Renowned manga artist and comics creator Camilla D'Errico's beginner's guide to drawing her signature Japanese-style characters. From comics to video games to contemporary fine art, the beautiful, wide-eyed-girl look of shoujo manga has infiltrated pop culture, and no artist's work today better exemplifies this trend than Camilla D'Errico's. In her first instructional guide, D'Errico reveals techniques for creating her emotive yet playful manga characters, with lessons on drawing basic body construction, capturing action, and creating animals, chibis, and mascots. Plus, she gives readers a behind-the-scenes look at her character design process, pointers on creating their own comics, and prompts for finishing her drawings. Pop Manga is both a celebration of creativity and an indispensable guide that is sure to appeal to manga diehards and aspiring artists alike.

Whether a character is jumping for joy, kicking and grappling with an opponent, or fighting to the death with sword in hand, this guide provides all the essential techniques to draw more lifelike action figures in the classic Japanese manga style.
