number of very short, short and long thoroughly revised and corrected to remove the errors which crept into earlier editions. The book entitled "Priority Sector Lending in India by Public Sector Banks- A Study of Pre

Read Book Mishra And Puri Economics Latest Edition

and Post-Reform Period” is a Ph.D. thesis evaluated by Dr. Tapan Choure, Professor and Head, Vikram University, Ujjain (MP) and Dr. Shakuntla Gupta, Professor, Punjabi University Patiala (Punjab). Both these

Read Book Mishra And Puri Economics Latest Edition

evaluators had recommended the publication of the thesis in its present form. Two research papers have been published from this thesis in the journal of “the Finance-India” and the Indian Journal of Economics.

Read Book Mishra And Puri Economics Latest Edition

Commercial banks are supposed to play an important role in achieving the economic development by providing effective institutional credit support to various regions/sectors/sections.

Read Book Mishra And Puri Economics Latest Edition

Banking has been viewed as a catalytic agent that must develop and support not only single element of national economy, but, also provide an effective link between the productive, distributive and consumption

Read Book Mishra And Puri Economics Latest Edition

side of it. One of the most important objective of government policies since bank nationalization has been to extend and expand credit not only to those sectors which were of crucial importance in terms of

Read Book Mishra And Puri Economics Latest Edition

their contribution to national income and employment, but, also to those sectors which have been severely neglected in terms of access to institutional credit. Those sectors which were to be initially identified for this

Read Book Mishra And Puri Economics Latest Edition

purpose were agriculture, small scale industries and self employed persons. These sectors were accorded priority status in credit allocation by the banks. In fact, priority sector is still the butter and bread, both,

Read Book Mishra And Puri Economics Latest Edition

literally and figuratively of Indian economic growth. Therefore, they require a special status. Though, there is no known formal decision by the government regarding curtailment in priority sector

Read Book Mishra And Puri Economics Latest Edition

credit, yet, serious attempts have been in recent years to dilute the norms of priority sector lending. New banking culture after banking sector reforms is set to focus on credit to customer durables', to corporate allied and

Read Book Mishra And Puri Economics Latest Edition

to capital market related activities. Since the aim of banking reforms is to make public sector banking more proficient in treasury operations, the importance of investing in priority sector seems to have

Read Book Mishra And Puri Economics Latest Edition

lost its relevance for banks. The present study seeks to analyze the growth and structure of priority sector lending in different states during the pre and post-reform period in India. Further, an attempt is also made

Read Book Mishra And Puri Economics Latest Edition

to probe the trends in disparities in priority sector lending across the selected states of India. The scope of the study is confined to priority sector lending by the public sector banks only. Since public sector banks represent

Read Book Mishra And Puri Economics Latest Edition

majority of the commercial banking activities in India, the overall trend can be easily determined by analyzing the data of priority sector lending of the public sector banks alone. Public sector banks are those, which

Read Book Mishra And Puri Economics Latest Edition

are included in the second schedule of Reserve Bank of India Act 1934. However, the regional rural banks are not included in the present study. The main objective of the study is to analyze the level and

Read Book Mishra And Puri Economics Latest Edition

structure of priority sector lending in India during the pre and post-reform period. How with economic reforms, the growth and composition of priority sector lending has been affected needs to be analyzed.

Read Book Mishra And Puri Economics Latest Edition

Further, to what extent the different stipulated targets of priority sector lending are met also remains to be examined. Whether, priority sector credit is evenly disbursed across different states/sectors or is

Read Book Mishra And Puri Economics Latest Edition

confined to few states/sectors remain to be studied. So, the present study is an attempt to evaluate the performance of public sector banks during the pre and post-reform period in priority sector lending. The study

Read Book Mishra And Puri Economics Latest Edition

***comprises eight chapters in all.
The first chapter contains the
role of commercial banks in the
process of economic
development and the genesis of
priority sector lending in India.
Also, various issues relating to***

Read Book Mishra And Puri Economics Latest Edition

non-performing assets (NPAs) in priority sector lending is discussed in this chapter. Further, a brief review of literature on priority sector lending by the public sector banks has been presented in the

Read Book Mishra And Puri Economics Latest Edition

second chapter. The third chapter outlines the need, scope, objectives, hypothesis, limitations and methods of investigations used in the study. In the fourth and fifth chapter, the performance of public sector

Read Book Mishra And Puri Economics Latest Edition

banks in financing agriculture and small scale industries has been analyzed respectively. In the sixth chapter, the performance of banks with respect to 'other priority sector' has been evaluated. In the

Read Book Mishra And Puri Economics Latest Edition

seventh chapter, the performance of public sector banks with respect to overall priority sector lending has been examined. The growth and structure of NPAs in priority sector lending are also analyzed

Read Book Mishra And Puri Economics Latest Edition

in the seventh chapter. Finally, summing up of the findings and conclusions of the present study and suggestions for improving the quality of priority sector lending by public sector banks finds a place in the eighth (last)
