In *Kissed by an Angel*, a young angel named Ken wants to earn his wings, but the Archangel Gabriel tells him that in order to do so he must go down to earth on a mission for the Master. Once there, he learns that in order to earn his wings and get back to Heaven, he must be born into a family of his choosing. Once he has been born into his chosen family, he must live a life of service to his fellow human beings. He chooses a couple who are hiding from the Family in Ohio to be his birth parents. He lives his life and grows to adulthood within his family. Upon finishing his education he travels and falls in love with a woman who is a hit-woman for the Family. This is the same Family from whom his mother and father were hiding. Between the struggle of service to humankind and his love for this woman he finds his true calling.

This debut ghostly romance, set at a sinister boarding school, is “spooky, sexy, strange, and shocking,” says Printz and National Book Award finalist E. Lockhart. When Liv Bloom lands an art scholarship at Wickham Hall, she’s thrilled. The school’s traditions and rituals may be a little strange, but for the first time ever she has her own studio, supplies—everything she could want. Including Malcolm Astor, a legacy student with his own art obsession. Liv’s defenses melt, despite warnings from fellow scholarship kid Gabe Nichols not to get involved with Malcom. But her bliss is doomed; weeks after arriving, Liv is viciously murdered. Gabe, the only one who can see her, is now her sole link to the world of the living. Together, Liv, Gabe, and Malcolm fight to expose the terrible truth that haunts the halls of Wickham.

All your questions are answered in the fifth book in James Dashner’s #1 New York Times bestselling Maze Runner series. The story that fans all over the world have been waiting for — the story of how Thomas and WICKED built the Maze — is finally here. You do not want to miss it. Once there was a world’s end. The forests burned, the lakes and rivers dried up, and the oceans swelled. Then came a plague, and fever spread across the globe. Families died, violence reigned, and man killed man. Next came WICKED, who were looking for an answer. And then they found the perfect boy. The boy’s name was Thomas, and Thomas built a maze. Now there are secrets. There are lies. And there are loyalties history could never have foreseen. This is the story of that boy, Thomas, and how he built a maze that only he could tear down. All will be revealed. A prequel to the worldwide Maze Runner phenomenon, The Fever Code is the

book that holds all the answers. How did WICKED find the Gladers? Who are Group B? And what side are Thomas and Teresa really on? Lies will be exposed. Secrets will be uncovered. Loyalties will be proven. Fans will never see the truth coming. Before there was the Maze, there was The Fever Code. Don't miss The Maze Runner, Maze Runner: The Scorch Trials, and Maze Runner: The Death Cure all now major motion pictures from Twentieth Century Fox, starring Dylan O'Brien, Kaya Scodelario, Thomas Brodie-Sangster, Rosa Salazar, Giancarlo Esposito, and Aidan Gillen. A Maze Runner Novella

Ben Archer and the Cosmic Fall (The Alien Skill Series, Book 1)

The Lost Adventures by Douglas Adams

In the first comprehensive study of election law since the Supreme Court decided *Bush v. Gore*, Richard L. Hasen rethinks the Court’s role in regulating elections. Drawing on the case files of the Warren, Burger, and Rehnquist courts, Hasen roots the Court’s intervention in political process cases to the landmark 1962 case, *Baker v. Carr*. The case opened the courts to a variety of election law disputes, to the point that the courts now control and direct major aspects of the American electoral process. The Supreme Court does have a crucial role to play in protecting a socially constructed “core” of political equality principles, contends Hasen, but it should leave contested questions of political equality to the political process itself. Under this standard, many of the Court’s most important election law cases from *Baker* to *Bush* have been wrongly decided. Susan, Esther, and Daisy started at university three weeks ago and became fast friends. Now, away from home for the first time, all three want to reinvent themselves. But in the face of hand-wringing boys, "personal experimentation," holiday balls, n

“In his masterly reworking of this powerful myth, Hillerman creates a kachina for contemporary times. . . . No wonder Hillerman’s stories never grow old. Like myths, they keep evolving with the telling.”— New York Times Book Review From the enduring "national and literary cultural sensation" (Los Angeles Times) Tony Hillerman, a crackling tale of myth, mystery, and murder featuring the legendary Leaphorn and Chee. Though he may be retired, Navajo Tribal Police Lieutenant Joe Leaphorn hasn’t lost his curiosity or his edge. He’s eager to help Sergeant Jim Chee and his fiancée Bernie Manuelito with their latest case—clearing an innocent kid accused of robbing a trading post. Billy Tuve claims he received the precious diamond from a strange old man in the canyon. Could it be one of the gems that went missing in an epic plane crash decades earlier? Now that it may have resurfaced, it’s attracted dangerous strangers to the Navajo lands. Proving Billy’s innocence won’t be easy. Leaphorn, Chee, and Manuelito must find the remains of a passenger who died in the crash—one of 172 lost souls whose remains were scattered across the magnificent tiered cliffs of the Grand Canyon.

But nature may prove their deadliest adversary. To find the proof they need, the detectives must battle a thunderous monsoon and a killer as they plunge deeper into the dark realm of the Hopi Lord of Death—the guardian of the underworld known as Skeleton Man.

The Trials are over. WICKED have collected all the information they can. Now it's up to the Gladers to complete the blueprint for the cure to the Flare with a final voluntary test. But something has happened that no-one at WICKED has foreseen: Thomas has remembered more than they think. And he knows WICKED can't be trusted ... The time for lies is over. But the truth is more dangerous than anyone could have imagined. With the Gladers divided, can they all make it?

Paris, today: The Museum of Broken Promises is a place of hope and loss. Every object in the museum has been donated - a cake tin, a wedding veil, a baby's shoe. And each represents a moment of grief or terrible betrayal. Laure, the owner and curator, has also hidden artefacts from her own painful youth amongst the objects on display. 1985: Recovering from the sudden death of her father, Laure flees to Prague. But she cannot begin to comprehend the dark political currents in this communist city - until she meets a young dissident musician. Her love for him, however, will have terrible and unforeseen consequences. It is only years later, having created the museum, that Laure can finally face up to her past and celebrate the passionate love which has directed her life.

When sun flares hit the Earth, intense heat, toxic radiation and flooding followed, wiping out much of the human race. Those who survived live in basic communities in the mountains, hunting for food. For Mark and his friends, surviving is difficult, and then an enemy arrives, infecting people with a highly contagious virus.

Thousands die, and the virus is spreading. Worse, it's mutating, and people are going crazy. It's up to Mark and his friends to find the enemy - and a cure - before the Flare infects them all ...

Sixteen-year-old Thomas wakes up with no memory in the middle of a maze and realizes he must work with the community in which he finds himself if he is to escape.

Presenting themselves to the world as an effortlessly excellent family, successful criminal lawyer Karen, her Parliament candidate husband and her intelligent athlete son, Max, find their world crumbling in the wake of a friend's betrayal and the secret about Max's intersexual identity.

Maze Runner - La rivelazione

Thomas sa che non può fidarsi della c.a.t.t.i.v.o., nonostante le menti oscure dell'organizzazione dicano che il tempo delle menzogne sia finito e che le Prove a cui i Radurai sono stati costretti siano terminate. Alla c.a.t.t.i.v.o. ora sostengono di aver raccolto tutti i dati di cui avevano bisogno, ma di dover fare ancora affidamento sui Radurai e i cui ricordi sono stati ripristinati per un'ultima missione: tocca a Thomas e agli altri trovare una cura per l'Eruzione, un morbo spietato che conduce alla follia. Ma succede qualcosa che neanche alla c.a.t.t.i.v.o. potevano prevedere: i ricordi di Thomas si spingono molto più lontano di quanto possano anche solo sospettare, fino alla verità, e il ragazzo sa che non può credere a una sola parola di quello che dicono. Sì, il tempo delle menzogne è finito, ma la verità è ancora più pericolosa della menzogna, e Thomas deve fare molta attenzione, se vuole sopravvivere.

From the unique mind of Douglas Adams, legendary author of *The Hitchhiker's Guide to the Galaxy*, comes *Shada*, a story scripted for the television series *Doctor Who* but never produced—and now transformed into an original novel. A little knowledge is a dangerous thing. Imagine how dangerous a LOT of knowledge is... The Doctor's old friend and fellow Time Lord, Professor Chronotis, has retired to Cambridge University, where among the other doddering old professors nobody will notice if he lives for centuries. He took with him a few little souvenirs—harmless things really. But among them, carelessly, he took *The Worshipful and Ancient Law of Gallifrey*. Even more carelessly, he has loaned this immensely powerful book to clueless graduate student Chris Parsons, who intends to use it to impress girls. *The Worshipful and Ancient Law* is among the most dangerous artifacts in the universe; it cannot be allowed to fall into the wrong hands. The hands of the sinister Skagra are unquestionably the wrongest ones possible. Skagra is a sadist and an egomaniac bent on universal domination. Having misguessed the state of fashion on Earth, he also wears terrible platform shoes. He is on his way to Cambridge. He wants the book. And he wants the Doctor...

The film adaptation of Dashner's third installment of his #1 "New York Times"-bestselling *Maze Runner* series hits theaters on January 26. This special tie-in edition features an eight-page full-color insert with photos from the film. Set in New York's Russian émigré community, *Vaclav & Lena* is a timeless love story from a stunningly gifted young novelist. Vaclav and Lena, both the children of Russian émigrés, are at the same time from radically different worlds. While Vaclav's burgeoning love of performing magic is indulged by hard-working parents pursuing the American dream, troubled orphan Lena is caught in a domestic situation no child should suffer through. Taken in as one of her own by Vaclav's big-hearted mother, Lena might finally be able to blossom; in the naive young magician's eyes, she is destined to be his "faithful assistant"...but after a horrific discovery, the two are ripped apart without even a goodbye. Years later, they meet again. But will their past once more conspire to keep them apart?

THE OFFICIAL TIE-IN TO THE LATEST INSTALLMENT OF ONE OF THE MOST POPULAR AND SUCCESSFUL GAME FRANCHISES EVER - MASS EFFECT Titan Books will work closely with acclaimed video game developer BioWare to publish three brand new novels set in the universe of MASS EFFECT(TM): ANDROMEDA. The action will weave directly into the new game, chronicling storylines developed in close collaboration with the BioWare game team. The action takes place concurrently with the adventure of the game itself, setting up the story and events of the game adding depth and detail to the canonical MASS EFFECT saga.

From the award-winning author of *The Feral Detective* and *Motherless Brooklyn* comes an utterly original post-collapse yarn about two siblings, the man that came between them, and a nuclear-powered super car. *The Arrest* isn't post-apocalypse. It isn't a dystopia. It isn't a utopia. It's just what happens when much of what we take for granted—cars, guns, computers, and airplanes, for starters—quits working. . . . Before the Arrest, Sandy Duplessis had a reasonably good life as a screenwriter in L.A. An old college friend and writing partner, the charismatic and malicious Peter Todbaum, had become one of the most powerful men in Hollywood. That didn't hurt. Now, post-Arrest, nothing is what it was. Sandy, who calls himself Journeyman, has landed in rural Maine. There he assists the butcher and delivers the food grown by his sister, Maddy, at her organic farm. But then Todbaum shows up in an extraordinary vehicle: a retrofitted tunnel-digger powered by a nuclear reactor. Todbaum has spent the Arrest smashing his way across a fragmented and phantasmagorical United States, trailing enmities all the way. Plopping back into the siblings' life with his usual odious panache, his motives are entirely unclear. Can it be that Todbaum wants to produce one more extravaganza? Whatever he's up to, it may fall to Journeyman to stop him. Written with unrepentant joy and shot through with just the right amount of contemporary dread, *The Arrest* is speculative fiction at its absolute finest.

Every story has a dark side, and this story belongs to Cam, the brooding, bad-boy dark angel FALLEN readers love. High school can be hell. Cam knows what it's like to be haunted. He's spent more time in Hell than any angel ever should. And his freshest Hell is high school, where Lilith, the girl he can't stop loving, is serving out a punishment for his crimes. Cam made a bet with Lucifer: he has fifteen days to convince the only girl who really matters to him to love him again. If he succeeds, Lilith will be allowed back into the world, and they can live their lives together. But if he fails . . . there's a special place in Hell just for him. Tick-tock. Spread your wings and cry as bad boy dark angel Cam finally reveals his

anguished heart in the epic FALLEN novel, UNFORGIVEN.

When the doors of the lift crank open, the only thing Thomas remembers is his first name. But he's not alone. He's surrounded by boys who welcome him to the Glade - a walled encampment at the centre of a bizarre and terrible stone maze. Like Thomas, the Gladers don't know why or how they came to be there / or what's happened to the world outside. All they know is that every morning when the walls slide back, they will risk everything / even the Grievers, half-machine, half-animal horror that patrol its corridors, to try and find out.

"A stunning follow-up to the best-seller Angelology. . . Part historical novel, fantasy, love story and mystery. . . It's a must-read." —Booklist (starred review) A New York Times bestseller and sensation, Angelology unfurled a brilliant tapestry of myth and biblical lore on our present-day and plunged two star-crossed heroes into an ancient battle against mankind's greatest enemy: fatally attractive angel-human hybrids known as the Nephilim. With Angelopolis, the conflict dived into an inferno of danger and passion unbound. A decade has passed since Verlaine saw Evangeline alight from the Brooklyn Bridge, the sight of her new wings a betrayal that haunts him still. Now an angel hunter for the Society of Angelology, he pursues his mission with single-minded devotion: capture, imprison, and eliminate her kind. But when Evangeline suddenly appears on a twilit Parisian street, Verlaine finds her nature to be unlike any of the other creatures he so mercilessly pursued, casting him into a spiral of doubt and confusion that only grows when she is abducted before him by a creature who has topped the society's most-wanted list for more than a century. The ensuing chase drives Verlaine and his fellow angelologists from the shadows of the Eiffel Tower to the palaces of Petersburg and deep into the provinces of Siberia and the Black Sea coast, where the truth of Evangeline's origins—as well as forces that could restore or annihilate them all—lie in wait. Combining against an astonishing fresh tableau of history and science, Angelopolis plumbs Russia's imperious modern genetics, and ancient depictions of that most potent angelic appearance—the Annunciation of Gabriel—in a high-octane tale of abduction, treasure seeking, and divine warfare as the fate of the world once again hangs in the balance.

Stories of sword and sorcery by a Grand Master of Science Fiction and Fantasy! In Swords and Ice Magic, Fafhrd and Gray Mouser discover how the sadness of the Executioner creates a macabre dance from the point of view of the choreographer. Beauties and beasts explain the dual nature of all life's creatures. Trapped in the Shadowland, our dogmatic duo finds the dualities of swords and needles, maps and territories, girls and demons, mortals and gods, learning of the mischievous vanity of the gods. Lost at sea, Gray Mouser becomes a natural philosopher, drifting, captive of the Great Equatorial Current. He wonders about fire and ice, about women and men, until they arrive at Rime Isle, a tragic comedy of a place, wandering gods and restless mortals, a comedy with puppets and puppet masters. Before The Lord of the Rings took the world by storm, Leiber's fantastic but thoroughly flawed antiheroes, Fafhrd and Gray Mouser, adventured deep within the caves of Inner Earth, albeit a different one. They wondered and wandered to the edges of the Outer Sea, across the Land of Nehwon and throughout every nook and cranny of gothic Lankhmar, Nehwon's

grandest and most mystically corrupt city. Lankhmar is Leiber's fully realized, vivid incarnation of urban decay and civilization's corroding effect on the human psyche. From James Dashner, author of the #1 New York Times bestselling MAZE RUNNER series, comes the final book in the Mortality Doctrine series, an edge-of-your-seat cyber-adventure trilogy that includes *The Eye of Minds* and *The Rule of Thoughts*. Includes a sneak peek of *The Fever Code*, the highly anticipated conclusion to the Maze Runner series—the novel that finally reveals how the Maze was built! Finding Audrey

Book four in the New York Times bestselling series The 100. Now a hit TV show on the CW! It's been a month since the new dropships landed and the rest of the Colonists joined the hundred on the ground. The teens, once branded juvenile delinquents, are now leaders among their people. It should be a time for celebration and togetherness, but a new threat appears before long: a fanatical cult determined to grow its ranks and "heal" the war-ravaged planet...by eliminating everyone else on it. After scores of their friends are captured, CLARKE sets off to retrieve them, certain that she can come to an understanding with these strangers. BELLAMY has a different plan; he won't let anything--or anyone--get in the way of saving the people he loves. Meanwhile, in captivity and scared for their lives, GLASS falls under the spell of the cult's magnetic message, and WELLS has to learn how to lead again. Unless the rescue party arrives soon, the teen captives will face a fate more terrifying than anything they could imagine. If the hundred ever want to call this dangerous planet home, they'll need to put aside their differences and fight to protect themselves and their world.

Un mondo immaginario. Personaggi fantastici. Una lingua inventata. Un pubblico reale, ampio e internazionale. Nata come adattamento televisivo del ciclo di romanzi Cronache del ghiaccio e del fuoco di George R.R. Martin, la serie Game of Thrones (Il trono di spade) in otto stagioni ha conquistato pubblici diversi e lontani, registrando ascolti record e generando un fandom straordinariamente attivo. La serie, che detiene il primato di programma televisivo più piratato al mondo, ha vinto 59 Premi Emmy su 160 nomination totali. Ma soprattutto, Game of Thrones ha di fatto cambiato il modo di narrare le storie in TV, proponendo una nuova percezione del genere fantasy, da tanti ancora considerato di nicchia. Fenomeno letterario e televisivo, di fandom e di costume, la serie viene per la prima volta indagata e illustrata in una guida non ufficiale, che esplora nei dettagli e da più punti di vista il suo universo, le figure che lo abitano, gli intrighi politici, economici e religiosi, le dinamiche sociali. Il manuale completo per immergersi nei vari regni, scoprire i loro segreti e rivedere con occhi nuovi tutte le stagioni della mitica serie.
