never really mastered
the art of choosing the

right colors. We are

more than just color-

blind; we are color-

challenged. In this

unique twist on the

Gilbert has added an

extra element to her

coloring book designs.

From the mind of the

artist, you will find two copies of each design -- one with numbers and one without numbers. You will also find a key that describes the recommended color combinations, and you will find two practice templates to help you to explore new color combinations before
