Daily Diary, journal, Notepad, notebook to write in, Scheduling, Organizing In Ephraim Radner, Hosean Wilderness, and the Church in the Post-Christendom West, Erickson offers an interpretation and constructive intervention of Ephraim Radner's oeuvre through a theological interpretation of Hosea. She concludes that a poetic, eschatological posture should dictate the church's shape today.

For the 500th anniversary of the Reformation, a new translation of Martin Luther's most famous works by leading Luther scholar and pastor William Russell This volume contains selections from Martin Luther's most evocative and provocative writings, freshly translated, for the 21st century. These documents, which span the Reformer's literary career, point to the enduring and flexible character of his central ideas. As Luther's reform proposals emerged, they coalesced around some basic priorities, which he delivered to wide-ranging audiences--writing for children, preaching in congregations, formulating academic treatises, penning letters to family and friends, counter-punching critics, summarizing Biblical books, crafting confessions of faith, and more. This book demonstrates that range and provides entry points, for non-specialists and specialists alike, into the thought and life of the epoch-defining, fascinating, and controversial Martin Luther. With attention to the breadth of his literary output, it draws from his letters, sermons, popular writings, and formal theological works. This breadth allows readers to encounter Luther the man: the sinner and the saint, the public activist and the private counselor, the theologian and the pastor. These writings possess a practical, accessible arc, as Luther does not write only for specialists and church officials, but he applies his chief insights to the "real-life" issues that faced his rather wide variety of audiences.

Matters That Matter

My purpose for writing this book is to share Biblical insights that correspond with Stewardship. I believe our people in the pews want to learn what God says about giving. Hopefully, this study will reach believers who need instruction on this topic. Scripture has much to say about money and material possessions. Sixteen of the thirty-eight parables of Jesus deal with money. One out of every ten verses in the New Testament deal with this subject. Scripture has 500 verses on prayer, less than 500 verses on faith, but over 2,000 verses on the subject of money. Money is an extremely important issue because a person's attitude towards it determines his relationship with God, his purpose in this life, and his character. I encourage you to read this book to see how God has put together a wonderful way for Christians to act as a conduit of His material and spiritual blessings. God's plan for Biblical Stewardship allows believers to faithfully share what the Lord places in their trust. About the Author: Dr. Donald Gamble is a graduate of Luther Rice Seminary. He has served churches in the two Carolinas and Florida. It is this writer's belief that when God's people are taught the principles of stewardship, they will be obedient in giving. Dr. Gamble resides in Waxhaw, North Carolina with his wife, Judy. They have three grown children and six beautiful grandchildren.

This meticulously edited Martin Luther collection includes: Introduction: Luther by John Acton Works: Disputation on the Power and Efficacy of Indulgences (95 theses) The Bondage of the Will To the Christian Nobility of the German Nation Prelude on the Babylonian Captivity of the Church A Treatise on Christian Liberty A Treatise of Good Works A Treatise on Baptism Disputation on the Divinity and Humanity of Christ The Large Catechism The Small Catechism Commentary on Genesis On the Creation On Sin and the Flood Commentary on the Epistle to the Galatians The Epistles of St. Peter and St. Jude Preached and Explained Epistle Sermons Epiphany, Easter and Pentecost Trinity Sunday to Advent Table Talk The Book of Vagabonds and Beggars Discussion of Confession The Fourteen of Consolation Warning Against the Jews The Smalcald Articles The German Mass and Order of Divine Service An Open Letter on Translating Letter to Several Nuns Hymns Dear Christians, One and All, Rejoice A Mighty Fortress Is Our God Savior of the Nations, Come The Martyrs' Hymn 500 years ago, Martin Luther nailed his ideas to a church door - and the Reformation began. Or maybe it was a little more complicated than that. Nick Page brings his skills as an unlicensed historian to bear on this key period in European (and world) history in order to uncover everything you need to know about the Reformation - with a fair few bits you never wanted to know thrown in for good measure. Historians tell us that the Protestant Reformation laid the foundations for the Industrial Revolution, religious freedom, and all sorts of other Good Things. But what actually happened? Who were the winners and the losers, the ogres and the beauty queens of this key moment in church history? (spoiler: there weren't any beauty queens) In-depth research, historical analysis and cutting-edge guesswork combine to scintillating effect in this fast-moving examination of the strange and wonderful whirlwind that was church life in late medieval Europe. 'You were predestined to read this.' John Calvin

This notebook makes a great gift for any christmas, anniversary, thanksgiving, birthday, graduation.

One man's way of thinking about God has decisively shaped the political and economic rise of Nordic social democracy. 500 years ago, Martin Luther's writings led to the Reformation in the Nordic countries, and his values and beliefs shaped more than just the church. Lutheranism is one of the most important influences on the Nordic welfare system and a general belief in social democracy. Indeed, Nordic social democracy itself can be seen as a modern form of religion, or "secular Lutheranism". In *Lutheranism and the Nordic Spirit of Social Democracy*, Robert Nelson, an American observer and professor of political economy at the University of Maryland, brings a fresh perspective to the interrelated questions of religion, national identity, and governance in the Nordic world. Exploring how Lutheranism never went away as the true path to a new heaven on earth, Nelson shows how the form of Lutheran Nordic religion and culture changed radically, while its substance remained surprisingly unaltered.

Report of the Commissioner of Education

The human population's annual total consumption is not sustainable by one planet. This unprecedented situation calls for a reform of religious cultures that promote a large ideal family size. Many observers assume that Christianity is inevitably part of this problem because it promotes "family values" and statistically, in America and elsewhere, has a higher birthrate than nonreligious people. This book explores diverse ideas about human reproduction in the church past and present. It investigates an extreme fringe of U.S. Protestantism, including the Quiverfull movement, that use Old Testament "fruitful" verses to support natalist ideas explicitly promoting higher fecundity. It also challenges the claim by some natalists that Martin Luther in the 16th century advocated similar ideas. This book argues that natalism is inappropriate as a Christian application of Scripture, especially since rich populations' total footprints are detrimental to biodiversity and to human welfare. It explores the ancient cultural context of the Bible verses quoted by natalists. Challenging the assumption that religion normally promotes fecundity, the book finds surprising exceptions among early Christians (with a special focus on Saint Augustine) since they advocated spiritual fecundity in preference to biological fecundity. Finally the book uses a hermeneutic lens derived from Genesis 1, and prioritising the modern problem of biodiversity, to provide ecological interpretations of the Bible's "fruitful" verses.

2017 is the 500th year anniversary of Martin Luther's nailing his Ninety-five Theses to the door of Castle Church in Wittenberg, Germany, the event marking the beginning of the Reformation—and the end of unified Christianity. For Catholics, it was an unjustified rebellion by the heterodox. For Protestants, it was the release of true and purified Christianity from centuries-old enslavement to corruption, idolatry, and error. So what is the truth about the Reformation? To mark the 500th anniversary, historian Benjamin Wiker gives us *12 Things You Need to Know About the Reformation*, a straight-forward account of the world-changing event that rejects the common distortions of Catholic, Protestant, Marxist, Freudian, or secularist retellings.

Celebrated historian May describes how activists surmounted long-standing obstacles for the African-American vote, overcoming centuries of bigotry to secure--and preserve--the right of black citizens to full participation in American democracy in a vivid narrative history.

The W.B.A. Review

SIMUL is an anthology of poetry written by Lutherans. Its name reflects Martin Luther's observation that as children of God we are both fully saints and fully sinners simultaneously. SIMUL reflects this paradox, and explores the complexity, beauty, and messiness of the human condition. Laughter and tears, faith and doubt, hope and despair all have found their place in this unique publication. The idea for SIMUL began to take shape back in 2005, and so began the search for Lutheran poets. After personally contacting 28 Lutheran colleges, 8 Lutheran seminaries, and almost 8,000 Lutheran congregations, the poetry submissions poured in by the hundreds, making my dream a reality. When the final deadline had passed, I had received over 1,200 poems written by pastors, professors, and dozens of everyday Lutherans from all walks of life. Selected authors ranged from newly discovered talent to well-known Lutheran poets and hymn writers. To hear their stories and read their poetry was a great gift to me, and I will be forever grateful for the experience. In celebration of the 500th anniversary of the Protestant Reformation, it seemed only fitting to again release this important anthology. It is my hope and prayer that these poems might find a place in your heart, and that they might be a blessing to you and your family now and for years to come. - Mark Odland, editor

The world stands before a landmark date: October 31, 2017, the quincentennial of the Protestant Reformation. Countries, social

movements, churches, universities, seminaries, and other institutions shaped by Protestantism face a daunting question: how should the Reformation be commemorated 500 years after the fact? In this volume, leading historians and theologians, Protestant and Catholic, come together to grapple with this question and examine the historical significance of the Reformation. Protestantism has been credited for restoring essential Christian truth, blamed for disastrous church divisions, and invoked as the cause of modern liberalism, capitalism, democracy, individualism, modern science, secularism, and so much else. This book examines the historical significance of the Reformation and considers how we might expand and enrich the ongoing conversation about Protestantism's impact. The contributors conclude that we must remember the Reformation not only because of the enduring, sometimes painful religious divisions that emerged from this era, but also because a historical understanding of the Reformation is necessary for promoting ecumenical understanding and thinking wisely about the future of Christianity.

Martin Luther is one of the most studied theologians in the history of the Christian church, so it is difficult to find areas that have been neglected when it comes to this great reformer. However, Luther's work with children and youth gets short shrift when compared to many other achievements. Martin Luther as a Youth Worker considers the reformer from this little-studied aspect of his work. Luther's practical care for children and youth, his educational reforms, his work in faith formation, and his view of human reason are considered. Last, the question is asked what it means to be a reformer with children and youth today. How can we live into Luther's reforming spirit in a way that addresses the needs of our current context? "Hobart provides us with a fresh and engaging examination of Luther's commitment to children and youth, making this both accessible and relevant for youth ministry today. He bridges well the realities of sixteenth-century Germany with today's complex and changing world in providing practical ways to appropriate Luther's theology, commitment, and practices to this ever important ministry of the church." --Craig Van Gelder, Emeritus Professor of Congregational Mission, Luther Seminary "Todd Hobart's keen mind was able to retrieve from Luther's teachings and practice a refreshing approach to what it means to both care for and form children. Hobart's ability to tease out the importance of play in the life of children is often not valued by the church. Sadly, play is seen as not being 'religious' enough. Todd's emphasis upon the role that Luther played in confronting the state and church with both the responsibility and value of providing education for all children is highly relevant. Perhaps most importantly this book demonstrates the necessity for the church to be engaged in the political process for the common good. I believe that every parent and pastor would benefit from reading Martin Luther as Youth Worker." --Kirby Unti, Bishop, Northwest Washington Synod, Evangelical Lutheran Church in America "It has been 500 years since Martin Luther triggered the Protestant reformation. Yet, his work has rarely been mined for its implications on ministry with children and youth. Todd Hobart offers a creative and insightful look into how Luther's theology and practice influenced the work with children and youth in the church, society, and the home. This is a timely addition to both the field of youth ministry and Luther studies." --Jeremy Myers, PhD, AiM, Religion Department, Youth and Family Ministry, Augsburg College "For congregations rooted in the Reformation and seeking new understandings of faith formation, Martin Luther as Youth Worker is worth a look. Grounded in history with an eye to the present, this book brings readers into Luther's life and asks questions that are real today. What is our calling as parents? What is society's role in preparing the next generation? How is faith formed? How do the absurdities of the Christian faith translate into our actions in society? Short and easy to read, Hobart's work is fitting for a variety of people--youth workers, parents, educators, and congregational leaders seeking to rethink forming faith. I highly recommend it." --Terri Martinson Elton, Associate Professor of Leadership, Luther Seminary, St. Paul, MN Todd Hobart works for Olive Crest Western Washington as the Safe Families Supervisor. He completed a PhD in Congregational Mission and Leadership from Luther Seminary in 2009 and has worked for more than fifteen years in youth ministry.

"Reformation's Rib "is a chancel drama detailing the life of Katherine von Bora (Martin Luther's wife). The historical script gives an insightful look into the husband and wife relationship that helped shape the writings of the founder of the Lutheran church.

Originally written to celebrate the 500th anniversary of von Bora's birth, this easy-to-stage presentation calls for a cast of three:

Katherine von Bora (Katie Luther), Martin Luther, and a narrator. "Here is a preacher who has found his voice -- creative, imaginative, distinctively his own. Yet that voice is offered as an instrument of the gospel." Dr. Herman G. Stuempfle Jr. President Emeritus Lutheran Theological Seminary at Gettysburg James G. Cobb is Associate Dean for Admissions and Church Relations for the Lutheran Theological Seminary at Gettysburg in Gettysburg, Pennsylvania. He is a graduate of the College of William and Mary (B.A.) and Lutheran Theological Seminary (M.Div. and D.Min.). Pastor Cobb has served parishes in Norfolk, Virginia; Annapolis, Maryland; Fredericksburg, Virginia; and Grand Rapids, Michigan. He is a past member of the Church Council of the Evangelical Lutheran Church in America (1987-95), and has also been a synod assembly chaplain, Lutheran World Federation delegate, and an overseas ELCA ecumenical visitation team member. Cobb contributed to and edited "Rooted in Remembering," co-authored "The Visit of Nicholas," and contributed to "In Sure And Certain Hope "for CSS Publishing Company.

It has been 500 years since Martin Luther nailed his Ninety-Five Theses to the door of the All Saints' Church in Wittenberg, Germany. Luther's Theses called for reform of the church and served as the catalyst for the Protestant Reformation. Its impact is still felt today. To God Alone: 5 Core Beliefs of the Reformation is a 6-session study for students that relives the work of Luther and other Reformers who challenged the teachings of the Catholic Church. More specifically, this study will examine the five core truths that came out of the Reformation, now referred to as the solas. Group members will explore these essential convictions of the faith and emerge more immersed in the gospel of Jesus Christ. The solas include: Sola Scriptura (By Scripture alone) Sola gratia (By grace alone) Sola fide (Through faith alone) Solus Christus (Through Christ alone) Soli Deo gloria (Glory to God alone) How is the Reformation still relevant today? As political pressure mounts, morality drifts with today's culture, and evangelicalism

becomes more and more refined in a post-Christian world, it's even more important to hold the convictions of the great Reformation closer than ever. In short, the solas point us to community as well as identity. As you'll see in this study, they're more than just a bunch of cold Latin terms that academics throw around in church history books. The five solas, like the Reformation itself, are intensely practical. They were the DNA of the Reformation and are still the DNA of the church today. They are grounded in real life, everyday following of Jesus. They're the most important, basic truths you can ever believe. We stand on the shoulders of Christians in the past, and knowing where we came from will help us keep moving forward. Member Workbook includes a small-group experience for 6 small-group sessions, individual study opportunities for each day of the week, applicable Scripture, "How To Use This Study," and a group discussion guide. Features 6 small-group sessions that include an introductory session and application of the 5 solas Individual study opportunities for continued growth 6-session workbook with group and personal component Benefits Gives students a better understanding of The Reformation's impact on today's world Reveals the weighty importance of the inspired Word of God Helps students grasp the importance of grace and its role in the life of a disciple Contributes to a believer's understanding of biblical and historical depth of faith Students will conclude the group understanding how Christ alone provides all life's answers Shows students how to live life for the glory of God and how this is our biblical mandate About the authors: Kevin DeYoung has been the senior pastor of University Reformed Church since August 2004. His three main responsibilities include preaching, leadership, and administration. He is the author of several books, including Crazy Busy and The Hole in Your Holiness. Kevin was born outside Chicago in South Holland, Illinois, and from the third grade on, grew up in Jenison, Michigan. He attended Hope College and Gordon-Conwell Theological Seminary. Prior to serving at URC, Kevin was the associate pastor of First Reformed Church in Orange City, Iowa. Kevin and his wife, Trisha, have six children. Dr. R. Albert Mohler, Jr. serves as the president of The Southern Baptist Theological Seminary. Recognized as a prominent leader among American evangelicals, Dr. Mohler hosts two programs ("The Briefing" and "Thinking in Public"), writes a popular blog, and is widely sought as a columnist and commentator. He is the author of Culture Shift, Desire & Deceit, and many other books. Mohler also serves on the boards of several organizations, including Focus on the Family, and is a member of the Council for Biblical Manhood and Womanhood and a council member of The Gospel Coalition. He is married to Mary, and they have two children. Trevin Wax is the managing editor of The Gospel Project, a gospel-centered small group curriculum for all ages, published by LifeWay Christian Resources. A contributor to numerous publications, including Christianity Today and World, Trevin writes daily at Kingdom People, a blog hosted by The Gospel Coalition. He is the author of Gospel-Centered Teaching, Clear Winter Nights, Counterfeit Gospels, and Holy Subversion. A former missionary to Romania, Trevin was recently named by Christianity Today as one of 33 millennials leading the next generation of evangelicalism. He lives in middle Tennessee with his wife, Corina, and their three children. Brandon D. Smith works with the Christian Standard Bible and teaches theology at various schools. He's also the author of Rooted: Theology for Growing Christians and They Spoke of Me: How Jesus Unlocks the Old Testament, and co-hosts the Word Matters podcast. He holds a BA in Biblical Studies from Dallas Baptist University, an MA in Systematic & Historical Theology from Criswell College, and is pursuing a PhD in Theology at Ridley College in Melbourne, Australia. He lives near Nashville, Tennessee with his wife, Christa, and their two daughters.

The studies in this book set out a bold thesis: that there is a distinct movement of thought within the period of the Protestant Reformation in Europe that may be called "Covenant Ecclesiology." The proposal was made during 2017, a year that was named as "Reformation 500," marking half a millenium since Martin Luther issued his 95 thesis. The year hosted many reflections on the Reformation from three of its "children" - Lutheran, Reformed, and Anglican. This collection of studies, originally papers given at a conference at Regent's Park College, University of Oxford, identifies a fourth child of the Reformation, whom other siblings have sometimes regarded as a "wild child."

With essays from John Rao, Chris Ferrara, Brian McCall, and eight others, Luther and His Progeny is a signal contribution toward understanding the full import of the Protestant revolt, and the best guide available for Catholics to the meaning of Luther's decisive break.

A Genealogical Presentation of Three Hoffman Brothers who Settled in North Carolina

The Southwestern Reporter

John Christian Hoffman was born in about 1705 in Germany. His parents were Hans Georg Hoffman and Catherina Margaret. He married and had seven children. They emigrated in 1751 and settled first in Virginia and then moved on to Orange County, North Carolina. He died in 1780. Descendants and relatives lived mainly in North Carolina, Tennessee

and Texas.

What if you were to discover that you were only one half of a whole—that you had a divine double? In the second and third centuries CE, Charles Stang shows, this idea gripped the religious imagination of the Eastern Mediterranean, offering a distinctive understanding of the self that has survived in various forms down to the present.

Die Theologie Martin Luthers wurde eine inspirierende Basis für die östliche Peripherie der deutschen Reformation im Gebiet der heutigen Slowakei. So rief die wittenbergische Reformation eine spezifische Entwicklung der religiös-politischen Ereignisse in Oberungarn hervor. Der sich enorm verbreitende Protestantismus wurde seitens der habsburgischen Rekatholisierung jedoch systematisch unterdrückt. Die einzelnen Beiträge reflektieren nicht nur die Reformationsgeschichte in Oberungarn, sondern sie beschäftigen sich auch mit der wittenbergischen Hermeneutik, philosophischen Theologie und mit der durch die Reformation geprägten Pädagogik.

Counseling Under the Cross

The Ninety-Five Theses and Other Writings

Peruse the thoughts and insights of great thinkers throughout the ages. Captured within this volume are words of wisdom from Thomas Jefferson, Mother Teresa, Martin Luther King, Jr., John F. Kennedy, Benjamin Franklin, Abraham Lincoln, Eleanor Roosevelt, Billy Graham and countless others pertaining to Matters That Matter. Author/educator Daniel Taddeo has skillfully assembled, sorted and categorized a collection of more than 500 brief essays from historical as well as contemporary sources. Those relevant to-the-point topics will fertilize your mind and cultivate your life. Matters That Matter is an insightful and concise collection of essays that focus on all the important aspects of living. A must-have resource for parents, students, teachers, counselors, clergy, writers, speakers? anyone who loves learning!

In these four booklets, theologians from all parts of the world reflect on the main theme and three sub-themes (Liberated by God's Grace: Salvation—Not for Sale; Human Beings—Not for Sale; Creation—Not for Sale) of the Lutheran World Federation's commemoration of the 500th Anniversary of the Reformation. This collection of essays provides profound insights into the crucial issues and challenges daily faced by the members of the worldwide Lutheran communion in very diverse contexts. The theological concept of justification by God's grace and its consequences for different dimensions of life serve as the main guiding principles for the essays, each one of which is accompanied by three questions that invite to further contextual reflection on the subject. This work comes in a boxed set of four booklets, which can only be purchased together: Booklet 1: Liberated by God's Grace – 500 years of Reformation Booklet 2: Salvation – Not for Sale Booklet 3: Human Beings – Not for Sale Booklet 4: Creation – Not for Sale A German translation will be published next year.

Is the Protestant Reformation finished? Was it simply a passing “family feud” within Christianity, an insignificant historical footnote with little relevance to modern life? This book masterfully explains the history of the Protestant Reformation and shows that the primary issue behind the Reformation—the question of spiritual authority—matters more today than it did 500 years ago. When Martin Luther nailed his Ninety-Five Theses to the door of that Roman Catholic church in 1517, his goal was to reform, not splinter, Christianity. The nails that sunk into that door, however, quickly fractured a religious and political system that had dominated Europe for a millennium. Five hundred years later, the aftershocks of the contest between papal power and the authority of the Bible continue, even as many claim that the Reformation is now finished. In today's world where all churches and all religions are called to unite under the banner of visible unity, we must not forget why the Reformers chose to separate, and why they were willing to die for this choice. The final battle still lies ahead. The Reformation is not finished—it has only just begun!

Theological Writings, Sermons & Hymns: The Ninety-five Theses, The Bondage of the Will, The Catechism

From “one of the best of the new [Martin Luther] biographers” (The New Yorker), a portrait of the complicated founding father of the Protestant Reformation, whose intellectual assault on Catholicism transformed Christianity and changed the course of world history. “Magnificent.”—The Wall Street Journal “Penetrating.”—The New York Times Book Review “Smart, accessible, authoritative.”—Hilary Mantel On October 31, 1517, so the story goes, a shy monk named Martin Luther nailed a piece of paper to the door of the Castle Church in the university town of Wittenberg. The ideas contained in these Ninety-five Theses, which boldly challenged the Catholic Church, spread like wildfire. Within two months, they were known all over Germany. So powerful were Martin Luther's broadsides against papal authority that they polarized a continent and tore apart the very foundation of Western Christendom. Luther's ideas inspired upheavals whose consequences we live with today. But who was the man behind the Ninety-five Theses? Lyndal Roper's magisterial new biography goes beyond Luther's theology to investigate the inner life of the religious reformer who has been called “the last medieval man and the first modern one.” Here is a full-blooded portrait of a revolutionary thinker who was, at his core, deeply flawed and full of contradictions. Luther was a brilliant writer whose biblical translations had a lasting impact on the German language. Yet he was also a strident fundamentalist whose scathing rhetorical attacks threatened to alienate those he might persuade. He had a colorful, even impish personality, and when he left the monastery to get married (“to spite the Devil,” he explained), he wooed and wed an ex-nun. But he had an ugly side too. When German peasants rose up against the nobility, Luther urged the aristocracy to slaughter them. He was a ferocious anti-Semite and a virulent misogynist, even as he argued for liberated human sexuality within marriage. A distinguished historian of early modern Europe, Lyndal Roper looks deep inside the heart of this singularly complex figure. The force of Luther's personality, she argues, had enormous historical effects—both good and ill. By

bringing us closer than ever to the man himself, she opens up a new vision of the Reformation and the world it created and draws a fully three-dimensional portrait of its founder.

"The framers of our Constitution meant we were to have freedom of religion, not freedom from religion." --Reverend Billy Graham The Question Is Not If Attempts Will Be Made to Limit Religious Freedoms, But When. And When That Day Comes, Will You Stay Silent? A storm is coming. The most popular evangelist of his day, John Luther, simply wants to share the Gospel and enjoy a quiet life with his family. He never asked to be at the center of a political controversy, but an ill wind has been blowing through the halls of Congress, and supporters of a new religious-equality bill see Luther's endorsement as critical. But when Luther refuses to lend his support, he unknowingly sets in motion an explosive plan bent on destroying his reputation and undermining everything for which he stands. His once-normal life is turned upside down as he becomes a fugitive left with only one dangerous option--putting everything he holds most dear at risk while he fights to expose the truth. It is a mission that brings him face-to-face with the coming storm of persecution that could threaten the very fabric of our nation's freedoms.

Martin Luther was not only a theologian, a writer, and a preacher, he was a pastoral counselor who longed for peace with God. Now, 500 years after he posted his 95 theses to the door of the Wittenberg Castle church, his teachings on gospel-centered and cross-focused pastoral care can transform our approach to soul care, and teach us that daring faith in Christ alone can change our life today and give us peace forever. In *Counseling Under the Cross*, biblical counselor and noted author Bob Kelleman mines the riches of Luther's letters of spiritual counsel to give readers a new understanding of how Luther engaged in the personal ministry of the gospel. He guides pastors, counselors, lay leaders, and friends toward a deeper understanding of the gospel that will directly impact their personal ministry to others. Through lively vignettes, real-life stories, and direct quotes from Luther, readers will be equipped to apply the gospel to themselves and others, and learn that pastoral care is what every believer does in one-another ministry. As one of the most influential figures in Christian history, Luther was not only the father of the Reformation, he was also the father of "gospel-centered counseling." As sons and daughters in the faith, we have much to learn from him. *Counseling Under the Cross* equips us to apply the gospel richly, relevantly, and robustly to suffering and sin so that we find our hope and help in Christ alone.
