British theatre is booming. But where do these beautiful buildings and exciting plays come from? And when did the story start? To find out we time travel back to the age of the first Queen Elizabeth in the sixteenth century, four hundred years ago when there was not a single theatre in the land. In the company of a series of well-characterised fictional guides, the eight chapters of the book explore how British theatre began, grew up and developed from the 1550s to the 1950s. The Time-Traveller's Guide to British Theatre tells the story of the movers and shakers, the buildings, the playwrights, the plays and the audiences that make British theatre

what it is today. It covers all the great names - from Shakespeare to Terence Rattigan, by way of Oscar Wilde and George Bernard Shaw - and the classic plays, many of which are still revived today, visits the venues and tells their dramatic stories. It is an accessible, journalistic account of this subject which, while based firmly on extensive research and historical accuracy, describes five centuries of British creativity in an interesting and relevant way. It is celebratory in tone, journalistic in style and accurate in content.

A time of exuberance, thrills, frills and unchecked bad behavior, it was perhaps the last age of true freedom before the arrival of the stifling world of Victorian morality. At the same time, it was a period of transition that reflected unprecedented social, economic, and political change. And like all periods in history, it was an age of many contradictions—where Beethoven's thundering Fifth Symphony could premier in the same year that saw Jane Austen craft the delicate sensitivities of Persuasion. Once more, Ian***

***Mortimer takes us on a thrilling journey to the past, revealing what people ate, drank, and wore; where they shopped and how they amused themselves; what they believed in, and what they were afraid of. Conveying the sights, sound,s and smells of the Regency period, this is history at its most exciting, physical, visceral—the past not as something to be studied but as lived experience.***
