

Losing My Religion Vishwas Mudagal

After ten long years, a twenty-something Amaan reluctantly comes back to his once-thriving-now-desolate kingdom Attanooga, to fulfill his mother's last wish of a hometown funeral. Saira is a journalist, but her job for the past five years has been the same – a beautiful bait to expose famous people with demented habits. Strangely, her memories of the past come to her like an out of order puzzle – whether it's of her estranged mother, her one true hate, or the broken heart because of her break-up with Amaan years ago. Trapped in failing ambition and marshy relationships, Saira gets a rare chance to resurrect both, when she's chosen to lead a special feature on the life and times of the late queen, Amaan's mother. Determined to get her career and life in order at all costs, would her scheming deception end her misery or swallow her into a sinkhole where lines between blood and dreams aren't to be trusted. Read on to find what happens when they are caught in The Crossfire of Love.

Bestselling author Prakash Iyer uses simple but powerful anecdotes and parables from all over the world to demonstrate what makes for effective personal and professional leadership. Iyer draws lessons from sources as diverse as his dream of a mother giraffe, Abraham Lincoln and footballers in the United Kingdom. He shows how an instinct to lead can be acquired even while flipping burgers at a fast-food chain. All of these stories come together in an explosive cocktail to unleash your inner leader.

In this challenging and provocative book, Tom Frame, one of Australia's best - known writers on religion and society, examines diminishing theological belief and declining denominational affiliation. He argues that Australia has never been a very religious nation but that few Australians have deliberately rejected belief - most simply can't see why they need to be bothered with religion at all. He contends that vehement campaigning against theistic belief is the product of growing disdain for religious fundamentalism and a vigorous commitment to personal autonomy. Losing My Religion contends that God is certainly not dead but that Australia's religious landscape will continue to change as the battle for hearts and minds and spirits continues. Published on the sesquicentennial of the first release of Charles Darwin's On the Origin of Species (1859), this book will provoke debate about what matters to Australians.

A cadre of four siblings, three boys and one girl, the eldest being Ichiro, a boy of 13, live without their parents in Seattle, the capital of The Spirit Island as their parents are sailors and hardly ever meet them. Everything goes well. But of course, only as long as god wants it to. On his thirteenth birthday Ichiro receives a letter and a gift apparently from his parents. The letter claims their parents to be dead and the gift being the fabled spirit fruits. There are instead four spheres in the box. Definitely not something a human can digest. None of them believes the letter, but when Ayami,

youngest of the four, takes a bite from one of those four supposed-to-be-fruits, and Ichiro follows, they are gifted with supernatural powers. Following the instructions of the letter, they then start training with the newly-gifted powers. On Ichiro's fourteenth birthday, set off on a journey to revive their parents by defeating the evil soul, the one that has managed to keep the Spirit God a captive. To become worthy opponents of the evil soul, they have to go through twelve forts at each of which they have to defeat a guardian, most of who aren't even humans, and thus obtain more spirit powers, each one making them stronger. The guardian of the very first fort is an immortal genius and renders the siblings powerless, literally, though a machine called the disc of power. Will they fight through it all? Alone? Definitely not. Will they get some help? Who knows.

As she goes about her work with the villagers, slum dwellers and the common men and women of India, Sudha Murty—writer, social worker and teacher—listens to them and records what they have to say. Their accounts of the struggles and hardships which they have at times overcome, and at other times been overwhelmed by, are put together in this book. There are stories about people's generosity—and selfishness—in times of natural disasters like the tsunami; women struggling to speak out in a world that refuses to listen to them; and tales of young professionals trying to find their feet as they climb up the corporate ladder. Told simply and directly from the heart, *The Old Man and His God* is a collection of snapshots of the varied facets of human nature and a mirror to the souls of the people of India.

The best-selling author of *Eat, Cheat, and Melt the Fat Away* presents one hundred all-new recipes for delicious, easy-to-prepare, and healthful dishes, all of which can be prepared in thirty minutes or less. Reprint. 250,000 first printing.

Frank and Joe Hardy must attend a jewelry show and auction to prevent the possible theft of diamonds worth millions of dollars.

Naithy Cherozil is a rich and successful business woman from Mumbai who marries the young and handsome model Tony D'Souza after the death of her spouse. Little does she know that the ideal

sex slave of her husband is the sleeper cell of a terror outfit. Events in her life take unforeseen turns as the male Mata Hari is activated. Prem Rollands is a 'Kalari' exponent and a brilliant student whose world revolves around his brother Arun. Things go awry when the police kill Arun under mysterious circumstances. Prem kills the inspector in retribution and is on the run. He is on the lookout to find the dark secrets leading to Arun's death. Prem must avenge those who have plotted to kill his brother. Eighteen year old Alice Cherozil knows more about computers and mystery games than a girl of her age. Her life falls apart when her mother is hospitalised and in a coma. She is playing the ultimate mystery game of her life as the web of secrets surrounding two precious diamonds and her stepfather threaten to destroy her family. She overcomes the moral dilemma to kill her stepfather. Alice must outwit the underworld and stay ahead of all to save her mother's life or the guilt of her failure will haunt her forever. As the lives of Naithy, Prem and Alice cross each other they must retain their faith and protect their beloved ones, even at the cost of their own lives. A riveting saga of love, lust, betrayal, intrigue and revenge.

From It's All Politics Like business in general, politics is not a spectator sport. You cannot afford to be apolitical at work if you have any aspirations for advancement. The only way to avoid politics is to avoid people—by finding an out-of-the-way corner where you can do your job. Of course, it's the same job you'll likely be doing for the rest of your career. In any job, when you reach a certain level of technical competence, politics is what makes all the difference with regard to success. At that point, it is indeed all politics. Everyday brilliant people take a backseat to their politically adept colleagues by failing to win crucial support for their ideas. Sometimes politics involves going around or bending rules, but more typically it's about positioning your ideas in a favorable light, and knowing what to say, and how and when to say it.... Keep in mind that people benefit from perpetuating the image of politics as something you either know or you don't. Ignore them. Political acumen is largely learned from observation. And then it's a matter of practice, practice, practice. When a journalist suggested that golfing great Gary Player was very lucky, he replied: "It's funny, but the more I practice, the luckier I get." The same is

true of politics. An indispensable guide to mastering the ins and outs of office politics—the single most important factor in getting ahead in your career As management professor and consultant Kathleen Reardon explains in her new book, *It's All Politics*, talent and hard work alone will not get you to the top. What separates the winners from the losers in corporate life is politics. As Reardon explains, the most talented and accomplished employees often take a backseat to their politically adept coworkers, losing ground in the race to get ahead—sometimes even losing their jobs. Why? Because they've failed to manage the important relationships with the people who can best reward their creativity and intelligence. To determine whether you need a crash course in Office Politics 101, ask yourself the following questions: Do I get credit for my ideas? Do I know how to deal with a difficult colleague? Do I get the plum assignments? Do I have a mentor? Do I say no gracefully and pick my battles wisely? Am I in the loop? Reardon has interviewed hundreds of employees, from successful veterans to aspiring hopefuls, examining why some people who work hard and effectively at their jobs fall behind, while those who are adept at “reading the office tea leaves” forge ahead. Being politically savvy doesn't mean being unethical or devious. At heart, it's about listening to and relating to others, and making choices that advance everyone's goals. Like it or not, when it comes to work, it's all politics. And politics is all about knowing what to say, when to say it, and who to say it to.

I'm Rivanah Bannerjee, 23/F/Mumbai. Some of you might already know how my life is on a razor edge. Those of you who don't, just know this: I may be killed soon . . . by the Stranger. I don't know who or what he is: a ghost, a person or a figment of my imagination? All I know is he isn't just one thing: he is sexy and scary, terrific and terrifying. What I don't understand is why a young, harmless girl like me, who works in a big city, stays away from her parents and has a screwed-up love life, would be of any interest to him. Unless there is something about my own story that I do not know . . . In the hotly anticipated final instalment of the Stranger trilogy, Rivanah will learn the answers to her many questions—What is it that binds her to the dead Hiya? Who is the Stranger? Why has he been following her all this while?—leading to an intense, breathtaking climax.

Love—only a four letter word, yet it's so powerful that it can conquer anything in this world! We've all experienced the first flush of love and remember the lingering fragrance of it. For ages Love has remained one of the most cherished experiences that everyone wishes to live through at least once. Humanity, time and again, has coined many definitions to describe this beautiful emotion, but this small word is a feeling that can't simply be defined. It has to be narrated . . . in the form of stories—love stories. *Love Stories That Touched My Heart* is a collection of such stories from readers who have a tale to tell, shortlisted from over 2000 entries that were submitted in a competition conducted by Penguin India. Selected and edited by Ravinder Singh, this anthology—made up of the stories that touched Ravin's heart the most—will make you believe that someone,

somewhere, is made for you.

Racy, unpredictable, romantic, and inspiring, this is a novel that is bound to get you addicted and stay with you forever. When gamer and entrepreneur Rishi Rai sets out to revolutionize the gaming industry, something somewhere goes terribly wrong and, like dominoes, the blocks of his life fall down one after the other. An unexpected meeting with Alex, an unpredictable, crazy American hippie, changes his life forever, as he decides to quit everything and join him on an unplanned, uncharted journey across India. From getting irrepressibly high in the mysterious Malana Valley in the Himalayas to starting a shack on the bewitching Om Beach on the West Coast, they do it all. But their adrenaline-charged adventure takes a turn when Rishi meets Kyra, a beautiful and enigmatic gamer. As passions surge and sparks fly, Rishi gets drawn to Kyra . . . unaware of who she is and where she comes from. What follows next is something nobody could have ever dreamed of . . . Who is Kyra and why are the paparazzi after her? Can Rishi connect the dots in his life to protect the love of his life? While the world becomes a spectator, can he mastermind the fall of a ruthless giant to become a global icon or will he become the biggest loser?

In a tech-dominated world, the most needed degrees are the most surprising: the liberal arts Did you take the right classes in college? Will your major help you get the right job offers? For more than a decade, the national spotlight has focused on science and engineering as the only reliable choice for finding a successful post-grad career. Our destinies have been reduced to a caricature: learn to write computer code or end up behind a counter, pouring coffee. Quietly, though, a different path to success has been taking shape. In YOU CAN DO ANYTHING, George Anders explains the remarkable power of a liberal arts education - and the ways it can open the door to thousands of cutting-edge jobs every week. The key insight: curiosity, creativity, and empathy aren't unruly traits that must be reined in. You can be yourself, as an English major, and thrive in sales. You can segue from anthropology into the booming new field of user research; from classics into management consulting, and from philosophy into high-stakes investing. At any stage of your career, you can bring a humanist's grace to our rapidly evolving high-tech future. And if you know how to attack the job

market, your opportunities will be vast. In this book, you will learn why resume-writing is fading in importance and why "telling your story" is taking its place. You will learn how to create jobs that don't exist yet, and to translate your campus achievements into a new style of expression that will make employers' eyes light up. You will discover why people who start in eccentric first jobs - and then make their own luck - so often race ahead of peers whose post-college hunt focuses only on security and starting pay. You will be ready for anything.

The inhabitants of the thousand hells of Yama have broken free from their prison and vowed to wreak havoc on the heavens, the earth and hell. With the asuras and rakshasas teamed up with Naganara, a terrifying necromancer hungry for power, the universe is headed for war and destruction—unless one human has something to do with it. Agni Prakash, a debonair young man whose world has been turned upside down by the death of his twin sister, Varu, has been enlisted to stop these forces and be Yama's very own lieutenant. As the mythical world clashes with his own, Agni discovers a manuscript left behind by his sister. Hauntingly, it draws parallels to the treacherous path upon which he has been thrust. Equipped with an acerbic wit and winning charm, and hardened by the grief of his sister's bereavement, Agni undertakes a battle, where the odds seem tipped wildly against him, and finds unlikely companions along the way. Will he be able to uncover the secret behind his sister's writings? And more importantly, will he be able to avert the destruction that seems imminent?

In 2011, Arab youth took to the streets in their thousands to demand their freedom. Although it is too early to speculate on the ultimate outcome of the uprisings, one auspicious feature stands out: they reveal the genesis of a new generation sparked by the desire for civil liberties, advocacy for human rights, and participatory democracy. This unique volume explores some of the antecedents of the upheavals and anticipates alternative venues of resistance that marginalized youth - from Lebanon, Syria and Palestine to Saudi Arabia, Morocco and Iran - can mobilize to realize their emancipatory expectations. Themes covered include the forging of meaningful collective identities in times of risk and uncertainty; youth militancy, neighborhood violence and youth gangs; the surge of youthful activism; and youths' expressive outlets through popular arts and street music.

"Every setback has the potential to be a leadership breakthrough. Are you tapping into that potential?" At some point or the other in life, everybody goes through terribly tough times. Most people get stumped by these; they don't know how to handle them. Plagued by negative emotions such as sorrow, anxiety, fear and self-doubt, they struggle to get back on their feet and find their way through life again. But the truth is, on the other side of setbacks lie great rewards. True leaders know this. Which is why, they see every setback as an opportunity for personal transformation to achieve exponential success. This book brings forth stories of such incredible leaders, who have turned their setbacks into breakthroughs. As you read their stories, you will learn the tools, techniques and strategies used by them. In turn, this will equip you to handle your setbacks like a pro - and turn every adversity into an opportunity of a lifetime!

To get to his heart, she seduced his mind What will you do if one day a svelte and sexy girl comes up to you and says she is your ex? And the only thing you know about her is that you don't know anything about her. Neel, an aspiring author, meets Nivrita at the Jaipur Literature Festival. Though Nivrita says she is his ex, he remembers nothing, and yet everything about her seems to lure him to unravel the mystery she personifies. The more he is drawn to her, the more Neel feels guilty because he is already in a steady relationship with Titiksha, the love of his life. When Nivrita makes a tempting offer to Neel, which he accepts for his own good, his life slowly begins to spiral out of control while Titiksha starts turning into a stranger until Neel realizes there's much more than his eyes can see and mind can recollect. Novoneel Chakraborty, bestselling author of A Thing beyond Forever, That Kiss in the Rain and How About a Sin Tonight? brings forth yet another poignant story, twisted in essence. The sixth book in New York Times-bestselling Seanan McGuire's witty urban fantasy InCryptid series about a family of cryptozoologists who act as a buffer between humans and the magical creatures living in secret around us. "The only thing more fun than an October Daye book is an InCryptid book." —Charlaine Harris, #1 New York Times-bestselling author of Sookie Stackhouse series Improbable, adjective: 1. Not very likely to happen; not probable. 2. Probably not a very good idea anyway. 3. See also "bad plan." As the youngest of the three Price children, Antimony is used to people not expecting much from her. She's been happy playing roller derby and hanging out with her cousins, leaving the globe-trotting to her older siblings while she stays at home and tries to decide what she wants to do with her life. She always knew that one day, things would have to change. She didn't think they'd change so fast. Annie's expectations keep getting shattered. She didn't expect Verity to declare war on the Covenant of St. George on live television. She didn't expect the Covenant to take her sister's threat seriously. And she definitely didn't expect to be packed off to London to infiltrate the Covenant from the inside...but as the only Price in her generation without a strong resemblance to the rest of the family, she's the perfect choice to play spy. They need to know what's coming. Their lives may depend on it. But Annie has some secrets of her own, like the fact that she's started setting things on fire when she touches them, and has no idea how to control it. Now she's headed halfway around the world, into the den of the enemy, where blowing her cover could get her killed. She's pretty sure things can't get much worse. Antimony Price is about to learn just how wrong it's possible for one cryptozoologist to be.

HE HAS NO VOICE, NO FACE, NO NAME, NO IDENTITY. BUT HE HAS AN INTENTION. I'm Rivanah Bannerjee, a young and independent girl living alone in Mumbai. In a coastline as long and diverse as India's, fish inhabit the heart of many worlds – food of course, but also culture, commerce, sport, history and society. Journeying along the edge of the peninsula, Samanth Subramanian reports upon a kaleidoscope of extraordinary stories. In nine essays, Following

Fish conducts rich journalistic investigations: among others, of the famed fish treatment for asthmatics in Hyderabad; of the preparation and the process of eating West Bengal's prized hilsa; of the ancient art of building fishing boats in Gujarat; of the fiery cuisine and the singular spirit of Kerala's toddy shops; of the food and the lives of Mumbai's first peoples; of the history of an old Catholic fishing community in Tamil Nadu; of the hunt for the world's fastest fish near Goa. Throughout his travels, Subramanian observes the cosmopolitanism and diverse influences absorbed by India's coastal societies, the withdrawing of traditional fishermen from their craft, the corresponding growth of fishing as pure and voluminous commerce, and the degradation of waters and beaches from over-fishing. Pulsating with pleasure, adventure and discovery, and tempered by nostalgia and loss, Following Fish speaks as eloquently to the armchair traveler as to lovers of the sea and its lore. Everyone in his community loves Vinayak, a young boy in his early twenties, as he loves helping others. One year, during the Ganapati Festival, Vinayak and his friends start a donation for the festival. After the celebrations, they realize that they've collected quite a significant amount of money. While they try to come up with an idea of how to spend the remaining money, Vinayak has an unusual suggestion—he wants to start a fund to help the needy with post-death rituals. Will the adults agree to such an unexpected suggestion, even if it is for a good cause? Read on to find out.

C.J. Sansom rewrites history in a thrilling novel that dares to imagine Britain under the thumb of Nazi Germany. 1952. Twelve years have passed since Churchill lost to the appeasers and Britain surrendered to Nazi Germany. The global economy strains against the weight of the long German war against Russia still raging in the east. The British people find themselves under increasingly authoritarian rule -- the press, radio, and television tightly controlled, the British Jews facing ever greater constraints. But Churchill's Resistance soldiers on. As defiance grows, whispers circulate of a secret that could forever alter the balance of the global struggle. The keeper of that secret? Scientist Frank Muncaster, who languishes in a Birmingham mental hospital. Civil Servant David Fitzgerald, a spy for the Resistance and University friend of Frank's, is given the mission to rescue Frank and get him out of the country. Hard on his heels is Gestapo agent Gunther Hoth, a brilliant, implacable hunter of men, who soon has Frank and David's innocent wife, Sarah, directly in his sights. C.J. Sansom's literary thriller Winter in Madrid earned Sansom comparisons to Graham Greene, Sebastian Faulks, and Ernest Hemingway. Now, in his first alternative history epic, Sansom doesn't just recreate the past -- he reinvents it. In a spellbinding tale of suspense, oppression and poignant love, Dominion dares to explore how, in moments of crisis, history can turn on the decisions of a few brave men and women -- the secrets they choose to keep and the bonds they share.

A wickedly dark and funny gangster novel that "aspires to the heights of Elmore Leonard" set in a desert landscape as ruthless and barren as those who inhabit it (The New York Times). Sal Cupertine is a legendary hit man for the Chicago Mafia, known for his ability to get in and out of a crime without a trace. Until now, that is. His first-ever mistake forces Sal to botch an assassination, killing three undercover FBI agents in the process. This puts too much heat on Sal, and he knows this botched job will be his death sentence to the Mafia. So he agrees to their radical idea to save his own skin. A few surgeries and some intensive training later, and Sal Cupertine is gone, disappeared into the identity of Rabbi David Cohen. Leading his growing congregation in Las Vegas, overseeing the population and the temple and the new cemetery, Rabbi Cohen feels his wicked past slipping away from him, surprising even himself as he spouts quotes from the Torah or the Old Testament. Yet, as it turns out, the Mafia isn't quite done with him yet. Soon the new cemetery is being used as both a money and body-laundering scheme for the Chicago family. And that rogue FBI agent on his trail, seeking vengeance for the murder of his three fellow agents, isn't going to let Sal fade so easily into the desert.

FROM THE ASHES OF THE WORLD, A HERO MUST RISE In the not-so-distant future, India has fallen, and the world is on the brink of an apocalyptic war. An attack by the terrorist group Invisible Hand has brutally eliminated the Indian Prime Minister and the union cabinet. As a national emergency is declared, chaos, destruction and terror reign supreme. From the ashes of this falling world, rises an unconventional hero - a vigilante known only as Kalki. Backed by a secret society called The Rudras, Kalki, along with Nushen, the Chinese superhuman spy, must do the impossible to save his country, and the world. But who is Kalki? A flesh and blood crusader with a mysterious past? Or the Messiah the world has been waiting for? The future of human survival depends on a single man. Will he become the living God prophesied as the last avatar of Lord Vishnu, or will he fade away as an outlaw?

By returning to primary source material, including the Torah and ancient and medieval rabbinic literature, Rabbi Gershon Winkler illustrates the often uninhibited and celebrative attitudes towards sexuality and sensual pleasure found in Jewish teachings. Unfortunately, Judaism's healthy outlook on human desires and physical enjoyment has been nearly lost after centuries of subjection to host religions and cultures that have all but squelched the notion of sensuality. In this fascinating and often surprising volume, the myth of a 'Judeo-Christian' approach to sex is shattered.

Money, beauty, power, and love -- the youngest members of the Magnolia League have it all. Some may call them lucky, but the truth is they're charmed. Armed with spells, potions, and conjures from the powerful Buzzard family, the Magnolias have bought their luck...at a price. Ensnared in the League's headquarters on Habersham street, golden girl Hayes Anderson would never dream of leaving Savannah, where there's no problem that can't be solved with a cup of Swamp Brew tea. But when danger lurks and family secrets are unearthed, Hayes learns that magic can't fix everything. Across town at an old mansion on Forsyth Park, recent California transplant Alexandria Lee is on a quest to free her mother's spirit from a hoodoo spell. As dark magic sweeps through Savannah's historic squares and misty backwaters, will Hayes and Alex have the strength to save the people they love -- and themselves? Katie Crouch's second Magnolia League novel is a beguiling story about family, friendship, and the magical ties that bind.

Are you one among the many who feel life is hectic and complex? Do you have a good career or business, a good family, an amazing set of friends and you are in demand not just at the workplace but also at other places? Are you too busy to find time for anything? Does it denote a clear recipe for others to envy you, but you are missing something in life? Do you find your life becoming complex? Are you becoming bored in life? Do you still feel there is some secret in life to discover and live happily? JUJUBE addresses the above points through the author's experiences, observations and realisation. He feels that there is no secret in life to be discovered to live joyfully. The options are in the open; we just need to recognise them. The author is not a preacher or a spiritual guru. He feels he is yet another common man, and it is a blessing to be one, as he recognises the simple formulae freely available for us and around us to practise, genuinely remain happy and make others around us happy. "The real

world of happiness resides in simple living. A non-preachy book, with an open conversation to live joyfully through easy and practical means. There is something for each of us in this book" Priya Kumar Internationally Acclaimed Motivational Speaker & Best Selling Author.
