Indian Runner Ducks are often referred to as the "penguin duck" for a very good reason indeed - they stand up and they run unlike any other duck you will ever see. To watch a group of these creatures running will make you laugh as they can be a funny bunch. With their amazing, unique personalities they can provide hours of endless fun and fascination for everyone. They really do have a way of bringing a certain calm and 'otherness' that is almost unexplainable. While the idea of having a runner duck can seem very interesting, you must remember that runner ducks do become extremely attached to their human caregivers and it is a decision you shouldn't take lightly because it is truly is a lifelong commitment. This book takes you through all the essentials of having a runner duck at home. This book will inform you about the right breeding and keeping conditions to ensure that you have a healthy flock in your backyard. There are also several health considerations with ducks that I have discussed in detail in this book. My ducks make me laugh, every day. They are so funny, the way they walk and behave. I hope yours will make you laugh too! Topics covered: - The basics - Diet - Training - Pros and cons - Buying - Housing - Feeding - Interacting - Breeding - Eggs - Health ...and much more

The American Pekin Duck accounts for 90% of the commercially reared ducks in the United States of America. These ducks are known for their prolific egg laying abilities, laying close to 200 eggs in each season. The American Pekin Duck also produces the tastiest duck meat. Since these ducks grow fast in numbers, they are preferred by most people who rear ducks solely for commercial purposes.

There is another side to these beautiful ducks. They are extremely beautiful with their creamy white and fluffy plumage. Because of their calm and peaceful nature, they also make great pets. Pekin Ducks are really friendly and are known to follow their owners all around the house. They are even good companions as they love to cuddle and stay close to their owners. If you plan to bring home a

Perhaps the most iconic steam locomotive in the world, the legendary Flying Scotsman was the first train to achieve 100mph and in its glory days ran the only non-stop passenger service between London and Edinburgh. When it was withdrawn from regular service in 1963, after nearly 40 years in service, the locomotive had travelled an estimated two million miles. In January 2016, after a complete and expert restoration project lasting a decade, Flying Scotsman returned to the UK's mainline as one of the jewels in the National Railway Museum's collection.

The Cayuga Duck is a gorgeous backyard duck that has been reared all over the world for its fine meat and its egg laying ability. Since this duck can lay up to 200 eggs in one season, several owners rear them mostly for a lucrative egg business. However, another attractive quality of the Cayuga Duck is its plumage. This iridescent beetle green plumage makes this duck a favorite amongst those who like having ducks in their backyard for ornamental purposes. Additionally, these ducks are a pleasure to have as pets thanks to their calm nature. Since these ducks are not noisy either, they make great pets! If you plan to bring home a Cayuga Duck, there are several things that you must keep in mind as these birds are very different from regular pets. The maintenance of ducks is important and must be given a lot of care as ducks are easily infected. These infections are also very hazardous to human health. To make sure that your flock is healthy and to also safeguard the health of your family, you must take all the necessary measures to make your home a good environment for ducks.
