Sullivan brings an unlikely heroine to the page, turning on its head everything we've been told about The Three Musketeers and their ultimate rival. I've gone by many names, though you most likely know me as Milady de Winter: Villainess. Seductress. A secondary player in someone else's tale. It's finally time I tell my own story. The truth isn't tidy or convenient, but it's certainly more interesting. Before you cast judgment, let me start at the beginning, and you shall learn how an innocent girl from the countryside became the most feared woman in all of Europe. Because we all know history was written by men, and they so often get things wrong.
