Flowering Earth is an extraordinary work in which Peattie explores the origin and significance of plant life with an unmatched sense of astonishment and reflection. According to The New York Times, his prose in Flowering Earth “is pervaded by a continuous sense of beauty and illuminative insight,” and Books hails it as a piece “for people who are refreshed by any sort of emancipation from the trivial. . . .”

Choosing to sell the farmhouse has consequences no one saw coming. . . . A Week in Winter is Marcia Willett’s engaging and sympathetic portrayal of a family in turmoil. The perfect read for fans of Katie Forde and Veronica Henry. “Wonderfully evocative” - Devon Life When Maude Todhunter finally decides she must sell Moorgate, her beautiful farmhouse on the edge of Bodmin Moor, she anticipates strong objections from her family - particularly from Selma, her stepdaughter, with whom she has never seen eye to eye. But no one could have predicted the feelings that Moorgate evokes or the consequences. . . . What readers are saying about A Week in Winter: “The chapters are so believable and you grow to love them.” Another brilliant gem from writer Marcia Willett “Just like her other novels, this one excels in its description of the various characters and draws you into the moving story with sharp observation and compassion”

The Wiley Handbook of Global Educational Reform examines educational reform from a global perspective. Composed of approximately 25 original and specially commissioned essays, which together interrogate educational reform from a critical global and transnational perspective, this volume explores a range of topics and themes that fully investigate global convergence in educational reform policies, ideologies, and practices. The Handbook probes the history, ideology, organization, and institutional foundations of global educational reform movements; actors, institutions, and agendas; and local, national, and global education reform trends. It further examines the “new managerialism” in global educational reform, including the standardization of national systems of educational governance, curriculum, teaching, and learning through the rise of new systems of privatization, accountability, audit, big-data, learning analytics, biometrics, and new technology-driven adaptive learning models. Finally, it takes on the subjective and intersubjective experiential dimensions of the new educational reforms and alternative paths for educational reform tied to the ethical imperative to reimagine education for human flourishing, justice, and equality. An authoritative, definitive volume and the first global take on a subject that is grabbing headlines as well as preoccupying policy makers, scholars, and teachers around the world Edited by distinguished leaders in the field Features contributions from an illustrious list of experts and scholars The Wiley Handbook of Global Educational Reform will be of great interest to scholars and graduate students of education throughout the world as well as the policy makers who can institute change.

*Want to feel smarter? Want to have the perfect quip at the tip of your tongue? Use Your Words combines Word Power Quizzes and Quotable Quotes from Reader’s Digest, America’s Most Popular Magazine so you can do just that! Use Your Words is part word quiz book and part quote book, combined together in themed sections. It will be a combination of 2 of our most popular columns in Reader’s Digest Magazine—Word Power and Quotable Quotes. Quotable Quotes, as it appears today, first ran in January 1934. It was preceded by similar quote columns, including Remarkable Remarks, which ran in the first ever issue of Reader’s Digest in February 1922, and Significant Sayings, which ran in June 1922. These first columns featured the great minds of the day, including Herbert Hoover (before he became president), Lady Astor, and John D. Rockefeller. The quotes were, and continue to be, collected from a variety of books, speeches, journals, and articles. We’ve quoted both living and dead people. The column hasn’t changed much, except for the art. It began as a one-page list of quotes and continues to be a one-page list of quotes. Quotable Quotes is second to Laughter the Best Medicine in column popularity. Word Power first ran in January 1945–January 2020 will mark 75 years. Word Power’s creator, Wilfred Funk, was a poet and lexicographer—his family was the “Funk” of the reference publisher Funk & Wagnalls. He presented his quiz idea to Dewitt Wallace in 1944. Wilfred’s son Peter Funk wrote the column from the 1960s to the 1990s. Current writers are a married couple who are well-known in the crossword/puzzle world: https://www.theatlantic.com/past/docs/unbound/wordgame/crbio.htm The column hasn’t changed much—it has 15 words now instead of 20. It has themed columns (car words, Italian words) rather than words based on RD. It has a sidebar that goes in-depth on something related to the theme. Word Power is our 3rd most popular column in the magazine.*

This collection showcases over 40 timeless stories that make you feel deeply and stick with you, along with cartoons, jokes, and readers’ warm and funny true anecdotes. From everyday heroes to larger-than-life characters, small moments to historic events, the unforgettable stories in Reader’s Digest come alive as never before in this keepsake book. Our editors have combed the archives for the narratives that thrill your senses, warm your heart, lift your spirits and leave you amazed or simply grateful for your connection with fellow humans, including: ‘Pilot Down: The Rescue of Scott O’Grandy–An Air Force captain policing a NATO “No Fly Zone” is struck by a missile and must use his ejection seat and parachute down into enemy territory. ‘The Pig That Changed My Life–The author agrees to take in what he’s told is a mini pig. At first he hides the pig in his office, but his partner finds out and is upset. Nevertheless, they keep the pig and call it Esther. Esther grows up to be 650 pounds, sleeps with them along with 2 cats and 2 dogs, and wins the whole family over with her antics. The humans become vegan. ‘To My Daughter on Acquiring Her First Car–This is a lovely letter written by a father to his daughter as he gets her a car. It is a fond but serious plea that she not take lightly the responsibility of working this machine, that her and many others’ lives depend on her good judgment and care.

Alive! is a heart-stopping collection of survival stories from the archives of Reader ’s Digest ’s ‘ Drama in Real Life ’ series. Readers will be on the edge of their seats as they are drawn into the dramatic tales of everyday people suddenly cast into life or death situations. Editors have mined the Reader ’s Digest archives to bring readers Alive! Extraordinary Stories of Ordinary People Who Survived Deadly Tornadoes, Avalanches, Shipwrecks and More. In “ Super Storm, ” Rick Gregory, an off-duty patrolman watches an F3 tornado ravage his small Tennessee town where split-second decisions make the difference between life and death. In “ Avalanche!” Luke Edgar, a young father and backcountry snowboarder goes out with a buddy for a fun day on Mt. Rainier and gets buried alive in an avalanche. “ Swarm, ” tells the story of the Walker family, out for a day trip in the Florida marsh when they get entangled in a yellow-jacket nest. The mother, Debbie, fighting anaphylactic shock must leave her injured husband and children in order to find help as time runs out. Adventure writer Tim Cahill recounts how he barely survives the extreme heat of Death Valley despite his experience as an outdoorsman in “ Across the Valley of Fire ”; and in “ Pacific Cyclone, ” Tony Farrington tells the harrowing story of the crews of three sailboats who run into an unimaginable storm in the normally calm South Pacific. Whether out on a planned adventure or simply in the wrong place at the wrong time, the heroes of these stories are connected by their fierce desire to survive against all odds. Wildfires, blizzards, attacks by grizzlies, jet crashes in the jungle, are just some of the conditions people face in these stories of survival. Readers will be on the edge of their seats as they follow adventurers and laymen alike as they face down nature ’s fury in the most extreme circumstances, and find strength they didn ’t know they had, proving the depth and resilience of the human spirit. As Tim Cahill so elegantly puts it, “ Then I knew, really knew, that there is a way to get from one extreme to the other, the peaks and valleys. And there is a beauty so fierce only savage emotions like fear and triumph allow us to see it. ”

The classic account of one of the most dramatic battles of World War II. A Bridge Too Far is Cornelius Ryan’s masterly chronicle of the Battle of Arnhem, which marshalled the greatest armada of troop-carrying aircraft ever assembled and cost the Allies nearly twice as many casualties as D-Day. In this compelling work of history, Ryan narrates the Allied effort to end the war in Europe in 1944 by dropping the combined airborne forces of the American and British armies behind German lines to capture the crucial bridge across the Rhine at Arnhem. Focusing on a vast cast of characters—from Dutch civilians to British and American strategists to common soldiers and commanders—Ryan brings to life one of the most daring and ill-fated operations of the war. A Bridge Too Far superbly recreates the terror and suspense, the heroism and tragedy of this epic operation, which ended in bitter defeat for the Allies.

A gargantuan, mind-altering comedy about the Pursuit of Happiness in America Set in an addicts’ halfway house and a tennis academy, and featuring the most endearingly screwed-up family to come along in recent fiction, Infinite Jest explores essential questions about what entertainment is and why it has come to so dominate our lives; about how our desire for entertainment affects our need to connect with other people; and about what the pleasures we choose say about who we are. Equal parts philosophical quest and screwball comedy, Infinite Jest bends every rule of fiction without sacrificing for a moment its own entertainment value. It is an exuberant, uniquely American exploration of the passions that make us human - and one of those rare books that renew the idea of what a novel can do. “The next step in fiction...Edgy, accurate, and darkly witty...Think Beckett, think Pynchon, think Gaddis. Think.” --Sven Birkerts, The Atlantic

Reader’s Digest Use Your Words

*How dangerous people in Blanow think that books are dangerous: they fill your head with drivel, make poor firewood and cannot be eaten (even in an emergency). This book is about Howul. He sees things differently: fires are dangerous; people are dangerous; books are just books. Howul secretly writes down what goes on around him in Blanow. How its people treat foreigners, treat his daughter, treat him. None of it is pretty. Worse still, everything here keeps trying to kill him: rats, snakes, diseases, roof slates, the weather, the sea. That he survives must mean something. He wants to find out what. By trying to do this, he gets himself thrown out of Blanow... and so his journey begins. Like all gripping stories, HOWUL is about the bad things people do to each other and what to do if they happen to you. Some people use sticks to stay safe. Some use guns. Words are the weapons that Howul uses most. He makes them sharp. He makes them hurt. Of course books are dangerous. Cover design: Alison Buck*

*The #1 New York Times–bestselling author’s classic novel of life and death drama inside a major American hospital—“easy to read and hard to stop reading” (Kirkus Reviews) . Change is in the air when a new board chairman sets out to modernize and expand Three Counties Hospital in Burlington, Pennsylvania—a once venerable institution whose standards have slipped. Dynamic Dr. Kent O’Donnell, a Harvard Medical School–trained surgeon, accepts the board’s offer to lead and reform the rundown, disorganized hospital because he wants to make his mark on the world. As medical-board president, O’Donnell faces his greatest challenge in Dr. Joe Pearson, Three Counties’ elderly head pathologist. Once an excellent diagnostician, Pearson is now out of touch with the latest research and procedures in laboratory medicine. But if the hospital lets the imperious doctor go, it risks losing an important benefactor’s financial support. Arthur Hailley’s fascinating, dramatic, and scrupulously researched story reveals both the professional, personal, and romantic aspects of an administrator–surgeon’s life, as well as the tragedies and moments of joy that occur every day in a hospital—a place where life often begins and ends.*

Since its founding in 1947, the legendary Magnum Photos agency has been telling its own story about photographers who were witnesses to history and artists on the hunt for decisive moments. Based on unprecedented archival research, The Decisive Network unravels Magnum’s mythologies to offer a new history of what it meant to shoot, edit, and sell news images after World War II. Nadya Bair shows that between the 1940s and 1960s, Magnum expanded the human- and war-dimensions while bringing the aesthetic of news pictures into new markets. Working with a vast range of editorial and corporate clients, Magnum made photojournalism integral to postwar visual culture. But its photographers could not have done this alone. By unpacking the collaborative nature of photojournalism, this book shows how picture editors, sales agents, spouses, and publishers helped Magnum photographers succeed in their assignments and achieve fame. Bair concludes in the late 1960s and early 1970s, when changing market conditions led Magnum to consolidate its brand. In that moment, Magnum’s photojournalists became artists and their assignments oeuvres. Bridging art history, media studies, cultural history, and the history of communication, The Decisive Network transforms our understanding of the photographic profession and the global circulation of images in the predigital world.

So You Think You Know Baseball

The groundbreaking work on being homosexual in America—available again only from Penguin Classics and with a new foreword by Dan Savage Originally published in 1971, Merle Miller’s On Being Different is a pioneering and thought-provoking book about being homosexual in the United States. Just two years after the Stonewall riots, Miller wrote a poignant essay for the New York Times Magazine entitled “What It Means To Be a Homosexual” in response to a homophobic article published in Harper’s Magazine. Described as “the most widely read and discussed essay of the decade,” it carried the seed that would blossom into On Being Different—one of the earliest memoirs to affirm the importance of coming out. For more than sixty-five years, Penguin has been the leading publisher of classic literature in the English-speaking world. With more than 1,500 titles, Penguin Classics represents a global bookshelf of the best works throughout history and across genres and disciplines. Readers trust the series to provide authoritative texts enhanced by introductions and notes by distinguished scholars and contemporary authors, as well as up-to-date translations by award-winning translators.

A.J. Cronin, author of some of the best-loved novels of the mid-twentieth century and the creator of Dr Finlay, has been unjustly overlooked by literary biographers. In this, the first full-length life of this eminent and unjustly neglected writer, Alan Davies recounts the story of Cronin’s Scottish childhood as the son of a Protestant mother and Catholic father, his subsequent medical career and his rise to literary prominence, emphasizing throughout the importance of holding at arm’s length many of the apocryphal tales that have accumulated around the memory of the author of Hatter’s Castle, The Citadel and The Stars Look Down, many of which are based on mistaken autobiographical readings of Cronin’s fiction itself.Incorporating an account of Cronin’s tempestuous relationship with his publisher, Victor Gollancz, and new revelations about the author’s private life, Davies’s book paints a clearer portrait of both Cronin the writer and Cronin the man.

By the #1 New York Times bestselling author, a novel of passion and power at the court of a medieval ruler, a riveting new Tudor tale featuring King Henry VIII’s sixth wife Kateryn Parr. Kateryn Parr, a thirty-year-old widow in a secret affair with a new lover, has no choice when a man old enough to be her father who has buried four wives—King Henry VIII—commands her to marry him. Kateryn has no doubt about the danger she faces: the previous queen lasted sixteen months, the one before barely half a year. But Henry adores his new bride and Kateryn’s trust in him grows as she unites the royal family, creates a radical study circle at the heart of the court, and rules the kingdom as Regent. But is this enough to keep her safe? A leader of religious reform and the first woman to publish in English, Kateryn stands out as an independent woman with a mind of her own. But she cannot save the Protestants, under threat for their faith, and Henry’s dangerous gaze turns on her. The traditional churchmen and rivals for power accuse her of heresy—the punishment is death by fire and the king’s name is on the warrant... From the bestselling author who has illuminated all of Henry’s queens comes a deeply intimate portrayal of the last: a woman who longed for passion, power, and education at the court of a medieval killer.

A New York Times Bestseller – True stories inspired by one of the most iconic, beloved, bestselling books of our time, Eat Pray Love by Elizabeth Gilbert Elizabeth Gilbert’s Eat Pray Love has become a worldwide phenomenon, empowering millions of readers to set out on paths they never thought possible, in search of their own best selves. Here, in this candid and captivating collection, nearly fifty of those readers—people as diverse in their experiences as they are in age and background—share their stories. The journeys they recount are transformative—sometimes hilarious, sometimes heartbreaking, but always deeply inspiring. Eat Pray Love helped one writer to embrace motherhood, another to come to terms with the loss of her mother, and yet another to find peace with not wanting to become a mother at all. One writer, reeling from a difficult divorce, finds new love overseas; another, a lifelong caregiver, is inspired to take an annual road trip, solo. A man leaves seminary, embraces his sexual identity, and forges a new relationship with God. A woman goes to divinity school and grapples with doubt and belief. One writer’s search for the perfect pizza leads her to New Zealand and off-the-grid motherhood, while another, in overcoming an eating disorder, redefines her relationship not only with food but with herself. Some writers face down devastating illness and crippling fears, and others step out of their old lives to fulfill long-held dreams of singing, acting, writing, teaching, and learning. Entertaining and enlightening, Eat Pray Love Made Me Do It is a celebration for fans old and new. What will Eat Pray Love make you do?
