This book considers the
phenomenon of soft law
employed by domestic
public authorities.

Lawyers have long

understood that public
authorities are able to
issue certain
communications in a way
that causes them to be
treated like law, even
though these are neither

legislation nor
subordinate legislation.
Importantly for soft law
as a regulatory tool,
people tend to treat soft
law as binding even though
public authorities know

that it is not. It follows that soft law's 'binding' effects do not apply equally between the public authority and those to whom it is directed. Consequently, soft law is
