A new, definitive translation of Heidegger's most important work.

"Quirky, unpredictable, often hilarious, Infante's book tells us much about the effect of the Cuban revolution on Cuban literature." - Publishers Weekly With bitter irony, the author tells a story sadly repeated during this century. A dictatorship that silences the intellectuals, a regime that lies and kills, and a propaganda war that has yet to end. One of the best compilations of documents on recent Cuban history.

Manuel Castillo fue durante toda su vida un republicano convencido. Desde muy joven se comprometió con un ideal que marcó su trayectoria personal y profesional hasta obligarle a tomar el camino del exilio, primero en Francia y, definitivamente, en México. Pocos años antes de morir redactó un relato autobiográfico en el que reunió sus experiencias durante la España de la Restauración, de la Segunda República y del exilio. De su mano se evocan desde la vida en un barrio popular madrileño en tiempos de la Primera República, a la lucha política en la Salamanca de los años noventa del siglo XIX, pasando por las huellas de su vocación política, docente y periodística desarrollada con intensidad en Cáceres y Valencia hasta su huida de España. Finalmente, las Memorias de Manuel Castillo permiten a los lectores recordar la quiebra de esperanzas y proyectos que supuso la guerra civil, la derrota republicana y el exilio para varias generaciones de españoles. Su compromiso con la educación y el desarrollo humano ha dejado huella en la sociedad valenciana a través de su legado a la Universitat de València, haciendo posible la creación de su primer órgano de cooperación universitaria al desarrollo: el Patronat Sud-Nord.

Esta es una antología pensada, una selección de presentaciones, introducciones, prólogos, artículos y ensayos, con agudas reflexiones en y desde la génesis de nuestra historia nacional. Atrapa en su coherencia historiográfica de tres tomos. Con estos estudios históricos, en su primer tomo, Torres-Cuevas incita a identificarnos a profundidad con la Cuba pensada, en el concepto raigal de la cubanidad. Desde tres grupos temáticos: «En busca de las raíces», «El criollo. De la sensibilidad a la racionalidad» y «La razón ilustrada», diversas aristas se interrelacionan en única estructura ideo-temporal, la cual permite valorar las esencias del desarrollo, en acción y pensamiento, de la sociedad cubana, desde la conquista hasta los inicios del siglo XIX.

“Truly insider access, an authentic look at the traditions of one of the most incredible culinary regions of the world.” —José Andrés Featured as one of Food & Wine’s Best Cookbooks Coming Out This Fall Tucked away in the northwest corner of Spain, Basque Country not only boasts more Michelin-starred restaurants per capita than any other region in the world, but its unique confluence of mountain and sea, values and tradition, informs every bite of its soulful cuisine, from pintxos to accompany a glass of wine to the elbows-on-the-table meals served in its legendary eating clubs. Yet Basque Country is more than a little inaccessible—shielded by a unique language and a distinct culture, it’s an enigma to most outsiders. Until now. Marti Buckley, an American chef, journalist, and passionate Basque transplant, unlocks the mysteries of this culinary world by bringing together its intensely ingredient-driven recipes with stories of Basque customs and the Basque kitchen, and vivid photographs of both food and place. And surprise: this is food we both want to eat and can easily make. It’s not about exotic ingredients or flashy techniques. It’s about mind-set—how to start with that just-right fish or cut of meat or peak-of-ripeness tomato and coax forth its inherent depth of flavor. It’s the marriage of simplicity and refinement, and the joy of cooking for family and friends.
