The Electroclan must find Michael Vey who has gone missing.

Continues the walking journey of Alan Christoffersen and recounts more of the experiences of betrayal and tragic loss that motivated his travels.

A broken man. A twist of fate. A second chance. From the #1 New York Times bestselling author of *The Mistletoe Promise* and *The Walk* comes the first novel in a riveting new trilogy that explores the tantalizing question: What if you could start over? Chicago celebrity, Charles James can't shake the nightmare that wakes him each night. He sees himself walking down a long, broken highway the sides of which are lit in flames. Where is he going? Why is he walking? What is the wailing he hears around him? By day, he wonders why he's so haunted and unhappy when he has all he ever wanted—fame, fans and fortune and the lavish lifestyle it affords him. Coming from a childhood of poverty and pain, this is what he's dreamed of. But now, at the pinnacle of his career, he's started to wonder if he's wanted the wrong things. His wealth has come legally, but questionably, from the power of his personality, seducing people out of their hard-earned money. When he learns that one of his customers has committed suicide because of financial ruin, Charles is shaken. The cracks in his façade start to break down spurring him to question everything: his choices, his relationships, his future and the type of man he's become. Then a twist of fate changes everything. Charles is granted something very remarkable: a second chance. The question is: What will he do with it? *The Broken Road* is the first book in a much-anticipated new trilogy by beloved storyteller Richard Paul Evans. It is an engrossing, contemplative story of redemption and grace and the power of second

chances. It is an epic journey you won't soon forget.

From acclaimed and New York Times bestselling author Jodi Lynn Anderson comes the fantastical and heartfelt first installment in a new trilogy about the thirteen witches who are responsible for all the evil in the world—and the girl who sets out to defeat them. Full of magic and bittersweet truths, this tale is perfect for fans of *The Girl Who Drank the Moon*. Twelve-year-old Rosie Singer's mom is missing whatever it is that makes mothers love their daughters. All her life, Rosie has known this...and turned to stories for comfort. Then, on the night Rosie decides to throw her stories away forever, an invisible ally helps her discover the *Witch Hunter's Guide to the Universe*, a book that claims that all of the evil in the world stems from thirteen witches who are unseen...but also unstoppable. One of these witches—the *Memory Thief*—holds an insidious power to steal our most precious treasures: our memories. And it is this witch who has cursed Rosie's mother. In her quest to save her mom—and with her wild, loyal friend "Germ" by her side—Rosie will find the layers hidden under the reality she only thought she knew: where ghosts linger as shades of the past, where clouds witness the world, and a ladder dangles from the moon leading to something bigger and more. Here, words are weapons against the darkness, and witch hunters are those brave enough to wield their imaginations in the face of the unthinkable. At the core of this stunning novel—the first of the *Thirteen Witches* trilogy from critically acclaimed author Jodi Lynn Anderson—is a passionate argument that stories have the power to create meaningful change...and a reason to hope even when the world feels crushing.

**From “The King of Christmas,” Richard Paul Evans, comes the next exciting holiday novel perfect for “fans of Debbie Macomber” (Booklist) in his New York Times bestselling Noel Collection. Maggie Walther feels like her world is imploding. Publicly humiliated after her husband, a local councilman, is arrested for bigamy, and her subsequent divorce, she has isolated herself from the world. When her only friend insists that Maggie climb out of her hole, and embrace the season to get her out of her funk, Maggie decides to put up a Christmas tree and heads off to buy one—albeit reluctantly. She is immediately taken by Andrew, the kind, handsome man who owns the Christmas tree lot and delivers her tree. She soon learns that Andrew is single and new to her city and, like her, is also starting his life anew. As their friendship develops, Maggie slowly begins to trust again—something she never thought possible. Then, just when she thinks she has finally found happiness, she discovers a dark secret from Andrew’s past. Is there more to this stranger’s truth than meets the eye? This powerful new**

holiday novel from Richard Paul Evans, the “King of Christmas fiction” (The New York Times), explores the true power of the season, redemption, and the freedom that comes from forgiveness.

In this new offering from “the king of Christmas fiction” (The New York Times), #1 bestselling author Richard Paul Evans shares a story of heart, loyalty, and hope as he explores the deeper meaning of the holiday season and asks what it truly means to love and forgive. The year is 1975. Elle Sheen—a single mother who is supporting herself and her six-year-old, African-American son, Dylan, as a waitress at the Noel Street Diner—isn’t sure what to make of William Smith when his appearance creates a stir in the small town of Mistletoe, Utah. As their lives unexpectedly entwine, Elle learns that William, a recently returned Vietnam POW, is not only fighting demons from his past, but may also have the answer to her own secret pain—a revelation that culminates in a remarkable act of love and forgiveness.

King Jaron has taken the throne of Carthya, but after an attempt to assassinate him and with a invasion threat, he finds that he has no friends in the palace, not even his bride-to-be, princess Amarinda.

Plague, Michael Grant's fourth book in the bestselling Gone series, will satisfy dystopian fans of all ages. It's been eight months since all the

**adults disappeared. Gone. They've survived hunger. They've survived lies. But the stakes keep rising, and the dystopian horror keeps building. Yet despite the simmering unrest left behind by so many battles, power struggles, and angry divides, there is a momentary calm in Perdido Beach. But enemies in the FAYZ don't just fade away, and in the quiet, deadly things are stirring, mutating, and finding their way free. The Darkness has found its way into the mind of its Nemesis at last and is controlling it through a haze of delirium and confusion. A highly contagious, fatal illness spreads at an alarming rate. Sinister, predatory insects terrorize Perdido Beach. And Sam, Astrid, Diana, and Caine are plagued by a growing doubt that they'll escape—or even survive—life in the FAYZ. With so much turmoil surrounding them, what desperate choices will they make when it comes to saving themselves and those they love? “Grant’s sf-fantasy thrillers continue to be the very definition of a page-turner.” —ALA Booklist Read the entire series: Gone Hunger Lies Plague Fear Light Monster Villain Hero Homeroom Diaries**

The second novel in the New York Times bestselling trilogy from Richard Paul Evans about a man on an inspirational pilgrimage across Route 66 to find his way back to himself. Chicago celebrity and successful pitchman Charles James is supposed to be dead. Everyone believes he was killed in a fiery plane crash. But thanks to a remarkable twist of fate, he's very much alive and ready for a second chance at life—and love. Narrowly escaping death has brought Charles some clarity: the money, the fame, the fast cars—none of it was making him happy. The last time he was happy—truly happy—was when he was married to his ex-wife Monica, before their connection was destroyed by his ambition and greed. Charles decides to embark on an epic quest: He will walk the entire length of Route 66, from Chicago to California, where he hopes to convince Monica to give him another shot. Along the way, Charles is immersed in the deep and rich history of one of America's most iconic highways. But the greater journey he finds is the one he takes in his heart as he meets people along the road who will change his perspective on the world. But will his transformation be enough to earn redemption?

After recovering from an emotional breakdown, a scrappy high school student dares to be happy and disrupt the social scene. Margaret "Cuckoo" Clarke recently had a brief stay in a mental institution following an emotional breakdown, but she's turning over a new leaf with her "Operation Happiness". She's determined to beat down the bad vibes of the Haters, the Terror Teachers, and all of the trials and tribulations of high school by writing and drawing in her diary. And when life gets really tough, she works through her own

moments of uncertainty through imaginary conversations with her favorite literary characters. Cuckoo's also got a nearly impossible mission: she, along with her misfit band of self-deprecating friends (who call themselves "the Freakshow") decide to bridge the gap between warring cliques and "bring the Nations together". Not everyone is so willing to join hands and get along, but Cuckoo never stops smiling . . . until one of her closest friends, pushed to desperation by a Hater prank, decides that enough is enough. In James Patterson's first highly illustrated "diary fiction" story for teens, the mega-bestselling author's most endearing and original teen heroine ever proves that everyone can use a helping hand once in a while.

Michael and the Electroclan are about to embark on their deadliest mission yet. Some of them may not make it back. The head of the resistance, known only as the voice, believes that the best way to wipe out the Elgen is to steal their money. That means capturing the Joule, the Elgen boat that serves as a floating treasury. To do this, Michael and his friends need help...a lot of help. They've learned about a highly placed member of the Elite Elgen Guard named Welch, who wants to defect. They also know that Hatch has condemned three of his electric youth to death. If the Electroclan can get to Welch before the Elgen do, and if

they can rescue Quentin, Torstyn, and Tara, they just might be able to steal the Joule. But it's a big "if"... The stakes have never been higher, and Michael and his friends are about to be tested in ways they never imagined.

Easy to understand and simple to apply, The Five Lessons a Millionaire Taught

Me for Women is one of the most powerful books ever written about money and essential reading for any woman today. When Richard Paul Evans was twelve years old, his father fell and broke both of his legs. With no income and no insurance, the Evans family was destitute. At this time a multimillionaire taught young Evans the five secrets to wealth. Evans used those five secrets not only to change his life but that of thousands of others when he wrote *The Five Lessons a Millionaire Taught Me About Life and Wealth*. An international bestseller, this essential book interweaves those influential lessons with personal stories from everyday people. Evans explains that money should not be the preoccupation of our lives, but instead our focus should be on the principles that free us to concentrate on God, family, and relationships -- life's true riches. Now Evans has taken years of personal research and coaching to create the perfect money book for women who want a better life. With his classic, motivational voice, Evans offers lessons that are easy to understand and simple to follow. Powerful, proven, and life changing, *The Five Lessons a Millionaire Taught Me for Women* may be one of the most important books you will ever read.

*The #1 New York Times bestselling author of *The Walk* and *The Christmas Box*, Richard Paul Evans has met hundreds of thousands of people and heard many of their stories in his travels over the past two decades. Most of the people he meets are hungry for inspiration; they love his novels because his characters are also searching for meaning and understanding. *The Four Doors* is Evans's message to those who seek inspiration in their lives. It began as a talk he gave on the spur of the moment, and over the course of ten years, it has evolved into a message he has shared with successful business people, students, and even addicts and prisoners. It includes stories his readers have told him, stories about great achievers who overcame hardships, and stories about his own struggle growing up in a large family with financial difficulties and a suicidal mother, and about his diagnosis of Tourette's Syndrome later in life. This holiday season, the #1 New York Times bestselling author of The Noel Collection returns with another heartwarming story of secrets, heartbreak, forgiveness, and the true meaning of Christmas. On the night of her high school graduation, Richelle Bach's father gives her and her identical twin sister, Michelle, matching opal necklaces. "These opals look identical," he tells them, "but the fire inside each is completely unique—just like the two of you." Indeed, the two sisters couldn't be more different, and their paths diverge as they embark on adulthood. Years pass, until—at their father's behest—they both come home for Christmas. What happens then forever damages their relationship, and Richelle vows never to see or speak to her sister again. In their father's last days, he asks Richelle to forgive Michelle, a

deathbed promise she never fulfills as her twin is killed in an accident. Now, painfully alone and broken, caring for the sickest of children in a hospital PICU, Richelle has one last dream: to be an author. The plot of her book, *The Prodigal Daughter*, is a story based on her sister's life. It's not until she meets Justin Ek, a man who harbors his own loss, that a secret promise is revealed, and Richelle learns that the story she's writing is not about her sister, but about herself.

Michael must save his mother—and protect his powers—in the electric sequel to the #1 New York Times bestselling *Michael Vey*, from Richard Paul Evans. I rolled over to my back, struggling for breath. The pain continued to pulse through my body—a heavy throb followed by a sharp, crisp sting. The man said, “Trust me, there are worse things in this world than Cell 25.” Michael, Taylor, Ostin, and the rest of the Electroclan have escaped from the Elgen Academy in Pasadena and are headed back to Idaho to plan their next move. But what's waiting for them there will change everything. After using their wits and powers to narrowly escape an Elgen trap, a mysterious voice leads the Electroclan to the jungles of Peru in search of Michael's mother. Once there, they discover that Dr. Hatch and the Elgen are far more powerful than anyone realizes; entire countries have begun to fall under their control. Only the Electroclan and an anonymous voice now stand in the

way of the Elgen's plan for global domination. But is the voice that Michael is following really an ally, or is it just another Elgen trap?

Five months after the events in *The Creeping Shadow*, we join Lockwood, Lucy, George, Holly, and their associate Quill Kipps on a perilous night mission: they have broken into the booby-trapped Fittes Mausoleum, where the body of the legendary psychic heroine Marissa Fittes lies. Or does it? This is just one of the many questions to be answered in Book 5 of the Lockwood & Co. series. Will Lockwood ever reveal more about his family's past to Lucy? Will their trip to the Other Side leave Lucy and Lockwood forever changed? Will Penelope Fittes succeed in shutting down their agency forever? The young agents must survive attacks from foes both spectral and human before they can take on their greatest enemy in a climactic and chaotic battle. And to prevail they will have to rely on help from some surprising--and shadowy--allies. Jonathan Stroud once again delivers a rousing adventure full of danger, laughs, twists, and frights. The revelations will send readers back to Book 1 to start the series all over again. Exclusive to this paperback edition: a Lockwood & Co. short story, "The Dagger in the Desk," and an illustrated ghost guide.
