

## *Miracles Of The Mantle*

Miracles in Greco-Roman Antiquity presents a collection in translation of miracle stories from the ancient world. The material is divided up into four main categories including healing, exorcism, nature and raising the dead. Wendy Cotter, in an introduction and notes to the selections, contextualizes the miracles within the background of the Greco-Roman world and also compares the stories to other Jewish and non-Jewish miracle stories of the Mediterranean world. This sourcebook provides an interdisciplinary collection of material which will be of value to students of the New Testament.

Antoine Jasmine is a Master Prophet--- A Modern day Elijah called by God as " A Prophet to the Nations " since the age of sixteen. His expertise in the supernatural and prophetic realms have allotted him the opportunity to develop a manuscript that will thrust anyone called by God to experience the prophetic, walk in the office of the prophet and dominate the prophetic realm. His tome is written with such eloquence and clarity that anyone who reads it should be able to execute their prophetic gift. Prophet Antoine Jasmine is a highly sought after phenomenon that goes forth in true miracles, signs and wonders. Through his God-given gift the dead have been raised, the lame have walked, the deaf have recovered their hearing, dreams have been interpreted with accuracy and visions have been elucidated. His gift is the essence of prophecy---a true prophetic connection.

Despite the dominance of scientific explanation in the modern world, at the beginning of the twenty-first century faith in miracles remains strong, particularly in resurgent forms of traditional religion. In *Miracles*, David L. Weddle examines how five religious traditions—Hinduism, Judaism, Buddhism, Christianity, and Islam—understand miracles, considering how they express popular enthusiasm for wondrous tales, how they provoke official regulation because of their potential to disrupt authority, and how they are denied by critics within each tradition who regard belief in miracles as an illusory distraction from moral responsibility. In dynamic and accessible prose, Weddle shows us what miracles are, what they mean, and why, despite overwhelming scientific evidence, they are still significant today: belief in miracles sustains the hope that, if there is a reality that surpasses our ordinary lives, it is capable of exercising—from time to time—creative, liberating, enlightening, and healing power in our world.

That Which Occupies the central and dominant place in what the Spirit has been pleased to record of the life of Elisha is the miracles performed by and connected with him. Far more miracles were wrought by him or were granted in answer to his prayers than any other of the Old Testament prophets. The character of Elisha's mission and ministry was in thorough keeping with Israel's condition at that time. The very fact that these miracles were needed indicates the state into which Israel had fallen. A.W Pink unfolds the life and miracles of Elisha in 30 power packed Chapters of this famous Prophet of God.

God approved the Ministry of Jesus on earth by miracles, signs and wonders. Our present day ministry should not be any less. This book, *HEALINGS MIRACLES SUPERNATURAL SIGNS AND WONDERS*, is a testimony and evidence of God's continued flow in the supernatural even in our days. The author practically unfolds secrets for tapping into the supernatural realms to transform lives in the physical realm. The amazing testimonies of God's power at work in people's lives are mind blowing. This is not just a book, but a mantle that is capable of transmitting the same grace to you. If you are tired of living the ordinary life, this is the book to read.

A Sourcebook for the Study of New Testament Miracle Stories

*This book, PICK UP YOUR MANTLE covers topics such as Divine call of Elisha, persistence in the race, confrontation and challenges; Beware! Don't ridicule God's ministers; faithfulness and fruitfulness in ministry; left alone in grief; meaning of mantle; taking initiatives; causes and healing of barrenness; sharing things of the altar with less privileged flocks; dig your ditches; relationships between Kings and Prophets; unfaithfulness of Gehazi and its consequences; whatever goes down must come up; Why was God so evident in the Bible, and seems so hidden today?; Miracle in the grave; Anointing transfer processes etc. and summary of miracles performed by Elijah and Elisha. The world is getting tired of the usual rhetoric from some ministers of God: "While I was praying yesterday for this program the Lord told me"; "While I was fasting and praying on Good Friday, the Holy Spirit told me...." Would God speak to those ministers concerning their mega-ministries only and without a revelation of these vexing issues of terrorist threats and attacks? Would God overlook the security of His children now that we have suicide bombers and regular incidents of kidnapping for ransom in churches, schools etc? It is ironic for a Pastor to inform the church God told him: "there would be abundant blessings during a planned revival meeting," whereas a sad incident of kidnapping a young woman took place in the very presence of God. Where is Prophet Agabus of our generation? As the immediately inspired spokesmen of God, could those God's Generals come up with divine revelation on the location of the safe haven of the most wanted Nigeria's Boko Haram leader, Abubakar Shekau, as Elisha provided intelligence that paved the way to frustrate military efforts against the King of Israel? This is the time to demonstrate the power of God by walking the talk. Already the US Government has offered highest reward of \$7 million for anybody that can*

*provide information that can lead to his capture. Let's have a fire drill: let's have a dry-run of His second coming. Let people quiver before God and tremble on the streets and cry for mercy. Let the dry-run hold sinful men in the grip of terrifying judgment. Let the people cry out like the rich man begged Abraham for water from the tip of Lazarus finger. We call for total sanitization of the church of God before His second coming. Rev. Dickson Agu Nwachuku has been a pastor, ministering in conferences and churches for over two decades. He is the Senior Pastor, Altar of Praise Ministries Int'l Church, Port Harcourt, Nigeria. Prior to his call and ordination he was a senior staff member of the Rivers State University of Science and Technology, Port Harcourt, Nigeria. He holds a Master of Philosophy (M.Phil.) degree in Soil Chemistry and Fertility. He is happily married with five children.*

*Pain is NOT the end of your story. Katie Souza was a career criminal, and after being convicted of a number of felonies, she was sent to federal prison to serve almost twelve years. While serving what would be her final prison sentence, Katie encountered God in a way that dramatically changed her life. She immediately became an outspoken advocate for Jesus, and her infectious love for Him caused many women inside her cell block to accept Him as their Savior. Her story is a vivid demonstration of the desperate need we have for the healing of soul wounds—the often unidentified impediment that holds us back. Through this remarkable story and teaching, you will be able to find a pathway to healing and receive the blessings God is pouring out.*

*Water is a vital resource and is widely acknowledged as such. Thus it often serves as an ideological and linguistic symbol that stands for and evokes concepts central within a community. This volume explores 'thinking of water' and concepts expressed through references to water within the symbolic system of the late Persian/early Hellenistic period and as it does so it sheds light on the social mindscape of the early Second Temple community.*

This world CANNOT be all there is -- and this book helps to make that truth more REAL to each one of us! An excellent gift book, suitable for all ages.**

**This volume challenges the assumptions that modern readers tend to make about four of the Hebrew Bible's most prominent heroes. Using a form of reader-response theory, Kissling examines the assumption that these characters are primary vehicles of the narrator's point of view. In three of the four cases it is concluded that traditional idealistic assumptions do not do justice to the textual evidence in its final form. The work calls upon the reader to consider the subtlety of the means used in portraying these heroes and gives evidence for the decidedly negative aspects in their portrayals.**

The clothing worn by the clergy in a church represents the respect, honor and blessing of anointing placed on the individual wearing it. It is seen by many as a calling from God to be the one standing in the gap, guiding and encouraging others toward God and His outstretched hand. Author Joyce Wooden expounds more on the significance of this calling in her new book, *The Mantle of Ministry, Embracing the Call*. Delving into studying the ministries of Elijah and Elisha, Joyce seeks to educate readers on understanding that an anointing from God is not found in the garments worn by clergy, but in the hearts and faiths of those called by God. Joyce explores the stories and ministries of Elijah and Elisha, defining the mantle as a godly robe that respected clergy wore to be closer to God and to perform miracles on His behalf. She discussed how Elijah performed fifteen miracles and Elisha performed thirty (after Elijah's departure), and how in their day of ministry, emphasis was given to every piece of garment worn by the higher clergy members. However, her book is not just on comprehending the measure of God's anointing on the mantle and clothing worn by the clergy, but drawing the connection that the anointing was more in the person than the clothing. As her studies of Elijah and Elisha reveal, the departure of Elijah on chariots of fire into the sky and the cloth falling from the sky into Elisha's hands meant that it was the heart God wants most from those He anoints. Her hope is that this book inspires men and women to answer the call God has placed on their lives for ministry.

Those called were given the gifts from God to bring glory to Him, while leading His children back to His loving presence.

The ministry of the Prophet Elijah is a testament to the power of the Holy Spirit in every prophet's life. His life is the culmination of the work of holiness and glory that is at the very heart of God. However, as with all men, Elijah is not without his worldly struggles. He has experienced a life of despair and emotional unrest in having to deal with an evil prophetess of Baal named Jezebel. Our first encounter with Elijah begins in 1 Kings 17:1. In this scripture we can witness the power of the office that is carried by those who walk with a prophetic mantle. There are some scholars who would want us to believe that the works of Elijah were for Elijah alone rather than the ability of every prophet who carries a prophetic mantle. These same scholars would lead us to believe that the works of Christ were for Christ alone rather than having been passed down to the church [John 14:12]. These scholars are called Cessationists. A Cessationist is someone who believes that the "miracle gifts" of tongues and healing have ceased—that the end of the apostolic age brought about cessation of the miracles associated with that age. Most Cessationists believe that, while God can and still does perform miracles today, the Holy Spirit no longer uses

individuals to perform miraculous signs. This book will dispel that misnomer of the cessation belief much to the dislike of those who walk in the cessation theology. The Elijah anointing is for every believer not just prophets. It is manifested through the actions of the Holy Spirit in order to establish God's kingdom and salvation message to men. In 1 Kings 17:1 Elijah immediately begins with the use of the power of his office and causes a great drought to enter Israel because of the unbelief and disobedience against God. Elijah addresses King Ahab in this proclamation. We must read the scripture as it is written. The Lord did not instruct Elijah directly to proclaim this decree. However, through his prophetic calling God honored his proclamation in bringing the drought. God even went so far as to honor the word of Elijah when he told Ahab that the drought would not end, "except by my word" [v1]. In this statement we begin to understand the authority the Lord gives the prophetic office. It is His heart and it is His ministry. The office of the Prophet was established at the foot of Mt. Sinai [Deut. 18:15]. In this book I will establish the authority and power that God has given to us by using Elijah as an example of His presence upon the earth. Elijah is very much in tune with an heaven and earth covenant. He is a foreshadowing of Jesus' ministry. The ministry that re-established our relationship with God and removed the exile from His presence. In all my years of ministry, I have come to understand that the Lord gives us precedence and power to declare His kingdom upon the earth and to stir the atmosphere with His prophetic anointing. A great part of the Elijah anointing is not just the presence of miracles and supernatural events but Elijah drew attention to the sin of the nation and the sinfulness of its leaders. Consider 1 Kings 18:18, "I have not troubled Israel, but you and your father's house have, because you have forsaken the commandments of the Lord and you have followed the Baals." Elijah is rebuking Ahab for having forsaken the Lord and turned to the ways of the spirit of Jezebel. Elijah is referring to the command given their forefathers in the wilderness before God brought them into the Promised Land under Joshua. "But if your heart turns away and you will not obey, but are drawn away and worship other gods and serve them, I declare to you today that you shall surely perish" [Deut. 30:17-18]. From the hut of a bankrupt widow to audiences with kings, he went to minister the glorious message of the almighty God bringing miracles and deliverance to all that were caught in his wake. Welcomed by the poor and the rich, he ministered to the needs of all of God's people. From handing out dirt to restoring the sight of the blind, his ministry impacted people all over the world. A kind and gentle man that brought growth in numbers to the sons of the prophets. One of the few prophets mentioned by Jesus Christ for being a miracle worker during his teachings. The Prophet Elisha is a great example of one who is faithful to his spiritual leader until the mantle is passed to him and then is blessed with greater exploits than his teacher. These lessons will bring awe to the students as it builds faith in them to become the ministers of faith and miracles. She was not. She knew her own strength. She could do this, and she could do it alone. She was not a little girl anymore. When no one was looking, she turned into a bright, strong, mature, independent woman. She wonders if the void in her heart would be the same if her parents had lived. Born out of wedlock to a rebellious teenaged mother, Bella Rose became known as the homeliest child the people of Homewood, Montana, had ever seen. Born with odd facial features and a club foot, she would later be stricken with poliomyelitis, resulting in further disability. Unsuccessful attempts to correct her severe spinal curvature defect resulted in even more damage to her face. A lonely and despondent teenager who had to endure the bullying of children and cruel stares of the adults in her community, Bella Rose prayed for a miracle. She would have been happy to walk normally. To be rid of her "hunchback" would have been a bonus. To wish for even a common face that didn't draw stares from strangers would have been asking too much. With no prospects for any semblance of a normal life and condemned to a life of poverty in Homewood, Bella found her miracle. Heeding "a still, small, voice," Travis Hartley, a local hometown hero, befriended Bella and showed her a simple kind of love that she had never known. His singular act of kindness started her on an amazing journey from hopelessness and despair to a life of happiness and accomplishment.
