Kerrigan Belmond has everything I don't have. A name that opens doors, more money than god, an Oxford education, and rumors that she's caught the eye of Spencer Byrd, the heir to one of England's most powerful aristocratic families. I'm an orphan, running from a tragedy I can't face. Being mistaken for her is flattering until her father arrives at my door with an indecent proposal. His daughter has fled her perfect life, and he wants me to step into her shoes until she can be coaxed back to her pedestal. The arrangement is simple. For one year, I will be Kerrigan Belmond. The perfect daughter. The charming socialite. The ideal future wife. For one year, I will do anything she would do. And for one year, I will keep the attention of Spencer at all costs. I can't say no, but as soon as I meet Spencer and his brother I realize the mistake I've made. To the outside world, the Byrds are London society and Spencer is the golden boy groomed to become prime minister. Behind closed doors, his family is as twisted and tangled as the web I'm walking into. Spencer demands loyalty. He expects discretion. And he's ready to claim the woman he's been promised in every way. Keeping him happy means I might lose more than a year of my life, but I can't turn down the proposition. Not with what the Belmonds have promised me in return. They say everyone has a price. I know mine. Ten million pounds.

We don't belong together. I should have never seen him again after our first night together. But I crave him. I'm addicted to him. He is my dark pleasure. Mr. Black is Aiden. Aiden is Mr. Black. I'm supposed to be his. But then everything goes wrong. ... Praise for Charlotte Byrd "This series thrilled me from the first page and had me completely engrossed. The pacing and plot was excellent. A brilliant medieval action thriller perfect for fans of Bernard Cornwell, Matthew Harffy and Giles Kristian. It is 1347 and the French, after a crushing defeat at Crécy, are licking their wounds while their king raises a new army. Locked into a fruitless siege, the English are camped in the marshes around Calais. Among them is foot soldier and archer Martin Kemp, whose dreams of serving his king and reliving the chivalrous adventures of King Arthur's Knights of the Round Table are tempered by the gory and brutal reality of siege warfare. Having narrowly escaped death in a surprise attack from the French, Kemp sees a chance for a reprieve when a shaky truce is signed. But can there really be peace for a man like Kemp? Kemp: Passage at Arms is packed with authentic period detail and narrative verve, and cements Jonathan Lunn's reputation as one of the most entertaining historical thriller writers working today.

Interior decorator Zoe Ryan's life resembles a bad country song. Her boyfriend dumped her, her car died, and she was recently handed a pink slip. What's a girl to do? Leave everything behind for a bit...in Positano, Italy. And when she gets there, she finds a surprising extra-millionaire restaurateur Dante Sabbatini in the kitchen. In his underwear. Making coffee. It's suddenly not only hot outside, but exactly what is he doing inside, in her temporary kitchen? Dante's plan was to escape to his family's beach house for some quiet and privacy. What he didn't know was that his meddling, matchmaking nonna rented the entire house to a sexy stranger at the exact same time as his stay. It took him months to clear his schedule—there's no way he's leaving now. With both refusing to leave, Zoe and Dante agree to be temporary roomies, but secretly aim to try to drive the other out. He plays his music as loud as he wants and will wear as little clothing as possible, and she'll just go ahead and adopt that pig she fell in love with in town. But suddenly their game of one-upmanship takes a very sexy detour, and they can't believe what happens next.

From the Sunday Times bestseller comes a stunning novel that will warm your heart ‘The feeling you get when you read a Milly Johnson book should be bottled and made available on the NHS’ Debbie Johnson ‘Clear your house and clear your mind. Don't let life's clutter dictate to you. Throw it away and take back the control!’ When Lou Winter picks up a dog-eared magazine in the dentist's waiting room and spots an article about clearing clutter, she little realises how it will change her life. What begins as an earnest spring clean soon spirals out of control. Lou's loved ones grow disgruntled. Why is clearing out cupboards suddenly more important than making his breakfast, her husband Phil wonders? The truth is, the more rubbish Lou lets go of, the more light and air can get to those painful, closed-up places at the centre of her heart. Even lovely Tom Broom, the man who delivers Lou's skips, starts to grow concerned about his sweetest customer. But Lou is a woman on a mission, and not even she knows where it will end . . . Praise for Milly Johnson: 'Every time you discover a new Milly book, it's like finding a pot of gold' heat 'A glorious, heartfelt novel' Rowan Coleman 'Absolutely loved it. Milly's writing is like getting a big hug with just the right amount of bite underneath. I was rooting for Bonnie from the start' Jane Fallon ‘Bursting with warmth and joie de vivre’ Jill Mansell ‘Warm, optimistic and romantic’ Katie Fforde
