effective solutions to many health disorders, from backaches to headaches. You may be interested in alternative care approaches, but have a number of questions you'd like answered before choosing a treatment. "Will I feel the acupuncture needles?" "What is a homeopathic remedy?" Your Guide to Alternative Medicine provides the facts necessary to choose an effective complementary care therapy. This comprehensive reference clearly explains numerous approaches in an easy-to-use format. For every complementary care option discussed, there is a description and brief history; a list of conditions that respond; information on cost and duration of treatment; credentials and educational background of practitioners; and more. To find those therapies most appropriate for a specific condition, a unique troubleshooting chart lists common disorders along with the complementary approaches best suited to treat them. Here is a reference that can help you make informed decisions about all your important healthcare needs.

Milady has evolved for over 85 years to become what it is today, the cornerstone of beauty and wellness education. We are very excited and proud to announce the latest edition of Milady Standard Cosmetology, the most commonly used resource in cosmetology education. For decades since our first textbook published, it has been our commitment to provide students with the foundation in the principles and skills needed to master the science and art of cosmetology, and with this latest version that commitment has not waivered. For the new edition, celebrity stylist Ted Gibson served as Creative Director on the project. The result is a brilliant new design with over 750 new photos and a gorgeous layout, providing a visually stunning resource to engage today's learner. We also recruited a team of twelve authors, made up of top professionals and educators in the industry, to provide the most current information on concepts and techniques. During our extensive peer review and development

Accidents happen, even in the structured, pampering environment of a professionally-run salon or spa. How often have you asked yourself What would I do if...? What would you do if a client had a heart attack or suddenly stopped breathing? What should you do if your client is burned or breaks out in a strange rash during treatment? The Esthetician's Guide to Client Safety and Wellness is designed to offer practical, safety-based information and tips to decrease the possibility of infection, as well as accidents or injuries during treatment or service. An entire section is dedicated to cautions and contraindications
