*An engaging introduction to buildings, with a deft mix of nonfiction and fiction elements.*

*A midnight ritual by a secret society in the English Countryside nearly costs Thomas Spell his life. He returns home to Chicago to find that he carries within himself something unspeakable - a condition for which he believes there is no cure, until he meets Penelope, a beautiful and brilliant pre-med student determined to heal him. But the Brotherhood searches for him still, convinced that he holds the key to an unimaginable power. As his life begins to spiral out of control, Thomas is forced to confront his own past, as well as the dark forces closing in on him and everything he holds dear.*

**Terrie and Doug Oxtal gave their lives to a dream. After over 35 years of marriage the result of their devotion to four children and each other, life was perfect until the day they left the hospital with only their youngest son Andrew's jacket. The unspeakable grief that took over their lives is captured in letters written to Andrew where the love spills on to every page. The journey is there, the love is there, the sense of loss is there between the lines of shock and pain, with a true understanding of compassion. The Oxtal family knows Andrew has gone home, and they live with him in their hearts, until they meet again. For those who have suffered the loss of a child, this mother's letters will take you to a place so familiar they won't make you feel alone. For those who have not lost a child, this book will take you to a place where love is all that matters.**

**Lift the flaps to explore all sorts of busy building sites, from a house to a bridge to a soaring skyscraper. Find out how construction machines help buildings go up - and how they knock them down.**

**This smart lift-the-flap book takes a good look inside a building site, how it works and operates, what trucks and diggers are used for. See the same building site as construction unfolds and learn about how a building (house or otherwise) is put together.**

**The World's Must-See Places takes you on a tour of over 100 of the world's greatest sights. In true DK Eyewitness Travel Guide style, each page of the book will show you what other books only tell you, with unique 3-D cutaway artworks that let you look inside each building as if you were there. Each featured sight has been selected for its uniqueness, or its historical or architectural importance, and many are included on UNESCO's list of World Heritage Sites. Situated across the five continents, the sights include iconic landmarks, such as Chartres Cathedral and Sydney Opera House, and lesser-known gems, including the Kairouan Mosque in Tunisia and the Toshu-gu Shrine in Japan. In addition to engaging text that describes each sight, sidebars and text panels cover topics such as the architectural style of the building, the architect and his works, or historic events or people that shaped the building as we know it today. This book will not only inspire readers to visit some, if not all, of the featured sights, but will also appeal to armchair travelers who prefer to view the sights from the comfort of their own home.**

**Echoes of prospectors, forlorn widows and politicians linger in the streets and historic remnants of Nevada's former boomtowns. In the throes of early financial disaster, the Silver State had little to entice newcomers or discourage residents from leaving. Jim Butler's silver discovery at Tonopah changed everything. With a subsequent gold discovery near Goldfield, the rush was on, and from these burgeoning mines, Nevada's early leaders amassed their wealth and power. If you have ever dreamed of growing your own vegetables and flowers year-round in a passive solar greenhouse, this is a book you will be interested in. The greenhouse described in this book provides the owners, neighbors, friends, and family with an amazing abundance of vegetables in all four seasons. Ted's Greenhouse describes the process of building this 484 square foot passive solar polycarbonate greenhouse from the foundation to the finish. Included are chapters on passive solar design, siting the building, permits for the building, cost considerations, materials, and greenhouse coverings, with a special emphasis on the polycarbonate that is used to sheathe this building. A complete set of building plans is included, along with a description of the building process, step by step. While the book does describe one specific design, the plans could be adjusted to fit various budgets and situations. Also covered is information on how to use the greenhouse for plants. Chapters on soil, experiences with a variety of plants, pests and diseases, and how to heat and cool the greenhouse are included. The addendum adds reviews of various products that have been tried in this greenhouse, and resources that are available to the greenhouse grower. There is a materials list and a cost breakdown. Ted's Greenhouse is an elegant, functional building that will add joy to your life and beauty to your property.

Life in lower class as offspring of a notorious thief was simple for the Quartar daughters until accidental mishaps with the other classes of society turn their dirt poor lives around for worse and better. Eight young women are taken from the slums into the high class world they never understood only at first to find betrayal, suffering, scandal, revenge and corruption. Then, before they know it they are wrapped in the grandest scandal their country of Galli has ever seen. The kingdom of Cretaine is trying to overthrow the corrupted kingdom of Galli. The Quartar family must betray their world in order to save Galli from a brutal civil war.

Nora, Silas, and Avery are three unusual apricots! After being picked from their tree, they are taken home to live with Mr. and Mrs. Orchard. This begins their adventures with the "outside" world. They find out their favorite foods, build a roller coaster, and find new and exciting ways to climb furniture. These happy apricots will always make you smile with their newest discoveries! This book is printed in black and white.

*"The horse makes me better." Sallie Stewart suffered a traumatic brain injury when her Andalusian stallion, Escogido XXV, lost his footing and fell over while she was riding him. Sallie hit the ground first, and then Esco landed on Sallie's head, causing facial fractures and a brain injury that dramatically changed her life. A successful real estate broker and dressage rider at the time of the accident, Sallie had been leading a happy life with her husband, children, and four horses. After Esco fell on her, she lost her memory, her balance, and her ability to perform the most basic tasks. She couldn't hold a job or shake the overwhelming fear that replaced the confidence she once felt. While her husband and sons taught her to walk, talk, dress, and feed herself, Sallie's greatest healing was still to come. With her personal life in*

*disarray and her family's finances in tatters, Sallie was contemplating suicide when she received a life-changing phone call from her dressage coach, Mike Osinski. Osinski calmed the traumatized horse and challenged Sallie to conquer her fears. As she progressed in her lessons, Sallie recovered her memories and developed a new sense of self. She discovered that her deepest healing took place on the back of the very horse that had fallen on her. "Escogido XXV: The Chosen" tells the story of a courageous woman, a compassionate trainer, an extraordinary horse, and their determination to heal their accidental wounds.*

*The central theme of this book is national land and infrastructure design in the age of the declining population and the recovery from the Great East Japan Earthquake in the affected regions in Japan. Based on the theory of spatial economics and evidence from Japanese history, the authors show that the growing economy with a population increase develops into a multi-cored and complex structure. In the population decline phase, however, such construction will be destabilized because of agglomeration economies in the central core. Then, a catastrophic shock that strikes may provoke the decline of the lower-rank-size provincial cities and their eventual disappearance if they compete only in lower prices of staple products. Not only is the practice bad for the residents; it also leads to lower national welfare resulting from the loss of diversity and overcrowded big cities. The authors argue that small local towns can recover and will be sustained if they will endeavor in innovative production by making good use of local natural resources and social capital. Under the ongoing declining population in Japan, an undesirable concentration in Tokyo will proceed further with increasing social cost and risk. The recent novel coronavirus pandemic has highlighted that concern.*

This is the Limited Edition Breast Cancer Awareness version of Still Breathin', with a Foreward written by Alicia DiMichele, star of VH1's Mob Wives. 25% of all proceeds will be donated to the Susan G. Komen Foundation. Your life doesn't have to suck. In the self-help book that breaks all the rules, Author/Publisher Brenden Dilley brings it directly to you... rough, rugged and raw. If you're looking for a bunch of one-liners and "warm fuzzies," you won't find them here. This is NOT your "mom and dad's" self-help book. Still Breathin' is relevant, it's practical, and above all, thought provoking. Brenden Dilley's message does not come sugar-coated or wrapped in a pretty bow. He takes an aggressive, unfiltered approach to self-help and doesn't pull any punches. Through his humor and unwavering authenticity, he allows you to confront your fears and insecurities. Still Breathin' contains the practical advice necessary to forgive those who have hurt you and more importantly, forgive yourself for your past mistakes and imperfections. The lessons within these pages will assist you in living a more passionate, purposeful existence. Brenden aims to help you stop inviting toxic people into your life, stop sabotaging yourself, stop settling, stop wasting your time... and start taking back your power and creating the life you envision for yourself. You will find yourself referring back to this book throughout your life as you evolve, change and grow. Still Breathin' couples the rollercoaster of Brenden Dilley's life experiences with insightful advice and wisdom, broaching a wide range of topics: dating, relationships, love, sex, parenting, business, passion, faith, health, fitness. Still Breathin' details Brenden's navigation through the horrific decisions he made in his twenties that led him to--poverty, near homelessness, break-ups, divorce, custody battles, the disappearance of a child--and his unwavering belief in himself and faith in the process of life. Still Breathin' is a thought-provoking book that not only will entertain, offend and inspire, but promises to make even the most open minded reader blush while exploring the depths of human behavior and sexuality.

As Joe Barley investigates a case, he stumbles across the story of a missing manuscript containing writings by a young Ernest Hemingway.

Jonathan Bricklin's debut novel is astounding for its intellectual playfulness and verbal ingenuity, and for the exuberant voice of Willy Nilly, the young hero of this unexpected adventure. Telepathy, Tetherball, Turtles, Politics, Pirates, Lemonade, Cryogenics, Waterslides and Holograms are some of the ingredients in this madcap frenzy of metaphorical escapism. If Raymond Chandler and Tom Robbins adopted a baby it might grow up to write a book like this.

Hopelessly in a funk with no apparent way out, mortgage industry veteran, Mark Stiles, grasped desperately to the one thing that could help: CHANGE. For the past few years, Mark has been stuck in a life of mediocrity - unfulfilled and stuck getting by..... Slowly, but surely, both his personal and professional lives have derailed and are on a one-way track to disaster. Now, after a chance encounter with an old friend and colleague in the business, Mark is presented with a challenging opportunity that can radically change his life. A change that could not only allow him to achieve his dream and provide an abundant life for his family, but a change that could inject long-forgotten purpose, meaning and fulfillment back into his career and very soul. Whether you're a mortgage veteran or a newbie to the residential mortgage scene, this book is possibly the answer to your problems! It not only provides solutions to the issues you've faced with loans but it outlines a proven, strategic framework for re-structuring your life to reach all the goals you've set for yourself and achieve unlimited success. The only question is: are you prepared to hit the Reset button and change?

Gaby LeFevre is a suburban, Midwestern firecracker, growing up in the 80s and 90s and saving the world one homeless person, centenarian, and orphan at a time. With her crew of twin sister, Annie, smitten Mikhail, and frenemy Mel, she's a pamphlet-wielding humanitarian, tackling a broken world full of heroes and heroines, villains and magical seeds, and Northwyth stories. Beginning with a roadkill-burying nine-year-old and a gas-leak explosion, it follows Gaby as she traverses childhood and young adulthood with characteristic intensity and a penchant for disaster. Meanwhile, the large cast of compelling characters entertains and the Northwyth legends draw you into their magic.

As a young urban youth worker, Ted Travis was captivated by a question posed by Christian community development pioneer Dr. John Perkins: "How do we build incentive in inner-city youth, motivating them toward Christ and a life of meaning and purpose?" Over the next 30 years, Ted wrestled with this question as he and his wife Shelly ministered to hundreds of teens in Denver's Five Points neighborhood- an inner-city community facing the daunting challenges of poverty, gangs, crime, and unemployment. Along the way, Ted pressed biblical principles and tried-in-the-trenches strategies into a philosophy of youth leadership development he calls "transformational discipleship." In Building Cathedrals, Ted shares his blueprint for transformational discipleship (as well as accounts of its profound impact on young people) and exhorts today's youth workers to reimagine their ministries and raise up a new generation of visionary urban leaders. This book has been revised and expanded, including the addition of an index.
