Fourteen-year-old Daniel and his friends enjoyed the best that childhood could offer during the summer of 1975 in a northern mining town until someone started brutally killing family pets. Daniel, who wants nothing more than be the hero from his books, convinces his friends to help search for the 'sicko', but this only brings him to the attention of the killer. When evidence surfaces that points at Daniel as the killer and his two friends turn against him, he soon realizes that there is much more to being a hero than what he has read. Running away from home, he enlists two seniors and a neighborhood bully to help trap the real killer.

BASED ON A TRUE STORY A brilliant police officer and a brilliant killer are at odds as the bodies pile up in Vanderburgh and Posey County in Indiana, and also in Kentucky's Henderson County. You can get in the minds of both men and feel the frustration as they play cat and mouse throughout the Christmas season of 1954 and into April of 1955. Watch the killer as he is caught, tried, sentenced to die, and escapes from an escape proof jail. He runs to California and the FBI gets involved and joins the chase. It's a chase to be remembered. ! "A suspenseful tale, told from the title to the end with wit and warmth by a very talented writer." —Nancy Pickard, award-winning author Summer in Benteen County, Kansas, is a season possessed of all the gentle subtlety of an act of war. Winter, of course, is no better, but remembrance of its frosts and blizzards and winds that begin to suck away your life before you walk a dozen steps has grown faint by the early hours of a Sunday morning in late June. While some try to sleep, and Sheriff English and his ex-wife try sex, the Reverend Peter Simms takes an early walk in the park and encounters someone counting coup. When the Sheriff's part-Cheyenne brother, Mad Dog, arrives to meditate, he finds the Reverend's mutilated corpse. Mad Dog is the obvious suspect and he begins to hang out in the town jail while Sheriff English widens his net. English picks up several suspicious characters, and an increasingly dark history for the Simms family. The case grows stormier, and so does the weather. As a tornado gathers to hurl its fury on the

Celeste. Arturo Flores could make me disappear with a snap of his fingers, and nearly did. Limping away from a beatdown when I was seventeen didn't change the fact that his daughter was worth the pain. Running into her in my tattoo shop twelve years later, she still makes my blood run hot with a glance. But I'm not that clueless teenage boy anymore. And Celeste isn't the only one I want. Leo is a temptation I crave, but in our world, admitting desires like mine could get me killed. The gangbanger is as ruthless as he is beautiful, yet he can't see anything beyond Celeste. That hurts like hell to admit, but I would sooner die at her crime lord father's hands than let either of them get hurt. I'm prepared to let them have each other when Leo comes to me with an offer. One that could connect the three of us in a way that flies in the face of the world we live in. His proposal ignites a fire in my veins. If it fails, we'll all get burned, but for a man with nothing to lose, I'm just desperate enough to take that chance.

Cheerful colors in this spirited story build excitement on the pages when Tad's dog leads a frantic chase to retrieve a cleaning rag and tracks mud in a van. Tad teaches responsibility to the readers when he offers to help the man clean his car and learns that training pets to obey is important to avoid similar situations. Children enjoy trying longer sentences that incorporate one-syllable words and more dialogue, and this delightful book opens the discussion for parents to teach how to handle conflict in a positive way.

The true story of one of pro wrestling's most charismatic, feared, and beloved icons Who was the man, and who was Mad Dog the character? Maurice "Mad Dog" Vachon was a gold medalist, a pro-wrestling legend, and a pop culture icon - but he was also a son, husband, and father. Mad Dog explores Vachon's career and personal struggles with painstakingly detailed historical research through both Maurice's own recollections and those of the people who knew him best. As a young man, Maurice could have chosen a dark criminal path, but then wrestling and family changed him. Chronicling his slow but steady rise to prominence across America and internationally in some of the wrestling's most important territories, this in-depth biography shows how Vachon's life can be defined by the words of Mark Twain: "It's not the size of the dog in the fight, it's the size of the heart in the dog." Fiercely proud, motivated, and supremely talented, Vachon's story is also the amazing tale of how a lifelong make-believe heel became a real-life hero outside of the ring. With a foreword by his brother, Paul Vachon, and an afterword by his widow, Kathie Vachon.

The radical religious right is out to unseat him, their candidate an Iraq war hero. Englishman's only available deputy isn't winning him votes. Englishman's brother, Mad Dog, a born-again Cheyenne, rushes back from a quest to the Black Hills. He has had a premonition that the sheriff is in serious danger.

Meanwhile, the sheriff's daughters, attending separate colleges, wake with similar fears, cut classes, and hurry home to keep their father safe. The sheriff believes the girls are the ones in need of protection as election day grows ever wilder. A student smuggles a gun into the school and begins shooting and taking hostages. A private army has seized a nearby farm and holds citizens, including Mad Dog, against their will.

And, when he finds some spare time, Englishman needs to clear up one little thing about his deputy's accident: Benteen County doesn't have a teen choir. All this by sundown. It's enough to make a sheriff wonder why he wants to serve another term.

During that long, hot summer of 1964, Ivan Smith, a mercenary volunteer in the Arme Nationale Congolais, came to witness and understand fear, the law of the jungle and the lust for killing that permeates Africa. A member of 'Mad Mike' Hoare's 5 Commando Group he and his companions were nominally soldiers but there was little in the way of campaigns, tactics and discipline. Of conventional warfare there was none. Loyalty to country or unit did not exist and the fear of death was the only commander. Many more mercenaries died from an accidental discharge, in a drunken shoot-out or from a bullet in the back than were ever killed in action by Simba rebels. Nearly half a century later, Ivan Smith re-lives the nightmare that was the Congo. Professor Rhod Evans encounters deadly conflict when he finds that the

highly-anticipated new Nowhere USA series. Ninie Hammon is at her career-best in Mad Dog — a hair-raising tale that will make you jump and whip your flashlight around at small sounds in the night. Rabies is a terrible way to die. When Nower County veterinarian E.J. Hamilton rescues two little girls from the savage attack of a rabid Great Pyrenees, the beast almost rips his leg off. But worse than the injury is the fact that without the vaccine, E.J. will die of rabies within a week. Unfortunately, he can't get to the hospital because a shimmering mirage called the Jabberwock has locked everyone inside the borders of the county. With E.J.'s rabies-clock ticking, childhood friends Charlie, Sam, and Malachi are desperate to solve the mystery of the Jabberwock. Is it somehow connected to what happened to Gideon? Maybe it isn't just a ghost story that every man, woman, and child in that little town in Fearsome Hollow vanished into a mist one day exactly one hundred years ago? The "vanishing" has started happening again — residents of Nower are disappearing and the houses they lived in age a century overnight. If the Jabberwock is gobbling people up, how long before Nower becomes a ghost town? Life During Wartime, As Seen Through the Eyes of Two Congolese Teenagers Set amid the chaos of West Africa's civil wars, Emmanuel Dongala's striking novel tells the story of two teenagers growing up while rival ethnic groups fight for control of their country. At age sixteen, Johnny is a member of the Death Dealers, a rebel faction bent on seizing power. Even as he is drawn into the rebels' program of terror, Johnny Mad Dog, as he calls himself, retains his youthful exuberance--searching for girls, good times, and adventure. Sixteen-year-old Laokolé, for her part, dreams of finishing high school and becoming an engineer, but as rogue militias prepare to sack the city, she is forced to leave home with her mother and brother--and then finds herself alone and running from the likes of Johnny. Acclaimed in France, Johnny Mad Dog is a coming-of-age story like no other; Dongala's masterful use of dual narrators makes the novel an unusually vivid and affecting tale of the struggle to survive--and to retain one's humanity--in terrifying times.

Presents a collection of short stories, including "The Steam Man of the Prairie and the Dark Rider Get Down," "The Big Blow," and "Mad Dog Summer."

The Story of a Congo Mercenary

Get Free Mad Dog

A mindless sectarian psychopath or a loyalist folk hero who took the war to the IRA's front door? The name Johnny 'Mad Dog' Adair is synonymous with a killing spree by loyalist terrorists that took Northern Ireland to the brink of civil war. From humble beginnings as a rioter and glue-sniffer on Belfast's Shankill Road, Adair rose through the ranks of the outlawed Ulster Freedom Fighters to head its merciless killing machine, 'C Company'. Surrounded by a group of trusted friends, his reign of terror in the early 1990s claimed the lives of up to 40 Catholics, picked out at random as Adair's hitmen roamed Belfast. Determined to lead from the front, his men even fired a rocket at Sinn Fein's headquarters, writing themselves into loyalist mythology and embarrassing the IRA in its republican heartland. Its desperate attempts to kill Adair culminated in October 1993, when a bomb on the Shankill Road, intended for the loyalist godfather, claimed the lives of nine Protestant civilians. Mad Dog: The Rise and Fall of Johnny Adair and 'C Company' describes in graphic detail Adair's criminal empire and an egomaniac's bloody war against Catholics and anybody else who got in his way. Adair's friends and enemies talk for the first time about the murders he ordered, his sordid personal life, and his attempts - ultimately disastrous - to become Northern Ireland's supreme loyalist figurehead.
