*A key comic writer of the past three decades has created his most heartfelt and hard-hitting book. Father Joe is Tony Hendra's inspiring true story of finding faith, friendship, and family through the decades-long influence of a surpassingly wise Benedictine monk named Father Joseph Warrillow. Like everything human, it started with sex. In 1955, fourteen-year-old Tony found himself entangled with a married Catholic woman. In Cold War England, where Catholicism was the subject of news stories and Graham Greene bestsellers, Tony was whisked off by the woman's*

Instead, he met Father Joe, a gentle, stammering, ungainly Benedictine who never used the words "wrong" or "guilt," who believed that God was in everyone and that "the only sin was selfishness." During the next forty years, as his life and career drastically ebbed and flowed, Tony discovered that his visits to Father Joe remained the one constant in his life—the relationship that, in the most serious sense, saved it. From the fifties and his adolescent desire to join an abbey himself; to the sixties, when attending*

a short before launching into the feature film. Shorts could tackle any topic of interest: an unusual travelogue, a comedy, musical revues, sports, nature or popular vaudeville acts. With the advent of sound-on-film in the mid-to-late 1920s, makers of earlier silent short subjects began experimenting with the short films, using them as a testing ground for the use of sound in feature movies. After the Second World War, and the rising popularity of television, short subject films became far too expensive to produce and they had mostly disappeared from the screens by the late 1950s.
