

Maria Mercedes Capitulos Completos Telenovela Maria

“This is a beautiful farewell to two extraordinary people. It enthralled and moved me, and it will move and enthrall anyone who has ever entered the glorious literary world of Gabriel García Márquez.”—Salman Rushdie “In A Farewell to Gabo and Mercedes Rodrigo Garcia finds the words that cannot be said, the moments that signal all that is possible to know about the passage from life to death, from what love brings and the loss it leaves. With details as rich as any giant biography, you will find yourself grieving as you read, grateful for the profound art that remains a part of our cultural heritage.”—Walter Mosley, New York Times bestselling author of Down the River Unto the Sea “An intensely personal reflection on [García’s] father’s legacy and his family bonds, tender in its treatment and stirring in its brevity.”—Booklist (starred review) The son of one of the greatest writers of our time—Nobel Prize winner and internationally bestselling icon Gabriel García Márquez—remembers his beloved father and mother in this tender memoir about love and loss. In March 2014, Gabriel García Márquez, one of the most acclaimed writers of the twentieth century, came down with a cold. The woman who had been beside him for more than fifty years, his wife Mercedes Barcha, was not hopeful; her husband, affectionately known as “Gabo,” was then nearly 87 and battling dementia. I don’t think we’ll get out of this one, she told their son Rodrigo. Hearing his mother’s words, Rodrigo wondered, “Is this how the end begins?” To make sense of events as they unfolded, he began to write the story of García Márquez’s final days. The result is this intimate and honest account that not only contemplates his father’s mortality but reveals his remarkable humanity. Both an illuminating memoir and a heartbreaking work of reportage, A Farewell to Gabo and Mercedes transforms this towering genius from literary creator to protagonist, and paints a rich and revelatory portrait of a family coping with loss. At its center is a man at his most vulnerable, whose wry humor shines even as his lucidity wanes. Gabo savors affection and attention from those in his orbit, but wrestles with what he will lose—and what is already lost. Throughout his final journey is the charismatic Mercedes, his constant companion and the creative muse who was one of the foremost influences on Gabo’s life and his art. Bittersweet and insightful, surprising and powerful, A Farewell to Gabo and Mercedes celebrates the formidable legacy of Rodrigo’s parents, offering an unprecedented look at the private family life of a literary giant. It is at once a gift to Gabriel García Márquez’s readers worldwide, and a grand tribute from a writer who knew him well. “You read this short memoir with a feeling of deep gratitude. Yes, it is a moving homage by a son to his extraordinary parents, but also much more: it is a revelation of the hidden corners of a fascinating life. A Farewell to Gabo and Mercedes is generous, unsentimental and wise.”—Juan Gabriel Vásquez, author of The Sound of Things Falling “A warm homage filled with both fond and painful memories.”—Kirkus “García’s limpid prose gazes calmly at death, registering pain but not being overcome by it . . . the result is a moving eulogy that will captivate fans of the literary lion.” — Publishers Weekly
The Travels of Sir John Mandeville is the chronicle of the alleged Sir John Mandeville, an explorer. His travels were first published in the late 14th century, and influenced many subsequent explorers such as Christopher Columbus.

Las cartas de Arguedas

It is November 25, 1960, and three beautiful sisters have been found near their wrecked Jeep at the bottom of a 150-foot cliff on the north coast of the Dominican Republic. The official state newspaper reports their deaths as accidental. It does not mention that a fourth sister lives. Nor does it explain that the sisters were among the leading opponents of Gen. Rafael Leonidas Trujillo’s dictatorship. It doesn’t have to. Everybody knows of Las Mariposas—“The Butterflies.” In this extraordinary novel, the voices of all four sisters—Minerva, Patria, María Teresa, and the survivor, Dedé—speak across the decades to tell their own stories, from hair ribbons and secret crushes to gunrunning and prison torture, and to describe the everyday horrors of life under Trujillo’s rule. Through the art and magic of Julia Alvarez’s imagination, the martyred Butterflies live again in this novel of courage and love, and the human cost of political oppression. Aunque Mercedes Rosas de Rivera (1810-1870) fue una de las primeras novelistas argentinas significativas, tanto la autora como su obra han permanecido por largo tiempo al margen de los estudios literarios. Probablemente haya incidido sobre este silencio el hecho de que Mercedes fuera hermana de Juan Manuel de Rosas. Un amor apasionado, sometido a los vaivenes de las luchas por la independencia, vertebra la trama de María de Montiel. Sus paginas, en las que no estan ausentes el melodrama y los rasgos folletinescos, trazan un vivido cuadro de las costumbres y la vida domestica en Buenos Aires durante las primeras decadas del siglo XIX. En el volumen I se ofrece una edicion critica de la novela, con el texto modernizado segun pautas de la critica textual, estudio y notas, capaz de revelar el talento narrativo de su autora. El volumen II consiste en una edicion facsimilar, que permite conocer, al menos en parte, las características materiales de la edicion de 1861."

A Farewell to Gabo and Mercedes

Estudios sobre la novela española del Siglo XIX

The product of five years’ investigative reporting, the subject of intense national controversy, and the source of death threats that forced the National Human Rights Commission to assign two full-time bodyguards to its author, Anabel Hernández, Narcoland has been a publishing and political sensation in Mexico. The definitive history of the drug cartels, Narcoland takes readers to the front lines of the “war on drugs,” which has so far cost more than 60,000 lives in just six years. Hernández explains in riveting detail how Mexico became a base for the mega-cartels of Latin America and one of the most violent places on the planet. At every turn, Hernández names names – not just the narcos, but also the politicians, functionaries, judges and entrepreneurs who have collaborated with them. In doing so, she reveals the mind-boggling depth of corruption in Mexico’s government and business elite. Hernández became a journalist after her father was kidnapped and killed and the police refused to investigate without a bribe. She gained national prominence in 2001 with her exposure of excess and misconduct at the presidential palace, and previous books have focused on criminality at the summit of power, under presidents Vicente Fox and Felipe Calderón. In awarding Hernández the 2012 Golden Pen of Freedom, the World Association of Newspapers and News Publishers noted, “Mexico has become one of the most dangerous countries in the world for journalists, with violence and impunity remaining major challenges in terms of press freedom. In making this award, we recognize the strong stance Ms. Hernández has taken, at great personal risk, against drug cartels.”

Historia de un hombre

La anomia en la novela de crímenes en Colombia

Niveles narrativos en todo verdor *perecerá* de Eduardo Mallea

En la década de 1920 Nydia Camargo, una mujer poco común ensu época, fue procesada por homicidio en un juicio por jurado. La defendióQuerido Moheno, uno de los abogados más hábiles de la época. Los protagonistasconcedieron entrevistas y relataron su versión de los hechos. El juicio fue detalladamente seguido por la prensa y, más tarde, sirvió de tema para unapelicula. Además, los abogados publicaron sus alegatos. Por ello, el caso puede estudiarse desde diversas perspectivas y permite adentrarse en varios temas,desde la impartición de justicia hasta la concepción sobre las mujeres y el amor.

Ambivalent Desires is a literary and cultural study of the reception of modernity in Colombia. Unlike previous studies of Latin American modernization, which have usually focused on the public aspect of the process, this book discusses the intersection between modernity and the private sphere.

historia de la prostitución en Colombia

Un secreto en cada vida

My Six Years of Captivity in the Colombian Jungle

el hijo del pueblo (novela)...

Cuadernos hispanoamericanos

Recién separado, Julio decide ocupar en secreto el piso vacío de un vecino. Al hacerlo, usurpa también su ropa, sus costumbres, incluso su mirada sobre el mundo, sobre su ex mujer y sobre sí mismo. En el transcurso de esta metamorfosis, Julio descubre una vida nueva que tendrá que modelar para convertir su impostura en realidad. La mezcla de extrañeza y lucidez con que Julio afronta su nueva situación, en la que entabla, entre otras novedades, una curiosa relación con una niña de seis años, constituye la médula de esta historia intensa y sugerente. Redonda hasta en el menor detalle, la última novela de Juan José Millás es una de esas lecturas que se disfrutan sonriendo, que da pena terminar, y entusiasmo recomendar. El mejor Juan José Millás retoma el registro narrativo de sus comienzos, enriqueciéndolo con el ingenio y capacidad de sorprender adquiridos en sus obras posteriores. Referencia indiscutible del periodismo literario y creador de nuevas formas de narrar, Millás es uno de los novelistas españoles más importantes y referendados por el público, tanto en Españas como en los quince países en los que está traducida su obra.

In a haunting psychological tale of despair and freedom, Macabea is ugly, underfed, sickly, and unloved yet she fascinates Rodrigo because she is unaware of how unhappy she should be

Razón y fábula

A Novel

Traces the lives of several young women growing up in a provincial Spanish town during Franco's authoritarian rule

El autor ofrece un panorama de la literatura negra occidental desde sus orígenes en el siglo XIX con Poe y Doyle y la obra de los autores norteamericanos (Hammett y Chandler) hasta la literatura latinoamericana del siglo XX, para inscribir, en esta larga tradición, a la literatura colombiana contemporánea. De este modo, Forero Quintero expone cinco perspectivas de análisis de la obra de algunos escritores colombianos emblemáticos con sus propias representaciones literarias de la anomia: el monstruo en "El capítulo de Ferneli", de Hugo Chaparro Valderrama; el mito en "Leopardo al sol", de Laura Restrepo; la impunidad y la inducción al crimen en "La Virgen de los sicarios", de Fernando Vallejo; la confesión del personaje y la complicidad del lector en "Memorias de un hombre feliz", de Darío Jaramillo Agudelo, y la ley del narcotráfico en "Comandante Paraíso", de Gustavo Álvarez Gardeazábal. Libro en coedición con la Universidad de Antioquia (Colombia).

The Hour of the Star

cómo son, cómo se escriben

A South American Romance

THE POSTHUMOUS MASTERWORK FROM "ONE OF THE GREATEST AND MOST INFLUENTIAL MODERN WRITERS" (JAMES WOOD, THE NEW YORK TIMES BOOK REVIEW) Composed in the last years of Roberto Bolaño's life, 2666 was greeted across Europe and Latin America as his highest achievement, surpassing even his previous work in its strangeness, beauty, and scope. Its throng of unforgettable characters includes academics and convicts, an American sportswriter, an elusive German novelist, and a teenage student and her widowed, mentally unstable father. Their lives intersect in the urban sprawl of SantaTeresa—a fictional Juárez—on the U.S.-Mexico border, where hundreds of young factory workers, in the novel as in life, have disappeared.

"Betancourt's riveting account...is an unforgettable epic of moral courage and human endurance." -Los Angeles Times In the midst of her campaign for the Colombian presidency in 2002, Ingrid Betancourt traveled into a military-controlled region, where she was abducted by the FARC, a brutal terrorist guerrilla organization in conflict with the government. She would spend the next six and a half years captive in the depths of the Colombian jungle. Even Silence Has an End is her deeply moving and personal account of that time. The facts of her story are astounding, but it is Betancourt’s indomitable spirit that drives this very special narrative-an intensely intelligent, thoughtful, and compassionate reflection on what it really means to be human.
