnose our own faults and create meaningful solutions based on our personal experiences and the experiences of those around us. We will learn to change our future path by creating a viable business plan for life. We may even seek professional help if necessary. Are you ready to see beyond the rainbow? It deals with the type of ownership we currently have in our lives. These include Sole Proprietorship, Partnership, and Limited Liability Corporations (LLC). These legal entities have different risk components and advantages, similar to life. Which one of these entities fits what we ourselves envision for our life? Most companies pick the business entity that best fits their vision. They have calculated all the advantages and disadvantages of that entity. Finally we will gain some form of inner peace. We move from the darkness and into the light. Our view of the world is an optimistic one. We live in the real world and know how to deal with real world situations. We have no illusions as to what might await us down the road but we are confident that our positive outlook and our self-awareness will see us through.

This is our eighth edition (2020 Edition). How can I avoid self-employment taxes? This simple question was the inspiration for creating an article describing the benefits of an S Corporation. That original article, which was about four pages long, quickly became a series of KnowledgeBase articles on WCG (formerly Watson CPA Group) website. The articles touched on basic topics such as how to elect S Corp status, shareholder payroll, reasonable salary determination and liability protection. Those broad topics demanded much more information, both horizontally by spanning into more related issues, and vertically by digging deeper into the granular yet riveting levels of the tax code. Beyond general S Corp benefits, our 2020 edition of this book will show you-1. Entity Structures, and Custom Multi-Entity Arrangements2. The Fallacy of Nevada Corps3. State Taxes, Nexus, FBA Problems, and Liability4. S Corp Benefits, Tax Savings5. Avoiding Self-Employment Taxes6. The 185 Reasons an S Corp or LLC Might Stink7. Forming and Operating an S Corp8. Late S Corp Election9. Determining Reasonable S Corp Shareholder Salary10. Section 199A Business Tax Deduction11. Tax Deductions, Fringe Benefits, Kids on Payroll and Cars12. Properly Paying for Health Insurance13. Small Business Retirement Planning with Your S CorpEach week we receive several phone calls and emails from small business owners and other CPAs across the country who have read our *Taxpayer's Comprehensive Guide to LLCs and S Corps* and praised the wealth of information. Regardless of your current situation, whether you are considering starting your own business or entertaining a contracting gig, or you are an experienced business owner, the contents of this book are for you. This book is written with the general taxpayer in mind. Too many resources simply regurgitate complex tax code without explanation. While in some cases tax code and court opinions are duplicated verbatim because of precision of the words, this book strives to explain many technical concepts in layperson terms with some added humor and opinions. We believe you will find this book educational as well as amusing.

The bestselling unauthorized guide that will ensure that you get the most out of the Kindle - or give you all the information you need before you decide to buy.

Updated to include information on the Tax Cuts and Jobs Act, including the 20% pass-through deduction available to SMLLC owners Single-member LLCs are the new business entity of choice for small businesses with one owner. Easy to form and operate, Single Member LLCs combine some of the most desirable features of older, more traditional business structures like corporations, partnerships, and sole proprietorships. With a Single Member LLC, you get personal liability protection, pass-through taxation, and flexibility of management. This book provides an overview of everything you need to know about Single Member LLCs, including: what forms and documents you need to create an SMLLC how to initially fund an SMLLC what your options are for managing an SMLLC how to prepare taxes for an SMLLC what kinds of records you need to maintain for your SMLLC, and liability issues specific to SMLLCs. Nolo's *Guide to Single-Member LLCs* has all the essential information you need to decide whether an SMLLC is the right choice for your business. The book includes a sample operating agreement and written consent forms as well as tips and examples throughout to help clarify the most important points.

According the United States Small Business Administration's most recently released data, there are more than 9 million small businesses in the United States and almost 250,000 new ones started every year. Of those

new businesses, half will fail in the first 12 months and part of that failure is due to the lack of information about how to start and develop that business. Without the right legal form of business, you may end up paying too much in taxes, failing to comply with certain laws, or miss out on certain breaks that you deserve. This book provides you with a complete guide, discussing all four major forms of business, which one is right for you, and how your decision may affect you in the future. The first thing you will read about is the list of non-legal issues you need to deal with before you start the business creation process. In addition, you will learn which form of business is ideal for your particular situation with a short overview of each type, a comparison of what each offers, and how the legal implications of each might apply to you. You will learn specifically how to choose between an LLC and a corporation in instances where it might not be immediately clear which is best for you. You will also learn which special business structures are best suited to your needs if you do not fit into any of the four primary categories. The process of structuring a partnership is outlined, along with how to create a written agreement and how to change a partnership after the business has been created. You will also learn how to create a corporation, including the structure you will use, how to establish financing, the compensation you will provide yourself, whether you need a lawyer, the 13 step process of starting and filing your corporation, and what you need to do immediately afterwards. The number of members needed to create an LLC is provided as well, along with how to structure management and determine financing and compensation. Hours of careful interviews were conducted with successful small business owners and legal experts to help create a comprehensive collection of materials that will guide you through the processes above, as well as how to handle transition of ownership and the extended process of naming your business " including the legal implications of this process, what you need to know about trademarks and service marks, how to protect your own trademarks, and where to do name searches. The licensing and permit processes, as well as the tax structures for each business type, are included for federal, state, and local laws, while additional information is provided on how to build your home-based business as opposed to one in a physical location. If you are looking to create a new business and do not know which format is best for your needs, this book will walk you through each step of the selection process, making sure your new business meets all applicable laws and regulations.
