COVID-19 and the Global Predators is much more than an analysis of the current exploitation of humanity under cover of the SARS-CoV-2 pandemic. It discloses for the first time the actual blueprint and master plan that that was ten years in the making by global predators before the pandemic: a plan to reorganize the world in the name of public health. Billionaires, government agencies, giant funds, and major industries collaborated years ahead of time to lay the groundwork for what would become Operation Warp Speed and the Great Reset in 2020. All this is disclosed, individuals and groups are named, and their plans for the future are documented. The book concludes with chapters on what America and the world must do in the coming weeks and months to save humanity's freedoms. Many top medical and public

health experts treating and examining COVID 19 agree this is the most comprehensive book about who and what is behind the draconian measures that are crushing individual freedoms and many of the societies and economies of the Western World including the United States, Canada, Great Britain, and Australia. Three of these medical doctors have confirmed this in their introductions to the book: physicians Peter McCullough MD MPH, Vladimir "Zev" Zelenko MD and Elizabeth Lee Vliet MD. They are echoed by endorsements from Robert F Kennedy Jr. and Paul Alexander PhD. This book thoroughly documents solid answers to these tragic questions about the global predators who are reaping enormous benefits from COVID-19 suffering including wealth, power and the destruction of America as an opposition to globalism. Who are the "they"-these Global Predators? What are their motives and their plans for us? How can we defend against them? Why did they: ■ Plan Warp Speed for a SARS-CoV pandemic years before it came? ■ Distribute mRNA and DNA vaccines that killed lab animals and now humans? ■ Collaborate with the Chinese making pandemic viruses & bioweapons? ■ Hide the origin of SARS-CoV-2 in the Wuhan Institute? ■ Let China spread the virus around the world on passenger planes? ■ Give so much power to Dr. Anthony Fauci? Why do they continue to: ■ Prohibit cheap, available, safe and effective COVID-19 treatments? ■ Impose draconian closures on our society and economy? ■ Disproportionately harm or destroy small businesses and churches? ■ Make us wear masks and distance ourselves from each other? ■ Exaggerate the death rate from COVID-19 to frighten us? ■ Hide the high and growing vaccine death rate from all of us? ■ Make experimental "vaccines" that turn our bodies against ourselves? Dr. Breggin is a physician with 70+ scientific articles and 20+ medical texts and popular books. He is among the world's most experienced medical experts in landmark legal cases in psychiatry and neurosurgery, and now in COVID-19. The Breggins' bestsellers include Talking Back to Prozac and Toxic Psychiatry. Their research led the United States to cancel the deadly Chinese collaboration. Breggin is an intrepid scholar and is assiduous and methodological as he assembles all the pieces to the puzzle. His research, carried out with his wife Ginger, is impeccable, and his incisive approach sears the neck of those whose aim it is to wield power, control, and instill fear among the world's wealthiest nations.

Named one of the Best Romances of 2020 by Apple, Kirkus, PW, Washington Post, NPR, BookPage, OprahMag, EW, Insider, BuzzFeed, Bustle, and Amazon! USA Today bestselling author Talia Hibbert returns with another charming romantic comedy about a young woman who agrees to fake date her friend after a video of him “rescuing” her from their office building goes viral... Danika Brown knows what she wants: professional success, academic renown, and an occasional roll in the hay to relieve all that career-driven tension. But romance? Been there, done that, burned the T-shirt. Romantic partners, whatever their gender, are a distraction at best and a drain at worst. So Dani asks the universe for the perfect friend-with-benefits—someone who knows the score and knows their way around the bedroom. When big, brooding security guard Zafir Ansari rescues Dani from a workplace fire drill gone wrong, it’s an obvious sign: PhD student Dani and former rugby player Zaf are destined to sleep together. But before she can explain that fact to him, a video of the heroic rescue goes viral. Suddenly, half the internet is shipping #DrRugbae—and Zaf is begging Dani to play along. Turns out his sports charity for kids could really use the publicity. Lying to help children? Who on earth would refuse? Dani’s plan is simple: fake a relationship in public, seduce Zaf behind the scenes. The trouble is, grumpy Zaf is secretly a hopeless romantic—and he’s determined to corrupt Dani’s stone-cold realism. Before long, he’s tackling her fears into the dirt. But the former sports star has issues of his own, and the walls around his heart are as thick as his... um, thighs. The easy lay Dani dreamed of is now more complex than her thesis. Has her wish backfired? Is her focus being tested? Or is the universe just waiting for her to take a hint? “Talia Hibbert is a rockstar! Her writing is smart, funny, and sexy...” - Meg Cabot, #1 New York Times bestselling author of the Little Bridge Island and Princess Diaries series Featured in OprahMag, Bustle, Parade, PopSugar, New York Post, Essence, Travel & Leisure, Ms. Magazine, TheSkimm, Betches, Shondaland, BuzzFeed and more...

.0000000000Connie's unhappy marriage to Clifford Chatterley is one scarred by mutual frustration and alienation. Crippled from wartime action, Clifford is confined to a wheelchair, while Connie's solitary, sterile existence is contained within the narrow parameters of the Chatterley ancestral home, Wragby. She seizes her chance at happiness and freedom when she embarks on a passionate affair with the estate's gamekeeper, Mellors, discovering a world of sexual opportunity and pleasure she'd thought lost to her. The explosive passion of Connie and Mellors' relationship - and the searing candour with which it is described - marked a watershed in twentieth century fiction, garnering Lady Chatterley's Lover a wide and enduring readership and lasting notoriety. The text is taken from the privately published Author's Unabridged Popular Edition of 1930, the last to be supervised in the author's lifetime. It also includes Lawrence's My Skirmish with Jolly Roger, his witty essay describing the pirating of this most notorious novel which was specially written as an Introduction to this edition. With an Afterword by Anna South. Theory and Practice of Therapeutic Massage, 5th edition is the classic text in the massage industry including the essential knowledge and skills needed to become a successful, professional massage therapist, plus the essentials of anatomy and physiology.
