

Lucy Out Of Bounds

Lucy Rooney is a feisty, precocious tomboy who questions everything—even God. It's not hard to see why: a horrible accident killed her mother and blinded her father, turning her life upside down. It will take a strong but gentle housekeeper—who insists on Bible study along with homework—to show Lucy that there are many ways to become the woman God intends her to be. Aunt Karen is taking over Lucy's life—what's left of it. Middle school is hard enough, with a new set of teachers and kids and preparing for the big soccer tryouts. But now Aunt Karen has moved in, imposing wardrobe inspections, threatening to get rid of the cats, and trying to be the world's original soccer mom. It takes all Lucy's got just to cope. When J.J. and Januarie are abducted by their father, Lucy mobilizes everyone to find them. Lucy's a good detective—but she ends up a hostage too. In the fourth and last installment in the Lucy Novels, Lucy must depend on an unlikely ally to find her way out of this mess and in life.

Peer pressure and sudden inclusion in the in-crowd at school complicate things so that Lily has to learn the real meaning and use of the spiritual gift of leadership.

The Walk-the-walk Book

It was the toothpaste smeared around the sink that broke my marriage. As I rubbed it away AGAIN, I was reminded of everything else I've put up with these twenty-five years. My husband's obsession with his pension, his ability to charm me into every single one of his ideas, never being taken on a romantic date, let alone ravished on the patio (like the woman who lives next door)... small things thinks her marriage is about to screech to a halt over toothpaste, her husband, Leo, announces he wants to move to tumbledown (clapped-out) Rose Cottage, and Lucy knows she'll be the one managing the renovations. Then along comes gorgeous builder Will, ten years younger and the only person actually listening to Lucy. His twinkly eyes and blowtorch smile are causing Lucy to break out in hormones that are causing her heart to flutter? Lucy loves her husband, but everyone knows that little things build up. And then they explode. Can Lucy keep it together, or will there be one last straw she might not be able to get over? A laugh-out-loud romp with an ending that will make you gasp!
