

Misdemeanor Ticket Manual Guide

Criminal Investigation Handbook now contains critical information you need to know about use of the internet in perpetrating a computer crime -- especially cybercrime - and websites, e-mail addresses, and databases you can use in your investigation! It provides you with current information in a format that is easy to understand and apply to your investigation. Whether you are a law enforcement officer, prosecutor, or criminal defense lawyer, you will find the information in this book useful to your case. Covering the practical aspects of an investigation as well as pertinent legal analysis - and including a wealth of illustrations, checklists, and forms - this title will prove itself invaluable to your case.

Aimed at those who need to understand, investigate, and prosecute computer crimes of all kinds, this book discusses computer crimes, the criminals, and laws and profiles the computer criminal (using techniques developed for the FBI and other law enforcement agencies). It outlines the risks to computer systems and personnel, operational, physical, and communications measures that can be taken to prevent computer crimes.

The Texas criminal justice system has come a long way since the early 1990s, when a vicious crime spree by paroled murderer Kenneth McDuff convinced lawmakers and citizens that the system had broken down. In this book, District Attorney Ken Anderson describes major reforms that followed the McDuff case as he provides a complete overview of the criminal justice system in Texas. Using simple language that any citizen can understand, Anderson describes all aspects of the system--officials (police, prosecutors, judges), criminal procedure, criminal law, criminal punishments, victims' rights, and the juvenile system. He illustrates his points with real-life stories of crime and punishment. Throughout the book, Anderson emphasizes two facts--that crime prevention programs, stricter law enforcement, and increased prison space have dramatically lowered the crime rate in Texas and that citizen activism is very effective in bringing reform to the criminal justice system. This book will be essential reading for everyone--public and professional--concerned with criminal justice in Texas.

This book is a step-by-step guide to the sentencing of felonies, misdemeanors, and impaired driving in North Carolina. It includes the felony and misdemeanor sentencing grids that apply under Structured Sentencing and a table showing the different sentencing levels for DWI. The book also includes materials on diversion programs (deferred prosecution and conditional discharge), probation supervision, fines and fees, and sex offender registration.

Strengthening the "good Citizen" Corporation

Systemic discrimination, recidivism, poor education, poverty, a flawed health-care system, and a corporate-controlled government are not new topics. Few remedies are tendered to alleviate these afflictions. Today's political storm is the evidence. Victims of police brutality.

Protestors wanting justice. Business owners closing their doors. Teachers unable to educate. First responders lacking resources. The evicted unemployed. Politicians serving their corporate masters. The people affected by this political storm are seeking answers. The Red Herring Effect promotes critical thinking. It presents step-by-step strategies to reduce or abolish the problems plaguing our nation. The design of this book is to open the eyes of the politically divided people instead of creating propaganda designed to divide.

This symposium focused on the ways in which companies, industries, & enforcement officials have responded to the organizational sentencing guidelines' incentives & other changes in the enforcement landscape that encourage businesses to develop strong compliance programs & adopt crime-controlling measures. Topics included organizational guidelines, corporate experiences in developing effective compliance programs, evolving compliance standards, enforcement schemes & policies, protection of compliance practices from disclosure, & the government's role in fostering good corporate citizenship. Ó Illustrated.

From Nick Capodice & Hannah McCarthy, the hosts of New Hampshire Public Radio's Civics 101, and New Yorker cartoonist Tom Toro, *A User's Guide to Democracy* is a lively crash course in everything you should know about how government works. Do you know what the Secretary of Defense does all day? Are you sure you know the difference between the House and the Senate? Have you been pretending you know what Federalism is for the last 20 years? Don't worry--you're not alone. The American government and its processes can be dizzyingly complex and obscure. Until now. Within this book are the keys to knowing what you're talking about when you argue politics with the uncle you only see at Thanksgiving. It's the book that sits on your desk for quick reference when the nightly news boggles your mind. This approachable and informative guide gives you the lowdown on everything from the three branches of government, to

you can actually do to make your vote count, to how our founding documents affect our daily lives. Now is the time to understand who does what, how they do it, and the best way to get them to listen to you.

The Parliamentary Guide: a Manual for the Electors of Both Houses of the Parliament of Tasmania. MS. Corrections

This paper provides an overview of the federal sentencing system. For historical context, it first briefly discusses the evolution of federal sentencing during the past four decades, including the landmark passage of the Sentencing Reform Act of 1984 (SRA),¹ in which Congress established a new federal sentencing system based primarily on sentencing guidelines, as well as key Supreme Court decisions concerning the guidelines. It then describes the nature of federal sentences today and the process by which such sentences are imposed. The final parts of this paper address appellate review of sentences; the revocation of offenders' terms of probation and supervised release; the process whereby the United States Sentencing Commission (the Commission) amends the guidelines; and the Commission's collection and analysis of sentencing data.
