

## May Sculas 1 El Arte De Aprender

*Authored by experts in the field, this brand-new reference presents a systematic approach to which flap or graft to use in which clinical situation and how to cut and move the skin. More than 350 full-color photographs and line drawings offer you step-by-step guidance and demonstrates reconstructive procedures, including cutting, positioning, and suturing of flaps and grafts. Includes numerous reconstructive options for each specific region of the face, and explains why one may be better than another in a given situation. Features several chapters on the use of flaps and grafts in facial reconstruction and describes the finer points of their design, execution, and application. Discusses complications and pitfalls and how to avoid them. Devotes an entire chapter to facial anatomy with an emphasis on practical landmarks and danger areas. Uses a consistent format throughout for ease of reference.*

New York magazine was born in 1968 after a run as an insert of the New York Herald Tribune and quickly made a place for itself as the trusted resource for readers across the country. With award-winning writing and photography covering everything from politics and food to theater and fashion, the magazine's consistent mission has been to reflect back to its audience the energy and excitement of the city itself, while celebrating New York as both a place and an idea.
