

Midnights With The Mystic A Little Guide To Freedom And Bliss

Death is a taboo in most societies in the world. But what if we have got this completely wrong? What if death was not the catastrophe it is made out to be but an essential aspect of life, rife with spiritual possibilities for transcendence? For the first time, someone is saying just that. In this unique treatise-like exposition, Sadhguru dwells extensively upon his inner experience as he expounds on the more profound aspects of death that are rarely spoken about. From a practical standpoint, he elaborates on what preparations one can make for one's death, how best we can assist someone who is dying and how we can continue to support their journey even after death. Whether a believer or not, a devotee or an agnostic, an accomplished seeker or a simpleton, this is truly a book for all those who shall die!

“The thirst to be boundless is not created by you; it is just life longing for itself.” –Sadhguru This is the extraordinary story of Sadhguru—a young agnostic who turned yogi, a wild motorcycleist who turned mystic, a skeptic who turned spiritual guide. Pulsating with his razor-sharp intelligence, bracing wit and modern-day vocabulary, the book empowers you to explore your spiritual self and could well change your life. It seeks to re-create the life journey of a man who combines rationality with mysticism, irreverence with compassion, ancient wisdom with a provocatively contemporary outlook and a deep knowledge of the self with a contagious love of life. Described as ‘a profound mystic, visionary humanitarian and prominent spiritual leader of our times’, he is equally at home in a satsangh in rural Tamil Nadu as at the World Economic Forum in Davos. In his early years, Jaggi Vasudev (or Sadhguru as he is now known) was a chronic truant, a boisterous prankster, and later a lover of motorbikes and fast cars. It is evident that the same urgency, passion and vitality echo in his spiritual pursuits to this day, from his creation of the historic Dhyanalings—the mission of three lifetimes—to his approach as a guru. In Sadhguru’s view, faith and reason, spirituality and science, the sacred and the material, cannot be divided into easy binaries. He sees people as ‘spiritual beings dabbling with the material rather than the reverse’, and liberation as the fundamental longing in every form of life. Truth for him is a living experience instead of a destination, a conclusion, or a matter of metaphysical speculation. The possibility of self-realization, he strongly believes, is available to all. Drawing upon extended conversations with Sadhguru, interviews with Isha colleagues and fellow meditators, poet Arundhathi Subramaniam presents an evocative portrait of a contemporary mystic and guru—a man who seems to pack the intensity and adventure of several lifetimes into a single one.

“With the elegance of simplicity, this book takes you on an exploration of consciousness, that will shift you to a higher reality.” –Deepak Chopra Constructed around a series of late night conversations around a camp fire between Cheryl Simone and Sadhguru Vasudev on an Island in the middle of a Western North Carolina lake near her mountain home, Midnights with the Mystic is the most thorough exposition of the teachings of India’s most sought after mystic. Sadhguru challenges us to embrace the possibility that to each of us is available a higher realm of reality, a peak of consciousness; an entrée into the realm of freedom and bliss. Simone, an Atlanta real estate developer, was the typical Baby Boomer in search of an authentic spiritual experience. Professionally successful, yet spiritually arid, she discovered a way into what she was looking for in the teachings of Sadhguru. Concrete and down-to-earth, Midnights with the Mystic both provides readers with an introduction to profound spiritual teaching and a personal glimpse of a charismatic guru. Imagine meeting a French chef who is much more than what he seems. In this true story, James Tryman enters the mystical world of Roger Dufau, the owner of a bed-and-breakfast outside Toronto, who dishes out lessons on love and God just as easily as he does the most delicious cuisine. Follow James as he undergoes a profound transformation, exploring his past relationships and dissolving negative patterns. In this remarkably personal account, James learns to release his fears and fully open his heart—perhaps for the first time. “Food is one of the closest things we have to real spirituality.” Roger explains, then goes on to teach the true meaning of abundance, and how our passion can be used to create new worlds and serve humanity. This is a book that will stir your soul as well as offer hints on how you too can become a master chef—not only of French cuisine, but of your own life. It is a recipe for living, and speaks with an intimacy that everyone can appreciate and understand.

Mystic's Musings is a compilation of extracts from Sadhguru's discourses and talks. An intriguing look into the truth that lies at the core of existence, this book provokes readers to delve into spaces that are not for the faint-hearted, yet deftly guides us with answers about reality that transcend our fears, angers, hopes, and struggles. Sadhguru keeps us teetering on the edge of logic and captivates us with his answers to questions relating to life, death, rebirth, suffering, karma, and the journey of the Self.

Winner of the Booker prize and twice winner of the Booker of Bookers, Midnight's Children is 'one of the most important books to come out of the English-speaking world in this generation' (New York Review of Books). Reissued for the 40th anniversary of the original publication—with a new introduction from the author—Salman Rushdie's widely acclaimed novel is a masterpiece in literature. Saleem Sinai is born at the stroke of midnight on August 15, 1947, the very moment of India's independence. Greeted by fireworks displays, cheering crowds, and Prime Minister Nehru himself, Saleem grows up to learn the ominous consequences of this coincidence. His every act is mirrored and magnified in events that sway the course of national affairs; his health and well-being are inextricably bound to those of his nation; his life is inseparable, at times indistinguishable, from the history of his country. Perhaps most remarkable are the telepathic powers linking him with India's 1,000 other "midnight's children," all born in that initial hour and endowed with magical gifts. This novel is at once a fascinating family saga and an astonishing evocation of a vast land and its people—a brilliant incarnation of the universal human comedy. Midnight's Children stands apart as both an epochal work of fiction and a brilliant performance by one of the great literary voices of our time.

In this book, we have hand-picked the most sophisticated, unanticipated, absorbing (if not at times crackpot!), original and amusing book reviews of "Midnights with The Mystic: A Little Guide to Freedom and Bliss." Don't say we didn't warn you: these reviews are known to shock with their unconventionality or intimacy. Some may be startled by their biting sincerity; others may be spellbound by their unbridled flights of fantasy. Don't buy this book if: 1. You don't have nerves of steel. 2. You expect to get pregnant in the next five minutes. 3. You've heard it all.

Joy 24x7 is a very simple but unusual exploration of Joy. There is no religion in this book. There are no rituals prescribed here. There is no deep meditation being described here and neither is there any mention to any spiritual practice. This is not a guidebook. This is not a “self-help” book. It is not going to give you “an instant formula for joy”. But it will surely make you explore your Joy for yourself in a very direct way. The simple, short snippets of daily lives connected with what Sadhguru has to say about Joy, will take you on a wonderful roller coaster ride on Joy with the Master himself. With Sadhguru’s incredible clarity of expression, his brilliant wit and sense of observation, his ability to bring the most profound aspect in a very simple and direct way, this book is for any human being who seeks to be Joyful. No matter who you are, what you are trying to do, Sadhguru's words will touch a wonderful wave of Joy inside you and you will soon be restless to seek Joy 24x7.

Born After Midnight
Adiyogi

“THERE ARE ONLY TWO TYPES OF PEOPLE: MYSTICS AND MISTAKES,” says Sadhguru, leaving readers in no doubt of the category to which they belong! That sounds damning. But mistakes can thankfully be rectified. And that’s the hope this book holds out to seekers. It reminds us that each one of us can make the journey—from confusion to clarity, from error to enlightenment, from self-deception to self-discovery—if only we choose.

Sadhguru presents a rare glimpse of undiluted truth from discourses given to seekers at the Isha Yoga Center and around the world. A tool of tremendous value in an age imprisoned by materialism and dogma, these dialogues are an essential key to inner exploration of the profound questions of humanity: Who am I? Why are we here? What is the meaning of life? The master speaks with undeniable logic and wisdom that penetrates the deepest realms of our heart and soul. Emotion “One can make any emotion into a creative force in one’s life.” – Sadhguru It’s not just poetic license that allows us to refer to emotions as “juicy.” In a literal sense also, emotions are a chemical cocktail that courses through our bodies. But while we have no problems with pleasant emotions, unpleasant emotions are the source of much angst in our lives. In Emotion: The Juice of Life, Sadhguru looks at the gamut of human emotions and how to turn them into stepping stones rather than stumbling blocks. Relationships “If you enhance yourself into a very beautiful state, everyone will want to hold a relationship with you.” – Sadhguru Human beings constantly make and break relationships. Unfortunately, relationships can make and break human beings too. Why are relationships such a circus for most of us? What is this primal urge within us that demands a bond – physical, mental, or emotional – with another? And how do we keep this bond from turning into bondage? These are the fundamental questions that Relationships: Bond or Bondage looks at as Sadhguru shares with us the keys to forming lasting and joyful relationships, whether they are with husband or wife, family and friends, at work, or with the very existence itself. Sadhguru is a yogi and profound mystic of our times. An absolute clarity of perception places him in a unique space in not only matters spiritual but in business, environmental and international affairs, and opens a new door on all that he touches.

NEW YORK TIMES, USA TODAY, and PUBLISHERS WEEKLY BESTSELLER “Full of valuable insights to guide you.”—WILL SMITH “Thoughtful and life-affirming . . . a must-read.”—TONY ROBBINS “This book will put you back in charge of your own life.”—TOM BRADY A new perspective on the overused and misunderstood concept of “karma” that offers the key to happiness and enlightenment, from the world-renowned spiritual master Sadhguru. What is karma? Most people understand karma as a balance sheet of good and bad deeds, virtues and sins. The mechanism that decrees that we cannot evade the consequences of our own actions. In reality, karma has nothing to do with reward and punishment. Karma simply means action: your action, your responsibility. It isn’t some external system of crime and punishment, but an internal cycle generated by you. Accumulation of karma is determined only by your intention and the way you respond to what is happening to you. Over time, it’s possible to become ensnared by your own unconscious patterns of behavior. In Karma, Sadhguru seeks to put you back in the driver’s seat, turning you from a terror-struck passenger to a confident driver navigating the course of your own destiny. By living consciously and fully inhabiting each moment, you can free yourself from the cycle. Karma is an exploration and a manual, restoring our understanding of karma to its original potential for freedom and empowerment instead of a source of entanglement. Through Sadhguru’s teachings, you will learn how to live intelligently and joyfully in a challenging world.

Joy 24 X 7

Who is Jesus Christ? In The Third Jesus, bestselling author and spiritual leader Deepak Chopra provides an answer to this question that is both a challenge to current systems of belief and a fresh perspective on what Jesus can teach us all, regardless of our religious background. There is not one Jesus, Chopra writes, but three. First, there is the historical Jesus, the man who lived more than two thousand years ago and whose teachings are the foundation of Christian theology and thought. Next there is Jesus the Son of God, who has come to embody an institutional religion with specific dogma, a priesthood, and devout believers. And finally, there is the third Jesus, the cosmic Christ, the spiritual guide whose teaching embraces all humanity, not just the church built in his name. He speaks to the individual who wants to find God as a personal experience, to attain what some might call grace, or God-consciousness, or enlightenment. When we take Jesus literally, we are faced with the impossible. How can he truly “love thy neighbor as thyself” ? But when we see the exhortations of Jesus as invitations to join him on a higher spiritual plane, his words suddenly make sense. Ultimately, Chopra argues, Christianity needs to overcome its tendency to be exclusionary and refocus on being a religion of personal insight and spiritual growth. In this way Jesus can be seen for the universal teacher he truly is—someone whose teachings of compassion, tolerance, and understanding can embrace and be embraced by all of us.

A series of intimate conversations with a wise and charismatic guru is a compelling idea. How many times have each of us wished for answers to life ’s deep questions? In Midnights with the Mystic, Cheryl Simone relates her personal experience of learning at the feet of Sadhguru Vasudev, India ’s most sought-after mystic. As we share in her profound experiences, we are challenged to embrace the possibility that to each of us is available a higher realm of reality, a peak of consciousness, an entrée into the realm of freedom and bliss. ” This book lays bare Sadhguru ’s mastery over life. ” —Indu Jain, Chairperson, Times of India Group

Every year, a group of Isha mediators sets out on a tour of the Himalayas. Accompanying them on this journey is Sadhguru – a spiritual master considered by many to be one of the foremost living yogis on the planet. This is a book for those who stayed behind. It is a chance to make a pilgrimage on the page, travelling through the unpredictable but fascinating terrain of the master ’s words. Amalgamating discourses and conversations from several valleys, it is a blend of the specific and the timeless. This book is not just about the Himalayas. And yet, the book would never have happened without the Himalayas. The mountains play a vital role in the text, alternately as context and catalyst, mood and metaphor. Without them, some of the questions in this book would never have been asked. Even if they sometimes seem tangential to the line of enquiry, they remain a powerful subterranean presence, eventually becoming the very bedrock of this book.

New York Times bestselling author Life After Death, the hip-hop generation’s beloved and most compelling storyteller, delivers a powerful story about love and loyalty, strength and family. In her bestselling novel, The Coldest Winter Ever, Sister Souljah introduced the world to Midnight, a brave but humble lieutenant to a prominent underworld businessman. Now, in a highly anticipated follow-up to her million-selling masterpiece, she brings readers into the life and dangerously close to the heart of this silent, fearless young man. Raised in a wealthy, influential, Islamic African family, Midnight enjoys a life of comfort, confidence, and protection. Midnight’s father provides him with a veil of privilege and deep, devoted love, but he never hides the truth about the fierce challenges of the world outside of his estate. So when Midnight’s father’s empire is attacked, he sends Midnight with his mother to the United States. In the streets of Brooklyn, a young Midnight uses his Islamic mind-set and African intelligence to protect the ones he loves, build a business, reclaim his wealth and status, and remain true to his beliefs. Midnight, a handsome and passionate young man, attracts many women. How he interacts and deals with them is a unique adventure. This is a highly sensual and tremendous love story about what a man is willing to risk and give to the women he loves most. Midnight will remain in your mind and beat in your heart for a lifetime. Her “raw and true voice” (Publishers Weekly) will both soothe and arouse you. In a beautifully written and masterfully woven story, Sister Souljah has given us Midnight, and solidified her presence as the mother of all contemporary urban literature.

The Path of the Heart

Will you press into heaven at the expense of earth? It has been said that revivals are born after midnight. This is not because midnight is a magic hour—it isn't—but because anyone truly desiring renewal doesn't tire at seeking it. Born After Midnight stirs us toward renewal. Be it in the realm of money, worship, worry, or prayer. A. W. Tozer applies God's high wisdom to our everyday living to show how sin is bitter and Christ is sweet, helping us crave heaven and lose our taste for the world. If you will take God for who He says He is, trust His promises as true, and forsake the world in clutching for heaven, it will cost you everything. But it will give you eternity. Born After Midnight invites you to seek what cannot be lost.

Drawing on experience as an interreligious monk, Brother Wayne Teasdale reveals the power of spirituality and its practical elements. He combines a profound Christian faith with an intimate understanding of ancient religious traditions.

Of any path-breaking masterpieces, she brings readers into the life and dangerously close to the heart of this silent, fearless young man. Raised in a wealthy, influential, Islamic African family, Midnight enjoys a life of comfort, confidence, and protection. Midnight’s father provides him with a veil of privilege and deep, devoted love, but he never hides the truth about the fierce challenges of the world outside of his estate. So when Midnight’s father’s empire is attacked, he sends Midnight with his mother to the United States. In the streets of Brooklyn, a young Midnight uses his Islamic mind-set and African intelligence to protect the ones he loves, build a business, reclaim his wealth and status, and remain true to his beliefs. Midnight, a handsome and passionate young man, attracts many women. How he interacts and deals with them is a unique adventure. This is a highly sensual and tremendous love story about what a man is willing to risk and give to the women he loves most. Midnight will remain in your mind and beat in your heart for a lifetime. Her “raw and true voice” (Publishers Weekly) will both soothe and arouse you. In a beautifully written and masterfully woven story, Sister Souljah has given us Midnight, and solidified her presence as the mother of all contemporary urban literature.

The persistent questions of seekers fill this book. It's all here – the pain, the confusion, the raging gut-level thirst, all that it means to be human and alive and wanting. And through it all are the clear, strong, unwavering tones of a master who reminds us that the only thing that lies between the human and the divine, the finite and the boundless, the seeking and the finding, is choice. What does that choice entail? Not the acquisition of any path-breaking wisdom, but a determined refusal to strengthen one's ignorance, to reinforce one's deceptions, to 'gold-plate one's limitations'. The danger, Sadhguru tells us, does not lie in being in the dark – that can be dispelled for anyone who genuinely desires it – but in settling for an easy brilliance, a spurious radiance. The danger does not lie in seeking urgently, but in arriving cheaply. "Don't polish your ignorance," he warns apologetically, unforgettably, recurrently in the course of this book. "It may shine."

A Yogi's Guide to Crafting Your Destiny

This is a book for the thirsty. And emphatically not a book for the faint-hearted. In a series of far-reaching exploratory conversations, Sadhguru – a living master and mystic of our times – touches on every conceivable question that a seeker might nurse about the realm of the mystical. Questions about enlightenment, liberation, death, God and the afterlife. Also those niggling but ostensibly trifling questions that so many wonder about, but are hesitant to ask: about spirits, disembodied beings, black magic, possession and the occult. And in a riveting culmination to the book, Sadhguru unfolds the story of his life mission, a saga of extraordinary commitment and courage that spans three lifetimes. The result is the Dhyanalinga, the dream of countless yogis down the centuries: a unique energy form which sows the seed of liberation in all who visit it. This is a book to treasure. It offers an unprecedented glimpse into the world of a contemporary mystic, a prodigious living archive of knowledge. In the course of his discussions, Sadhguru probes the farthest realms of illogic, and yet his unfailingly rational and matter-of-fact tone lends credibility to the more fantastic aspects of the content.

A spiritual leader featured in The Secret challenges readers to search within themselves for the key to unlocking their future and changing their lives in amazing ways, in a book that teaches inner spiritual work, rather than religiosity or dogma, and is structured around the key themes of transformation, peace, abundance, and more. Original.

The Flowers on the Path series is a bouquet. It comprises articles created by Sadhguru for the Speaking Tree column of the Times of India. These articles have, for many years, brought daily infusions of beauty, humour, clarity and wisdom into lives abraded by mayhem and monotony. In pages devoted to the changing weather of the stock market and international affairs, these articles have brought readers moments of unexpected insight and stillness. Sadhguru's original thoughts, outspoken comments and references to current affairs have sometimes provoked controversy. But they have invariably added vitality and color to a national debate. Like flowers, these articles have inspired and stimulated readers, wafting into their lives as a gentle fragrance on some mornings, and on others, startling them awake with fresh perspectives on age-old ideas and beliefs.

This book talks about the tradition of upanishads, the secrets of meditation, paradoxes of spiritual life, the way towards truth, mechanics of desire and desirelessness, consciousness and various other topics. The understanding delivered on the upanishad is unique. Interesting topics such as Psychedelics, drugs, hypnosis, different dimensions of listening, truth and untruth are given an explanation within this book. This book takes you through the stories of Buddha, Mahavir, Aristotle and various other monks. It is for sure that as you read the book, it is possible to feel the oneness beyond contradictions happening within oneself and experience what the author is indicating. This book has immense information and a very unique perspective on the sciences of inner nature and creation.

Gurus of Modern Yoga explores the contributions that individual gurus have made to the formation of the practices and discourses of yoga in today's world.

This timely book explores the wisdom of the Gnostic Jesus, who challenges our preconceptions about the world and ourselves. Based on the Gospel of Thomas, the book recounts the missing years in Jesus' life and his time in Egypt and India, learning from Egyptian secret societies, then Buddhist schools, then Hindu Vedanta. Each of Jesus' original sayings is the "seed" for a chapter of the book; each examines one aspect of life — birth, death, love, fear, anger, and more — counterpointed by Osho's penetrating comments and responses to questions from his audience.

For ages, most of humanity has placed "life" and "death" at two ends of the existential spectrum — favoring one, leaving the other and continuously floundering between the two. Only when someone who has consciously traversed between both life and death offers to articulate some aspects of it, does humanity get a glimpse of what lies beyond the horizon of its normal perception. With his extraordinary insights, coming from a profound inner experience, Sadhguru reveals that life and death are, in fact, two sides of the same coin. It is only by embracing both that we can break the shackles of our selfmade struggles and be set free. In his own words, he says: "Death is a cosmic joke. If you get the joke, when you fall on the other side, it will be wonderful. If you don't get the joke, when you here you lean the other side, and when the other side comes, you just don't know what it is about. If death becomes a laughing matter in your life, life becomes an utterly effortless process — there is no need to restrain yourself in the process of life; you can live your life absolutely, totally." "The distance between your life and death is just one breath, isn't it?" — Sadhguru

Secrets of Sanatan Dharma

Nectar of Eternal Religion

Love, God, and the Art of French Cooking

The "Nine Unknown Men" are a fictional secret society founded by the Mauryan Emperor Asoka around 270 BC to preserve and develop knowledge that would be dangerous to humanity if it fell into the wrong hands. The nine men are embodiment of good and face up against nine Kali worshippers, who sow confusion and masquerade as the true sages. The story surrounds a priest called Father Cyprian who is in possession of the books but who wants to destroy them out of Christian piety, and a number of other characters who are interested in learning their contents. The nine books entrusted to the Nine Unknown contain information on (1) Propaganda and Psychological warfare, (2) Physiology, including secrets concerning the "touch of death", (3) Microbiology, (4) Alchemy, (5) Communication, including communication with extraterrestrials, (6) Gravity, and anti-gravity devices (Vimanas, mythological flying machines of ancient India), (7) Cosmology, including hyperspace and time-travel, (8) Light, and a technology capable of modifying the speed of light and (9) Sociology, including rules predicting the rise and fall of empires.

In this book, Sadhguru answers probing questions, discussing the state of modern education and the need to inspire a child to reach his or her true potential.

For most people, the mind seems to be an unruly cacophony, attempting to grasp and shape everything which falls in its purview. In mind is your business, Sadhguru explains that only if we make it “our business” to transform this uncoordinated mess into a well - coordinated symphony, will we able to use the mind, rather than be used by it. Sadhguru is a yogi and profound mystic of our times. An absolute clarity of perception places him in a unique space in not only matters spiritual but in business, environmental and international affairs, and opens a new door on all that he touches.

"A personal recounting of the author's five-day retreat with her guru, Sadhguru Jaggi Vasudev, and her journey toward self-enlightenment"--Provided by publisher.

Eternal Echoes: The Sacred Sounds Through the Mystic

A Novel

Inspire Your Child Inspire Your World (eBook)

An Inside Story

Watching my sister slip away into an eternal place and hearing the gratification in her voice as she transformed to the other side is what gives me peace. We walked together in that tunnel. I can't help but wonder what if I would have remained there too. Would I have experienced the same overwhelming joy my sister felt? Instead of letting the paralyzing fear take over me causing me to be left behind? What I experienced would make any individual wish that they were dead. Still I continue to hear how blessed I am to be alive. If I knew what I would be faced with when I awakened, I wonder if I would have rather remained asleep.. I stopped trying to figure out why I survived and have learned to embrace the encounter I had with the God of Elijah. If you have picked up this book, The God of Elijah desires to have an encounter with you. Jesus said that no man comes to Him, except God draws them. So relax, quiet your soul, and come with me on my journey, as I reveal what happens when the miraculous shows up. Death stared me in the face; hell was hard on my heels. Up against it, I didn't know which way to turn; then I called out to GOD for help: "Please, GOD!" I cried out. "Save my life!" GOD is gracious it is he who makes things right, our most compassionate God. GOD takes the side of the helpless; when I was at the end of my rope, he saved me. I said to myself, "Relax and rest. GOD has showered you with blessings. Soul, you've been rescued from death; Eye, you've been rescued from tears; and you, Foot, were kept from stumbling." (MSG) Psalm 116: 3-8

"Shiva does not spell religion. Shiva spells responsibility -- our ability to take our very life process in our hands.'" -- Sadhguru "Shi-va' is 'that which is not', a primordial emptiness; Shiva is also the first-ever yogi, Adiyogi, the one who first perceived this emptiness. Adiyogi is symbol and myth, historic figure and living presence, creator and destroyer, outlaw and ascetic, cosmic dancer and passionate lover, all at once.A book like no other, this extraordinary document is a tribute to Shiva, the Adiyogi, by a living yogi; a chronicle of the progenitor of mysticism by a contemporary mystic. Here science and philosophy merge seamlessly, so do silence and sound, question and answer--to capture the unspeakable enigma of Adiyogi in a spellbinding wave of words and ideas that will leave one entranced, transformed.
