Combines motivating stories with research-based instruction that helps students improve their reading and social studies skills as they discover the past. Every lesson of the textbook is keyed to California content standards and analysis skills.

James Loewen has revised Teaching What Really Happened, the bestselling, go-to resource for social studies and history teachers wishing to break away from standard textbook retelling of the past. In addition to updating the scholarship and anecdotes throughout, the second edition features a timely new chapter entitled "Truth" that addresses how traditional and social media can distort current events and historical record. Helping students understand what really happened in the past will empower them to use history as a tool to argue for better policies in the present. Our society needs engaged citizens now more than ever,

"A basic discussion about the history of the Louisiana Purchase, and how the United States expanded their lands by buying the Louisiana Territory from France"--Provided by publisher.

The Columbian Orator, an instruction book on public speaking and a collection of political dialogues, essays, and speeches, was first published in 1797. It was used as a textbook in many classrooms in the United States and became the influence for abolitionist Frederick Douglass. Its popularity continued into the 20th century for its demonstration of the power of speech and its importance to the human rights movement. CALEB BINGHAM (1757-1817) was a textbook author, publisher, and bookseller in Boston, Massachusetts. Born in Salisbury, Connecticut, he was educated and taught at Dartmouth College. His most famous works were on public speaking, including the well-known The Columbian

J. M. Adovasio has spent the last thirty years at the center of one of our most fiery scientific debates: Who were the first humans in the Americas, and how and when did they get there? At its heart, The First Americans is the story of the revolution in thinking that Adovasio and his fellow archaeologists have brought about, and the firestorm it has ignited. As he writes, "The work of lifetimes has been put at risk, reputations have
