

Mengele The Complete Story Gerald Posner

A deep dive into James Earl Ray's role in the national tragedy:

“Superb . . . a model of investigation . . . as gripping as a first-class detective story” (The New York Times). On April 4, 1968, Martin Luther King Jr. was killed in Memphis, Tennessee, by a single assassin's bullet. A career criminal named James Earl Ray was seen fleeing from a rooming house that overlooked the hotel balcony from where King was cut down. An international manhunt ended two months later with Ray's capture. Though Ray initially pled guilty, he quickly recanted and for the rest of

Online Library Mengele The Complete Story Gerald Posner

his life insisted he was an unwitting pawn in a grand conspiracy. In *Killing the Dream*, expert investigative reporter Gerald Posner reexamines Ray and the evidence, even tracking down the mystery man Ray claimed was the conspiracy's mastermind.

Beginning with an authoritative biography of Ray's life, and continuing with a gripping account of the assassination and its aftermath, Posner cuts through phony witnesses, false claims, and a web of misinformation surrounding that tragic spring day in 1968. He puts Ray's conspiracy theory to rest and ultimately manages to disclose what really happened the day King was

Online Library Mengele The Complete Story Gerald Posner

murdered.

In this first volume of his two-volume autobiography, Wiesel takes us from his childhood memories of a traditional and loving Jewish family in the Romanian village of Sighet through the horrors of Auschwitz and Buchenwald and the years of spiritual struggle, to his emergence as a witness for the Holocaust's martyrs and survivors and for the State of Israel, and as a spokesman for humanity. With 16 pages of black-and-white photographs. "From the abyss of the death camps Wiesel has come as a messenger to mankind--not with a message of hate and revenge, but with one of brotherhood and atonement."

wishing to understand the nature of evil can do no better than look within the pages of this book. When Hitler's 'thousand-year Reich' collapsed after twelve years of increasing repression, how were those responsible to be punished? Hitler, Himmler and Goebbels took their own lives to evade justice, but that still left Hermann Goering, Albert Speer, Hitler's one-time Deputy Fuhrer Rudolf Hess and many other prominent Nazis to be brought before the Allied courts. This is the story of the Nuremberg Trials - the most important criminal hearings ever held, which established the principle that individuals will always be held responsible for their actions under

Online Library Mengele The Complete Story Gerald Posner

international law, and which brought closure to World War II, allowing the reconstruction of Europe to begin.

How Perón Brought the Nazi War
Criminals to Argentina

A Blood-Dimmed Tide

The fascinating story of eight children of Third Reich leaders, and their journey from descendants of heroes to descendants of criminals. In 1940, the German sons and daughters of infamous

Online Library Mengele The Complete Story Gerald Posner

Nazi dignitaries Himmler, Göring, Hess, Frank, Bormann, Speer, and Mengele were children of privilege at four, five, or ten years old, surrounded by affectionate, all-powerful parents. Although innocent and unaware of what was happening at the time, they eventually discovered the extent of their father's occupations: These men—their fathers who were capable of loving their children and receiving love in return—were leaders of the Third Reich, and would later be convicted as

Online Library Mengele The Complete Story Gerald Posner

monstrous war criminals. For these children, the German defeat was an earth-shattering source of family rupture, the end of opulence, and the jarring discovery of Hitler's atrocities. How did the offspring of these leaders deal with the aftermath of the war and the skeletons that would haunt them forever? Some chose to disown their past. Others did not. Some condemned their fathers; others worshiped them unconditionally to the end. In this enlightening book, Tania Crasnianski examines the responsibility

Online Library Mengele The
Complete Story Gerald Posner

of eight descendants of Nazi notables, caught somewhere between stigmatization, worship, and amnesia. By tracing the unique experiences of these children, she probes at the relationship between them and their fathers and examines the idea of how responsibility for the fault is continually borne by the descendants. "How does one live with the burden of evil ancestry? There is no user's manual. The children of high-ranking Nazis coped in remarkably varied ways. Tania Crasnianski has

Societies in History *The Joe Louis Story*

Based on exclusive and unrestricted access to more than 5,000 pages of personal writings and family photos, this definitive biography of German physician and SS-Hauptsturmführer Josef Mengele (1911-1979) probes the personality and motivations of Auschwitz's "Angel of Death." From May 1943 through January 1945, Mengele selected who would be gassed immediately, who would be worked to death, and who would serve as involuntary guinea pigs for his spurious and ghastly human experiments (twins were Mengele's particular obsession). With authority and insight, Mengele examines the entire life of the world's most infamous doctor.

Online Library Mengele The Complete Story Gerald Posner

*A searching meditation on our all-too-human capacity for inhumanity, **Evil Men** confronts atrocity head-on—how it looks and feels, what motivates it, how it can be stopped. James Dawes's unflinchingly honest account, drawing on firsthand interviews, is not just about the things Japanese war criminals did, but about what it means to befriend them.*

The definitive account of one of World War II's bloodiest campaigns—the five-month battle between American and German forces in the Huertgen Forest—told through the words of the men who were there. From the preface: “In the course of research and interviews while writing a series of books on World War II, I became increasingly aware of the campaign for the Huertgen Forest. While survivors of other battles sometimes criticized

Online Library Mengele The Complete Story Gerald Posner

the strategy and the orders they were given, there was a depth of anger about the Huertgen that surpassed anything I had encountered elsewhere. The unhappiness with what occurred and the absence of much objective coverage in the memoirs of those in the top command slots convinced me to produce this history. As I have reiterated in all of my books, which rely heavily on oral or eyewitness reports, there are always the dangers of flawed memory, limited vantage points, and the possibility of self-interest in such accounts. But the almost universal condemnation of their superiors' critical decisions by individuals who were under fire in that 'green hell' offers a cautionary note on the accuracy and the truths of histories that draw from the official documents and the personal papers of the likes of

Online Library Mengele The Complete Story Gerald Posner

Dwight Eisenhower, Omar Bradley, Courtney Hodges (who apparently left little in the way of records), J. Lawton Collins and others in similar positions. . . . Each new war differs from that of the past, but to ignore what happened in the Huertgen enhances the possibilities for another bitter victory, if not a defeat.”

Gerald Astor, author of The Mighty Eighth, draws on the raw, first-hand accounts of marines, sailors, soldiers, and airmen under fire to recount the dramatic and gripping story of the last major battle of World War II. “[Astor] is a master... This is oral history at its best—direct, illuminating, capturing sights and sounds and feelings and actions that never make it into official reports or more formal military histories... I recommend this book without hesitation or

Online Library Mengele The Complete Story Gerald Posner

reservation.”—Stephen E. Ambrose On the sea the Japanese rained down a deadly hail of kamikazes. On land the entrenched defenders had nowhere to retreat, and the US Army and Marines had nowhere to go but onward, into the thick of some of the of the most bloody close-quarters fighting in World War II. This was Okinawa, the savage pitched battle waged just months before the US nuclear bombing of Hiroshima. Operation Iceberg, as it was known, saw the fiercest attack of kamikazes in the entire Pacific Theater of War. And here Gerald Astor lets the soldiers tell their stories firsthand: of flame-thrower attacks and hand-to-hand confrontations, of atrocities, deadly ambushes and brutal hilltop sieges that left entire companies decimated. Operation Iceberg is the raw, hard-edged account of war at its

Josef Mengele Angel of Death: A Biography of Nazi Evil Better known

Online Library Mengele The Complete Story Gerald Posner

as the Angel of Death today Dr. Josef Mengele is best remembered for the series of grisly experiments and murders he carried out during the Holocaust. Born in 1911 to a wealthy family in Ulm in southern Germany the young Josef Mengele studied both medicine and philosophy at university, whilst there he became particularly interested in the field of eugenics. The science of eugenics was at the peak of its popularity during the early decades of the twentieth century. Mengeles interest in eugenics was developed further when, as a young practitioner, came under the guidance of Dr. von Verschuer, a prominent German eugenicist. During the following

Online Library Mengele The Complete Story Gerald Posner

chapters, we shall look at how Germanys turbulent, racist and anti-Semitic society, which was particularly virulent in the post World War I Weimar Republic period, shaped the views of the young Josef Mengele. This ultimately led to him joining the Nazi party, an organization that held similar views to Mengele on the subject of eugenics. The Nazi party would also allow him free reign to conduct his ghastly experiments. This Josef Mengele biography details the life and crimes of the Angel of Death

An in-depth analysis of Ross Perot discusses his rise to power and fortune, his 1992 presidential bid, his creation of a third political party

Online Library Mengele The Complete Story Gerald Posner

in the U.S., and its implications for the American political process. 100,000 first printing. Tour. Here, in all its neon-colored, cocaine-fueled glory, is the never-before-told story of the making of Miami Beach. Gerald Posner, author of the groundbreaking investigations *Case Closed* and *Why America Slept*, has uncovered the hair-raising political-financial-criminal history of the Beach and reveals a tale that, in the words of one character, "makes *Scarface* look like a documentary." From its beginnings in the 1890s, the Beach has been a place made by visionaries and hustlers. During Prohibition, Al Capone had to muscle into its bootlegging and

Online Library Mengele The Complete Story Gerald Posner

gambling businesses. After December 1941, when the Beach was the training ground for half a million army recruits, even the war couldn't stop the party. After a short postwar boom, the city's luck gave out. The big hotels went bankrupt, the crime rate rose, and the tourists moved on to Disney World and the Caribbean. Even after the Beach hosted both national political conventions in 1972, nobody would have imagined that this sandy backwater of run-down hotels and high crime would soon become one of the country's most important cultural centers. But in 1981, 125,000 Cubans arrived by the boatload. The empty streets of South Beach, lined with dilapidated

Online Library Mengele The Complete Story Gerald Posner

Art Deco hotels, were about to be changed irrevocably by the culture of money that moved in behind cocaine and crime. Posner takes us inside the intertwined lives of politicians, financiers, nightclub owners, and real estate developers who have fed the Beach's unquenchable desire for wealth, flash, and hype: the German playboy who bought the entire tip of South Beach with \$100 million of questionable money; the mayoral candidate who said, "If you can't take their money, drink their liquor, mess with their women, and then vote against them, you aren't cut out for politics"; the Staten Island thug who became king of the South Beach nightclubs only to have his

Online Library Mengele The Complete Story Gerald Posner

empire unravel and saved himself by testifying against the mob; the campaign manager who calls himself the "Prince of Darkness" and got immunity from prosecution in a fraud case by cooperating with the FBI against his colleagues; and the former Washington, D.C., developer who played hardball with city hall and became the Beach's first black hotel owner. From the mid-level coke dealers and their suitcases of cash to the questionable billions that financed the ocean-view condo towers, the Beach has seen it all. Posner's singular report tells the real story of how this small urban beach community was transformed into a world-class headquarters for

Online Library Mengele The Complete Story Gerald Posner

American culture within a generation. It is a story built by dreamers and schemers. And a steroid-injected cautionary tale.

Josef Mengele: Angel of Death

A deeply reported, New York Times

Online Library Mengele The Complete Story Gerald Posner

bestselling exposé of the money and the clerics-turned-financiers at the heart of the Vatican—the world's biggest, most powerful religious institution—from an acclaimed journalist with “exhaustive research techniques” (The New York Times). From a master chronicler of legal and financial misconduct, a magnificent investigation nine years in the making, God's Bankers traces the political intrigue of the Catholic Church in “a meticulous work that cracks wide open the Vatican's legendary, enabling secrecy” (Kirkus Reviews). Decidedly not about faith, belief in God, or religious doctrine, this book is about the church's accumulation of wealth and its byzantine financial

Online Library Mengele The Complete Story Gerald Posner

entanglements across the world. Told through 200 years of prelates, bishops, cardinals, and the Popes who oversee it all, Gerald Posner uncovers an eyebrow-raising account of money and power in one of the world's most influential organizations. God's Bankers has it all: a revelatory and astounding saga marked by poisoned business titans, murdered prosecutors, and mysterious deaths written off as suicides; a carnival of characters from Popes and cardinals, financiers and mobsters, kings and prime ministers; and a set of moral and political circumstances that clarify not only the church's aims and ambitions, but reflect the larger tensions of more recent history. And

Online Library Mengele The Complete Story Gerald Posner

Posner even looks to the future to surmise if Pope Francis can succeed where all his predecessors failed: to overcome the resistance to change in the Vatican's Machiavellian inner court and to rein in the excesses of its seemingly uncontrollable financial quagmire. "As exciting as a mystery thriller" (Providence Journal), this book reveals with extraordinary precision how the Vatican has evolved from a foundation of faith to a corporation of extreme wealth and power. In 1959, twenty-nine-year-old Berry Gordy, who had already given up on his dream to be a champion boxer, borrowed eight hundred dollars from his family and started a record company. A run-down bungalow

Online Library Mengele The Complete Story Gerald Posner

sandwiched between a funeral home and a beauty shop in a poor Detroit neighborhood served as his headquarters. The building's entrance was adorned with a large sign that improbably boasted "Hitsville U.S.A." The kitchen served as the control room, the garage became the two-track studio, the living room was reserved for bookkeeping, and sales were handled in the dining room. Soon word spread that any youngster with a streak of talent should visit the only record label that Detroit had seen in years. The company's name was Motown. Motown cuts through decades of unsubstantiated rumors and speculation to tell the true behind-the-scenes narrative of

Online Library Mengele The Complete Story Gerald Posner

America's most exciting musical dynasty. It follows the company and its amazing roster of stars from the tumultuous growth years in Detroit, to the drama and intrigue of Hollywood in the 1970s, to resurgence in 2002. Set against the civil rights movement, the decay of America's northern industrial cities, and the social upheaval of the 1960s, Motown is a tale of the incredible entrepreneurship of Berry Gordy. But it also features the moving stories of kids from Detroit's inner-city projects who achieved remarkable success and then, in many cases, found themselves fighting the demons that so often come with stardom—drugs, jealousy, sexual indulgence, greed,

Online Library Mengele The Complete Story Gerald Posner

and uncontrollable ambition. Motown features an extraordinary cast of characters, including Diana Ross, Michael Jackson, Marvin Gaye, Smokey Robinson, and Stevie Wonder. They are presented as they lived and worked: a clan of friends, lovers, competitors, and sometimes vicious foes. Motown reveals how the hopes and dreams of each affected the lives of the others and illustrates why this singular story is a made-in-America Greek tragedy, the rise and fall of a supremely talented yet completely dysfunctional extended family. Based on numerous original interviews and extensive documentation, Motown benefits particularly from the thousands of

Online Library Mengerle The Complete Story Gerald Posner

pages of files crammed into the basement of downtown Detroit's Wayne County Courthouse. Those court records provide the unofficial—and hitherto largely untold—history of Motown and its stars, since almost every relationship between departing singers, songwriters, producers, and the label ended up in litigation. From its peaks in the late 1960s and early 1970s, when Motown controlled the pop charts and its stars were sought after even by the Beatles, through the inexorable slide caused by their failure to handle their stardom, Motown is a riveting and troubling look inside a music label that provided the unofficial soundtrack to an entire

Online Library Mengele The Complete Story Gerald Posner

generation.

Pulitzer Prize Finalist: “By far the most lucid and compelling account . . . of what probably did happen in Dallas—and what almost certainly did not.” —The New York Times Book Review

The Kennedy assassination has reverberated for five decades, with tales of secret plots, multiple killers, and government cabals often overshadowing the event itself. As Gerald Posner writes, “Fifty years after the assassination, the biggest casualty has been the truth.” In this first-ever digital edition of his classic work, updated with a special comment for the fiftieth anniversary, Posner lays to rest all of the convoluted conspiracy

Online Library Mengele The Complete Story Gerald Posner

theories—concerning the mafia, a second shooter, and the CIA—that have obscured over the decades what really happened in Dealey Plaza on November 22, 1963.

Drawing from official sources and dozens of interviews, and filled with powerful historical detail, Case Closed is a vivid and straightforward account that stands as one of the most authoritative books on the assassination of John F. Kennedy.

Mengele: Unmasking the "Angel of Death"

A true story of hope

Doctors from Hell

Kurt Schindler was an impossible man. His daughter Meriel spent her adult life trying to keep him at bay. Kurt had made extravagant claims about their family history. Were they really related to Franz Kafka and Oscar Schindler, of Schindler's List fame? Or Hitler's Jewish doctor - Dr Bloch? What really happened on Kristallnacht, the night that Nazis beat Kurt's father half to death and ransacked the family home? When Kurt died in 2017, Meriel

Online Library Mengele The
Complete Story Gerald Posner

felt compelled to resolve her mixed feelings about him, and to solve the mysteries he had left behind. Starting with photos and papers found in Kurt's isolated cottage, Meriel embarked on a journey of discovery taking her to Austria, Italy and the USA. She reconnected family members scattered by feuding and war. She pieced together an extraordinary story taking in two centuries, two world wars and a family business: the famous Cafe Schindler. Launched in 1922 as an antidote to the horrors of the First World War, this grand cafe became the whirling

Online Library Mengele The
Complete Story Gerald Posner

social centre of Innsbruck. And then the Nazis arrived.

Through the story of the Cafe Schindler and the threads that spool out from it, this moving book weaves together memoir, family history and an untold story of the Jews of the Austro-Hungarian Empire. It explores the restorative power of writing, and offers readers a profound reflection on memory, truth, trauma and the importance of cake.

The history of President Peron's conspiracy to protect Nazi war criminals: "a chilling, detailed story of one of Argentina's most shameful secrets" (Foreign Affairs). It

A Biography of Nazi Evil

The Failure to Prevent 9/11

He's been called "America's greatest living tailor" and "the most interesting man in the world." Now, for the first time, Holocaust-survivor Martin Greenfield tells his whole, incredible life story. Taken from his Czechoslovakian home at age

Online Library Mengele The Complete Story Gerald Posner

fifteen and transported to the Nazi concentration camp at Auschwitz with his family, Greenfield came face-to-face with "Angel of Death" Dr. Joseph Mengele and was divided forever from his parents, sisters, and baby brother. In haunting, powerful prose, Greenfield remembers his desperation and fear as a teenager alone in the death camp--and how an impulsive decision to steal an SS soldier's shirt dramatically altered the course of his life. He learned how to sew; and when he began wearing the shirt under his prisoner uniform, he learned that clothes possess great power and could even help save his life. Measure of a Man is the story of a man who suffered unimaginable horror and emerged

Online Library Mengele The Complete Story Gerald Posner

with a dream of success. From sweeping floors at a New York clothing factory to founding America's premier handmade suit company, Greenfield built a fashion empire. Now 86-years-old and working with his sons, Greenfield has dressed the famous and powerful of D.C. and Hollywood, including Presidents Dwight Eisenhower, Bill Clinton, and Barack Obama and celebrities Paul Newman, Martin Scorsese, Leonardo DiCaprio, and Jimmy Fallon. Written with soul-baring honesty and, at times, a wry sense of humor, *Measure of a Man* is a memoir unlike any other--one that will inspire hope and renew faith in the resilience of man.

Online Library Mengele The Complete Story Gerald Posner

A gripping biography of the infamous Nazi doctor, from a former Justice Department official tasked with uncovering his fate. Perhaps the most notorious war criminal of all time, Josef Mengele was the embodiment of bloodless efficiency and passionate devotion to a grotesque worldview. Aided by the role he has assumed in works of popular culture, Mengele has come to symbolize the Holocaust itself as well as the failure of justice that allowed countless Nazi murderers and their accomplices to escape justice. Whether as the demonic doctor who directed mass killings or the elusive fugitive who escaped capture, Mengele has loomed so large that even with conclusive

Online Library Mengele The Complete Story Gerald Posner

proof, many refused to believe that he had died. As chief of investigative research at the Justice Department's Office of Special Investigations in the 1980s, David G. Marwell worked on the Mengele case, interviewing his victims, visiting the scenes of his crimes, and ultimately holding his bones in his hands. Drawing on his own experience as well as new scholarship and sources, Marwell examines in scrupulous detail Mengele's life and career. He chronicles Mengele's university studies, which led to two PhDs and a promising career as a scientist; his wartime service both in frontline combat and at Auschwitz, where his "selections" sent innumerable

Online Library Mengele The Complete Story Gerald Posner

innocents to their deaths and his “scientific” pursuits—including his studies of twins and eye color—traumatized or killed countless more; and his postwar flight from Europe and refuge in South America. Mengele describes the international search for the Nazi doctor in 1985 that ended in a cemetery in Sao Paulo, Brazil, and the dogged forensic investigation that produced overwhelming evidence that Mengele had died—but failed to convince those who, arguably, most wanted him dead. This is the riveting story of science without limits, escape without freedom, and resolution without justice.

This is the story of how Nazi war

Online Library Mengele The Complete Story Gerald Posner

criminals escaped from justice at the end of the Second World War by fleeing through the Tyrolean Alps to Italian seaports, and the role played by the Red Cross, the Vatican, and the Secret Services of the major powers in smuggling them away from prosecution in Europe to a new life in South America. The Nazi sympathies held by groups and individuals within these organizations evolved into a successful assistance network for fugitive criminals, providing them not only with secret escape routes but hiding places for their loot. Gerald Steinacher skillfully traces the complex escape stories of some of the most prominent Nazi war criminals, including Adolf Eichmann,

Online Library Mengele The Complete Story Gerald Posner

showing how they mingled and blended with thousands of technically stateless or displaced persons, all flooding across the Alps to Italy and from there, to destinations abroad. The story of their escape shows clearly just how difficult the apprehending of war criminals can be. As Steinacher shows, all the major countries in the post-war world had 'mixed motives' for their actions, ranging from the shortage of trained intelligence personnel in the immediate aftermath of the war to the emerging East-West confrontation after 1947, which led to many former Nazis being recruited as agents turned in the Cold War.

Award-winning journalist and New

Online Library Mengele The Complete Story Gerald Posner

York Times bestselling author Gerald Posner reveals the heroes and villains of the trillion-dollar-a-year pharmaceutical industry and delivers “a withering and encyclopedic indictment of a drug industry that often seems to prioritize profits over patients (The New York Times Book Review).

Pharmaceutical breakthroughs such as antibiotics and vaccines rank among some of the greatest advancements in human history. Yet exorbitant prices for life-saving drugs, safety recalls affecting tens of millions of Americans, and soaring rates of addiction and overdose on prescription opioids have caused many to lose faith in drug companies. Now, Americans are

demanding a national reckoning with a monolithic industry. “Gerald’s dogged reporting, sets Pharma apart from all books on this subject” (The Washington Standard) as we are introduced to brilliant scientists, incorruptible government regulators, and brave whistleblowers facing off against company executives often blinded by greed. A business that profits from treating ills can create far deadlier problems than it cures. Addictive products are part of the industry’s DNA, from the days when corner drugstores sold morphine, heroin, and cocaine, to the past two decades of dangerously overprescribed opioids. Pharma also uncovers the real story of the Sacklers, the family that became

one of America's wealthiest from the success of OxyContin, their blockbuster narcotic painkiller at the center of the opioid crisis. Relying on thousands of pages of government and corporate archives, dozens of hours of interviews with insiders, and previously classified FBI files, Posner exposes the secrets of the Sacklers' rise to power—revelations that have long been buried under a byzantine web of interlocking companies with ever-changing names and hidden owners. The unexpected twists and turns of the Sackler family saga are told against the startling chronicle of a powerful industry that sits at the intersection of public health and profits.
