Long Story Short

Math 1 B

There's something in the earth deep below Elise Kavanagh's territory. A shadow is falling upon local demons to devour their flesh and harvest their souls. And it's coming for Elise next. The Union has an easy way out. They want to send Elise into hiding again. Faulkner. All she has to do is surrender the territory and trust that they can protect the ethereal ruins, the dark gate, and the city she's come to know as home. Greater powers have other plans for Elise and her fabled power as Godslayer—plans that mean a powerful demon alive. But if she descends, there's no turning back. Once she gazes into the abyss, it will gaze back into her...and Elise will be damned forever.

Activities are designed to teach the objectives in many state and federal mandates. Primary objectives focus on teaching: Understanding plot, theme, characterization, style, and how they all relate.

Mary Shelley began writing Frankenstein when she was only eighteen. At once a Gothic thriller, a passionate romance, and a cautionary tale about the dangers of science, Frankenstein tells the story of committed science student Victor Frankenstein. Obsessed with generation and life and bestowing animation upon lifeless matter, Frankenstein assembles a human being from stolen body parts but: upon bringing it to life, he recoils in horror at the creature's hideousness. Tormented by isolation and loneliness, the once-idealistic Frankenstein unleashes a campaign of murderous revenge against his creator, Frankenstein. Frankenstein, an instant bestseller and an important ancestor of both the horror and science fiction genres, not only tells a terrifying story, but also raises profound, disturbing questions about the nature of humanity and the place of humankind within the cosmos: What does it mean to be human? What responsibilities do we have to each other? How far can we go in tampering with Nature? In our age, filled with news of organ donation genetic engineering, and bio-terror, it's more relevant than ever.

Ronney is an introverted young woman with a disgraceful appearance. She lives humbly in one of the poorest neighborhoods of Sheryl Valley, a town corrupted by the mafia in Southern California. With no diploma, she works hard in her parents' restaurant and watches animated movies during the weekend. In accordance with a long-standing family tradition, Ronney's twenty-fifth birthday celebration comes with a dare from her cousins: she must knock on the front door of the infamous Khan household. The Khans' reputation for their association with the mafia. But when Ronney knocks on the door, before she has the chance to run, the Khan family matriarch, Camilla, takes an interest in Ronney. Ronney's lack of conventional beauty and disinterest in fashion draws Camilla in, leading her to become Ronney's personal assistant to her eldest son, Yeraz, with a substantial salary at stake. It's an offer Ronney cannot refuse. To keep her job, Ronney's task is simple: do not fall in love with Yeraz. "Easy," she thinks. But what if destiny decides otherwise? Ugly Ronney's life is the gallery of legendary lovers.

How to Write Science Fiction & Fantasy

*"...profoundly moving..." -Publishers Weekly Nelson Mandela's two great-grandchildren ask their grandmother, Mandela's youngest daughter, 15 questions about their granddad - the global icon of peace and forgiveness who spent 27 years in prison. They learn that he was a freedom fighter who put down his weapons for the sake of peace, and who then became the President of South Africa and a Nobel Peace Prize-winner, and realise that they can continue his legacy in the world today. Seen through a child's perspective, and authored jointly by Nelson Mandela's great-grandchildren and daughter, this amazing story is told as never before to celebrate what would have been Nelson's Mandela 100th birthday.*

*This volume contains papers from the third symposium held by the University of Tel Aviv, Israel, and the Ruhr University, Bochum, Germany, with the aim of furthering dialogue between Jewish and Christian biblical scholars. The papers examine the ways in which political issues and events are reflected in the Bible and in the postbiblical literature, the term 'theopolitics' expressing the conviction of both communities that the politics of human life have always been and continue to be subject to the rule and providence of God. The hope of the symposium is that through examination of the ways in which Jews and Christians have reflected upon political and ethical theories there may arise new possibilities for better mutual understanding.*

*"Melville at his best invariably wrote from a sort of dream self, so that events which he relates as actual fact have indeed a far deeper reference to his own soul, his own inner life." - D.H. Lawrence.*

*Here are ten stories that represent some of the best short work of American master Herman Melville, including "Bartleby, the Scrivener: A Story of Wall-Street," "The Happy Failure," and "The Paradise of Bachelors and The Tartarus of Maids." Alongside THE HAPPY FAILURE, Harper Perennial will publish the short fiction of Fyodor Dostoevsky, Leo Tolstoy, Willa Cather, Stephen Crane, and Oscar Wilde to be packaged in a beautifully designed, boldly colorful boxset in the aim to attract contemporary fans of short fiction to these revered masters of the form. Also, in each of these selections will appear a story from one of the new collections being published in the "Summer of the Short Story." A story from Alex Burrett's forthcoming collection, MY GOAT ATE ITS OWN LEGS, will be printed at the back of this volume.*

*This book is a fictional work of mine, it depicts five college students. focusing around the life of Zyle Xavier and his friends. Zyle tries to deal with life while also quitting school to start writing. the characters find themselves in not exactly "average" situations. But the story is still relateable to almost anyone. Please read my first novel, and hopefully you find it an enjoyable read.*
