"Day Dreamers "shows readers that letting their imaginations run free will lead them into fantastical day dreams. With whimsical rhymes and gorgeous illustration, this boxed set is perfect for baby shower gifts and for discovering all kinds of dreams!"

Living the Dream tells the history behind the establishment of Martin Luther King Jr. Day and the battle over King's legacy that continued through the decades that followed. Creating the first national holiday to honor an African American was a formidable achievement and an act of resistance against conservative and segregationist opposition. Congressional efforts to commemorate King began shortly after his assassination. The ensuing political battles slowed the progress of granting him a namesake holiday and crucially defined how his legacy would be received. Though Coretta Scott King's mission to honor her husband's commitment to nonviolence was upheld, conservative politicians sought to use the holiday to advance a whitewashed, nationalistic, and even reactionary vision of King's life and thought. This book reveals the lengths that activists had to go to elevate an African American man to the pantheon of national heroes, how conservatives took advantage of the commemoration to bend the arc of King's legacy toward something he never would have expected, and how grassroots causes, unions, and antiwar demonstrators continued to try to claim this sanctified day as their own.

A collection of the most well-known and treasured writings and speeches of Dr. King, available for the first time as an ebook The Essential Martin Luther King, Jr. is the ultimate collection of Dr. King's most inspirational and transformative speeches and sermons, accessibly available for the first time as an ebook. Here, in Dr. King's own words, are writings that reveal an intellectual struggle and growth as fierce and alive as any chronicle of his political life could possibly be. Included amongst the twenty selections are Dr. King's most influential and persuasive works such as "I Have a Dream" and "Letter from Birmingham Jail" but also the essay "Pilgrimage to Nonviolence," and his last sermon "I See the Promised Land," preached the day before he was assassinated. Published in honor of the 50th anniversary of the 1963 March on Washington for Jobs and Freedom, The Essential Martin Luther King, Jr. includes twenty selections that celebrate the life's work of our most visionary thinkers. Collectively, they bring us Dr. King in many roles—philosopher, theologian, orator, essayist, and author—and further cement the most powerful and enduring words of a man who touched the conscience of the nation and world.

Bestselling children's book author Emily Winfield Martin's beautiful and whimsical art shines on these 20 frameable prints enclosed in a keepsake box. The New York Times said of Emily Winfield Martin's book Dream Animals: "A rare, enchanting mixture of graceful rhyming verse and adorable, Hummel-sweet illustrations . . . They're so nursery-worthy you may be tempted to snip a few out and frame them." Now you don't have to! The art is printed on heavy card stock that can be framed (standard 8" x 10" size) or go right on the wall as is. Featuring the author's adorable animals, children, landscapes, and mythical beasts, this collection will fill a child's room with color and magic.

Now in Dragonfly--from the acclaimed creator of the Caldecott Honor Book Tar Beach comes a personal and captivating portrait of the life of Martin Luther King, Jr.

"The littlest family goes wandering in the woods and just when they think they are lost, they find their way home again"--

From the New York Times bestselling author of The Wonderful Things You Will Be comes this companion to Dream Animals -- a celebration of the imagination of children dreaming both day and night! Emily Winfield Martin shows readers that letting their imaginations run free will lead them into fantastical day dreams. Whether cloud-gazing or wandering through a museum, reading a book or playing in a tide-pool, the children in this picture book find themselves in places inhabited by magical creatures such as dragons, unicorns, griffins, and jackalopes. A whimsical rhyme accompanies the dream-worthy illustrations.

The Story Behind Dr. Martin Luther King Jr.'s Dream

The Dream of Peaceful Revolution

Having led thousands in a march for civil rights to the foot of the Lincoln Memorial on August 28, 1963, Martin Luther King, Jr. gave a speech that would forever inspire people to continue to fight for change in the years ahead.

We can all be heroes. That's the inspiring message of this New York Times Bestselling picture book biography series from historian and author Brad Meltzer. Even as a child, Martin Luther King, Jr. was shocked by the terrible and unfair way African-American people were treated. When he grew up, he decided to do something about it--peacefully, with powerful words. He helped gather people together for nonviolent protests and marches, and he always spoke up about loving other human beings and doing what's right. He spoke about the dream of a kinder future, and bravely led the way toward racial equality in America. This lively, New York Times Bestselling biography series inspires kids to dream big, one great role model at a time. You'll want to collect each book.

In this “slim but powerful book,” the award-winning journalist shares the dramatic story surrounding MLK’s most famous speech and its importance today (Boston Globe). On August 28, 1963, Dr. Martin Luther King Jr. led the historic March on Washington for Jobs and Freedom, where he delivered the most iconic speech of the civil rights movement. In The Speech, Gary Younge explains why King’s “I Have a Dream” speech maintains its powerful social relevance by sharing the dramatic story surrounding it. Today, that speech endures as a guiding light in the ongoing struggle for racial equality. Younge roots his work in personal interviews with Clarence Jones, a close friend of Martin Luther King Jr. and his draft speechwriter; with Joan Baez, a singer at the march; and with Angela Davis and other leading civil rights leaders. Younge skillfully captures the spirit of that historic day in Washington and offers a new generation of readers a critical modern analysis of why “I Have a Dream” remains America’s favorite speech. “Younge’s meditative retrospection on [the speech’s] significance reminds us of all the micro-moments of transformation behind the scenes—the thought and preparation, vision and revision—whose currency fed that magnificent lightning bolt in history.” —Patricia J. Williams, legal scholar and theorist

A bestselling author goes behind the lens of a legendary photographer to capture a magical time A consummate photojournalist, Stanley Tretick was sent by United Press International to follow the Kennedy campaign of 1960. The photographer soon befriended the candidate and took many of JFK's best pictures during this time. When Kennedy took office, Tretick was given extensive access to the White House, and the picture magazine Look hired him to cover the president and his family. Tretick is best known today for the photographs he took of President Kennedy relaxing with his children. His photographs helped define the American family of the early sixties and lent Kennedy an endearing credibility that greatly contributed to his popularity. Accompanied by an insightful, heartwarming essay from Kitty Kelley—Tretick's close friend—about the relationship between the photographer and JFK, Capturing Camelot includes some of the most memorable images of America's Camelot and brings to life the uniquely hopeful historical era from which it emerged.

From the critically acclaimed Little People, BIG DREAMS series, discover the life of Martin Luther King, Jr., the inspiring minister and civil rights activist. Little Martin grew up in a family of preachers: his dad was a preacher, his uncle was a preacher, his grandfather was a preacher...so maybe he'd become a great preacher too. One day, a friend invited him to play at his house. Martin was shocked when his mother wouldn't let him in because he was black. That day he realized there was something terribly unfair going on. Martin believed that no one should remain silent and accept something if it's wrong. And he promised himself that--when he grew up--he'd fight injustice with the most powerful weapon of all: words. This moving book features stylish and quirky illustrations and extra facts at the back, including a biographical timeline with historical photos and a detailed profile of the inspiring activist's life. Little People, BIG DREAMS is a best-selling series of books and educational games that explore the lives of outstanding people, from designers and artists to scientists and activists. All of them achieved incredible things, yet each began life as a child with a dream. This empowering series offers inspiring messages to children of all ages, in a range of formats. The board books are told in simple sentences, perfect for reading aloud to babies and toddlers. The hardcover versions present expanded stories for beginning readers. Boxed gift sets allow you to collect a selection of the books by theme. Paper dolls, learning cards, matching games, and other fun learning tools provide even more ways to make the lives of these role models accessible to children. Inspire the next generation of outstanding people who will change the world with Little People, BIG DREAMS!

Bestselling author and journalist Kitty Kelley combines her elegant storytelling with Stanley Tretick ’ s iconic photographs to transport readers to the 1963 March on Washington, bringing that historic day vividly to life for a new generation. Martin Luther King Jr. was nervous. Standing at the foot of the Lincoln Memorial, he was about to address 250,000 people with what would become known as his “ I Have a Dream Speech ” —the most famous speech of his life. This day—August 28, 1963—was a momentous day in the Civil Rights Movement. It was the culmination of years spent leading marches, sit-ins, and boycotts across the South to bring attention to the plight of African Americans. Years spent demanding equality for all. Years spent dreaming of the day that black people would have the same rights as white people, and would be treated with the same dignity and respect. It was time for Martin to share his dream.

With beautiful, lush illustrations and a stunning gatefold that opens at the end, this is a book that families will love reading over and over. The Wonderful Things You Will Be has a loving and truthful message that will endure for lifetimes and makes a great gift to the ones you love for any occasion.

A bestselling author and legendary photographer present an illuminating look at a pivotal moment in our nation's history: The March on Washington Despite the heat and humidity, people came in droves from across the country and around the world, heading for the towering spire of the Washington Monument in our nation's capital. All of the marchers—black, white, Christian, and Jew—shared the same dream: freedom and equality for 19 million African Americans. Almost 300,000 strong, the marchers poured into Washington, D.C., to bear witness, to hear the immortal words of Martin Luther King, Jr., and to petition Congress to pass the President’s Civil Rights bill. Stanley Tretick, a seasoned photojournalist best known for his iconic images of President Kennedy and his family, was also i

the crowd, drawing inspiration from the historic scenes unfolding before him. In this magnificent book, his stirring photographs of that day are published for the first time. Accompanied by an insightful essay and captions from bestselling author Kitty Kelley, as well as a moving foreword by Marian Wright Edelman, Let Freedom Ring commemorates the fiftieth anniversary of the March on Washington and celebrates the crescendo of the Civil Rights movement in America.

Looks at the early life of Martin Luther King, Jr., as seen through the eyes of his older sister.

On August 28, 1963 hundreds of thousands of demonstrators flocked to the nation's capital for the March on Washington for Jobs and Freedom, where Dr. Martin Luther King Jr. delivered his famous "I Have a Dream" speech. It was Clayborne Carson's first demonstration. A nineteen year old black student from a working-class family in New Mexico, Carson hitched a ride to Washington. Unsure he would return home, he was nonetheless certain that he wanted to connect with the youthful protesters and community organizers who spearheaded the freedom struggle. Decades later, Coretta Scott King selected Dr. Carson—then a history professor at Stanford University— to edit the papers of her late husband. In this candid and engrossing memoir, he traces his evolution from political activist to scholar. He vividly recalls his involvement in the movement's heyday and in the subsequent turbulent period when King's visionary Dream became real for some and remained unfulfilled for others. He recounts his conversations with key African Americans of the past half century, including Black Power firebrand Stokely Carmichael and dedicated organizers such as Ella Baker and Bob Moses. His description of his long-term relationship with Coretta Scott King sheds new light on her crucial role in preserving and protecting her late husband's legacy. Written from the unique perspective of a renowned scholar, this highly readable account gives readers valuable new insights about the global significance of King's inspiring ideas and his still unfolding legacy

“Sundquist’s careful, thoughtful study unearths new and fascinating evidence of the rhetorical traditions in King’s speech.”—Drew D. Hansen, author of The Dream: Martin Luther King, Jr., and the Speech That Inspired a Nation “I have a dream”—no words are more widely recognized, or more often repeated, than those called out from the steps of the Lincoln Memorial by Martin Luther King, Jr., in 1963. King’s speech, elegantly structured and commanding in tone, has become shorthand not only for his own life but for the entire civil rights movement. In this new exploration of the “I Have a Dream” speech, Eric J. Sundquist places it in the history of American debates about racial justice—debates as old as the nation itself—and demonstrates how the speech, an exultant blend of grand poetry and powerful elocution, perfectly expressed the story of African American freedom. This book is the first to set King’s speech within the cultural and rhetorical traditions on which the civil rights leader drew in crafting his oratory, as well as its essential historical contexts, from the early days of the republic through present-day Supreme Court rulings. At a time when the meaning of the speech has been obscured by its appropriation for every conceivable cause, Sundquist clarifies the transformative power of King’s “Second Emancipation Proclamation” and its continuing relevance for contemporary arguments about equality. “The [‘I Have a Dream’] speech and all that surrounds it—background and consequences—are brought magnificently to life . . . In this book he gives us drama and emotion, a powerful sense of history combined with illuminating scholarship.”—The New York Times Book Review (Editor’s Choice)
