There is no such thing as a simple ritual to make you an overnight success. This is a system of magick. It is far more than a list of rituals that solve problems. You integrate a successful pathway into your life. The great secrets of magick were delivered to a genius mathematician in the sixteenth century. After that, the magick was locked away for many years, then found again and shared in secret. Occultists are beginning to unravel these secrets to the point where they have become practical. The methods described here are based on a lifetime studying and exploring success, combined with the wisdom of the Enochian Angels. Whether you are tired of the struggle, battling against competitors, finding it difficult to start or finish a

project, uncertain of what to do with your life, or straining to get where you want to be, this book presents a form of magick that can unlock your dreams. Whatever your age or experience, and no matter what you have gone through before, it is never too early or too late to find success. From this point on, you can choose the life you have always wanted. With this magick, you can compress time, improve fortune, and open opportunity in a way that cannot happen without magick. Enochian Magick reveals an underlying power in the universe that can bring you the success you desire. This book shows every step you need to take. People may tell you that you cannot use Enochian Magick, but the angels said otherwise. They said that magick should be used. We were told to use this magick to understand and experience its power. That is what you can do now. You don't need any equipment or special magickal skills. You only need a private space where you can perform the magick. Centuries ago, in a set of strange and fascinating circumstances, the angels revealed an encoded magickal system to Doctor John Dee, a friend and advisor to Queen Elizabeth I. This secret magick was nearly taken by the flames of the Great Fire of London. It survived, and has

slowly been recovered, examined, explored, and experienced. Enochian Magick is no longer a historical curiosity but the essence of practical magick. Give it your attention, and it can open you up to a life of success.

The Angel Overlords can generate an energy state within you that attracts what you want and repels what you don't want. It is a pure form of magick that works quickly and safely. You can summon energies that will affect significant situations in your life, unlock problems that appear to be frozen, and empower your ability to manifest. Whether you seek progress, healing, material growth, spiritual exploration, or problem-solving, these energy states are a powerful way to get what you want. These angels have the authority to guide many other angels and forces that relate to these energy states. They are lords of this power and rule how it can be summoned and distributed. This is why they are known as Overlords. You work with them by using a ritual that employs a Celestial Sigil, chanted sounds, and a form of directed thought. To give just one example, you will discover Ademariel, the angel who brings The Quality of Success. This energy state will attract people and situations that enable

success. It will improve your power to manifest desires while repelling obstacles, doubt, limiting beliefs, or any state that hinders your ability to succeed. There are thirty-six angels with qualities that include Harmony, Abundance, Renewal, Inspiration, Wisdom, Connection, Hope, Intuition, Perception, and Love. Instead of casting a hundred spells and performing a whole slate of rituals, you create the energy state with ease and guide your attention to the change you require. What you need then becomes real. If you are looking for a new way of working with angels, this is an experience you don't want to miss. There is nothing else to buy, no equipment required, and you can begin your magick as soon as you have read the book.

When your need is real, speak The Greater Words of Power, and you will bring magick to life. The ritual process is deceptively simple, and yet the rewards can be great. This magick uses secret combinations of sacred words that connect you to divine power, through the magick of angels and archangels. The Greater Words of Power uses the same method that was presented in Damon Brand's acclaimed Words of Power, but this is a standalone book, revealing thirty-one completely new powers. With Rituals of The Mind you can obtain mental focus, overcome procrastination, pass exams, increase energy, sleep peacefully, overcome habits and increase the willpower to eat well. Rituals That Affect Others give you the power to stop arguments quickly, ensure fair legal decisions, subdue unwanted attention, make people warmer to you, and encourage those who are stuck in their ways to change. The Rituals of Emotion enable you to encourage new friendship, attract a romantic partner, end a relationship easily, banish fear and worry, improve your mood and the mood of those around you, or recover lost love. The Rituals of Creativity will enhance all creative thought, make your creative work well-liked, as well as improving artistic skills and musical ability. The Rituals of

Transformation help you recover your passion, overcome lost love, increase your psychic connection to another, overcome bitterness, jealousy and hatred, and receive angelic guidance. One of the most powerful rituals is The Road Opener, to help you discover new pathways and new directions in life. You don't need to fast, pray, cleanse, cast a circle, use a wand or burn incense. This magick is directed by your heart, so you need nothing other than this book and your own desire for change.

This book contains 77 sigils, seals and talismans, each printed on its own page (with nothing on the back), so you can use them easily in rituals. It was designed to be used by magickal workers who are familiar with Damon Brand's first seven books, released by The Gallery of Magick. This book contains all the ritual images from Magickal Cashbook, Wealth Magick, Magickal Angels, Magickal Seduction, Adventures In Sex Magick, The Magickal Job Seeker and Words of Power. You can photocopy the images, use them directly in the book or even cut the book up and use the sigils in your magickal work. Images that contain color - such as the red central seal on the sigils from Magickal Angels - have been printed with color. The

book also contains colored versions of the Magickal Cashbook sigils, to help them blend with your cashbook, along with the newly revised version of the Nitika sigil. This book is not essential for students of Damon Brand, but was requested by many readers, because they lack quality printers, or because they wanted high-quality copies of the sigils.

Imagine using magick without any aim, desire or hope, without trying to solve problems, and seeking no gain. Imagine if this magick started to bring you all the things you want, and solved your problems. What if it increased your peace, passion, understanding, and your purpose in life? That's only the beginning of what this book can do for you. Damon Brand reveals a groundbreaking form of magick. It's easy to use but works in a completely new way. This is the final book in the best-selling Words of Power series, and it takes the magick to a new level. In Part One there are seven major rituals covering Perception, Knowledge, Imagination, Love, Healing, Transformation, and The Empowered Mind. In Part Two, you can direct the magick where you want. There are over fifty sigils to fine-tune your reality. The magick leads you to experience the world in a mystical way that can include

intuition, visions, and psychic abilities while attracting the real-world results you need. The magick in *Mystical Words of Power* only requires your thoughts, feelings, your voice, and the images in the book. It's as easy as magick gets. When you connect with this angelic power you discover who you are, what you want, and the mystical states required to attract everything you need to live the life of your dreams. The combined power of the two magickal styles in this book make it unlike anything you've seen before. It's the most enjoyable and effective way to bring healing, strength, certainty, and creative control to all that you desire.

As half-angel Willow strives to save the world from her parasitic otherworldly kin, romance and tension heat up to a climactic finale. In 1896, he translated a fragmentary relic of Gnostic literature, a manuscript concerned with the many secret names of God believed by Kabbalists to wield enormous magical power, but in the discussion that here precedes the translation, Gaster acknowledges that this document only hints at the texts that may be lost forever. It remains a tantalizing peek into archaic occult mysteries. Jewish

This magick is used by people of many religious backgrounds, and by atheists and by those who just sense there is something magickal going on out there. The angels will respond to any strong desire, and help you bring about change in the world. This book contains secrets that enable angelic contact to occur rapidly. You will discover:

- A method for empowering talismans and sigils
- Information on how to choose the right angel
- Methods for communicating more directly with angels
- Performing angel magick for other people.

In his popular *Magickal Cashbook*, author Damon Brand taught readers how to attract money in moments. In *Wealth Magick*, he reveals the closely guarded secrets of the super-rich. **WARNING:** This book uses angels and demons. The entire operation is made safe by omnipotent angels, but if the thought of working with demons makes you squeamish, look to my other books such as *Words of Power* and *Magickal Angels*, which have no demonic content. This book is designed for serious occult workers, who want to focus on wealth creation in the long term. The magick is safe, because every demon is constrained by angelic forces, but this is not a book for those who are uneasy with the occult. Damon says, 'To be clear, and for the sake of complete honesty, I am not super-rich, but I am extremely wealthy compared to where I was last year, and compared to my childhood I feel like a billionaire. To me this is extreme prosperity, because I never have to worry about money, I get to do everything I want to do, go the places I want and own the things I've always dreamed of having.' In this book, we will discuss how to communicate with the 72 angels that are associated with the 72 names of God in volume 1 of this series. We will not be using any fancy and complicated rituals. With all due respect to those who plan elaborate rituals, the rituals end up being more of a distraction. The angels do not require certain hours of day or night or certain colors or garb. They are not human that they require such trivialities. Do you think an angel with a limitless mind requires such limited and minute actions to get its attention? I know this

may completely contradict what you have heard, but logically, this is so. If you are looking for elaborate rituals, you will be disappointed in this book. This book is for people who want a direct connection. Not those who wish to mire themselves in complexity that in actuality, is contrived. We know where many of those rituals in all those Grimores come from and I assure you, the complexities are formalities only and not necessary for deep connection with these angels. With that, In this book, we will go into the significance of the 72 names of God and then proceed to the names of the angels. And finally, how to call upon them to help you.
