

Mockingjay Book Club Discussion Guide

The second book in Suzanne Collins's phenomenal and worldwide bestselling Hunger Games trilogy.

This digital collection includes all three books in Suzanne Collins's internationally bestselling Hunger Games trilogy together with The Ballad of Songbirds and Snakes. In the ruins of a place once known as North America lies the nation of Panem, a shining Capitol surrounded by twelve outlying districts. The Capitol keeps the districts in line by forcing them all to send one boy and one girl between the ages of twelve and eighteen to participate in the annual Hunger Games, a fight to the death on live TV...And the odds are against all who play. With all four of Suzanne Collins's Hunger Games novels in one digital collection, you can step into the world of Panem with the 10th annual Hunger Games, and continue all the way to the electrifying conclusion.

The ultimate companion guide to the blockbuster Hunger Games trilogy For all those who adore Katniss and Peeta, and can't get enough, this companion guide to the wildly popular Hunger Games series is a must-read and a terrific gift. Go deeper into the post-apocalyptic world created by Suzanne Collins than you ever thought possible—an alternative future where boys and girls are chosen from twelve districts to compete in "The Hunger Games," a televised fight-to-the-death. When sixteen-year-old Katniss learns that her little sister has been chosen, Kat steps up to fight in her place—and the games begin. This unauthorized guide takes the reader behind the stage. The Hunger Games Companion includes fascinating background facts about the action in all three books, a revealing biography of the author, and amazing insights into the series' main themes and features—from the nature of evil, to weaponry and rebellions, to surviving the end of the world. It's everything fans have been hungering for since the very first book! This book is not authorized by Suzanne Collins, Scholastic Press or anyone involved in the Hunger Games movie.

"A beautiful, poised, and thought-provoking debut about love, loss, coming out, and discovering living life on your own terms." —New York Times bestselling author Kathleen Glasgow There are two things that Corinne Parker knows to be true: that she is in love with Maggie Bailey, the captain of the rival high school's cross-country team and her secret girlfriend of a year, and that she isn't ready for anyone to know she's bisexual. But then Maggie dies, and Corinne quickly learns that the only thing worse than losing Maggie is being left heartbroken over a relationship no one knows existed. And to make things even more complicated, the only person she can turn to is Elissa—Maggie's ex, and the single person who understands how Corinne is feeling. As Corinne struggles to make sense of her grief and what she truly wants out of life, she begins to have feelings for the last person she should fall for. But to move forward after losing Maggie, Corinne will have to learn to be honest with the people in her life...starting with herself.

Voted America's Best-Loved Novel in PBS's The Great American Read Harper Lee's Pulitzer Prize-winning masterwork of honor and injustice in the deep South—and the heroism of one man in the face of blind and violent hatred One of the most cherished stories of all time, To Kill a Mockingbird has been translated into more than forty languages, sold more than forty million copies worldwide, served as the basis for an enormously popular motion picture, and was voted one of the best novels of the twentieth century by librarians across the country. A gripping, heart-wrenching, and wholly remarkable tale of coming-of-age in a South poisoned by virulent prejudice, it views a world of great beauty and savage inequities through the eyes of a young girl, as her father—a crusading local lawyer—risks everything to defend a black man unjustly accused of a terrible crime.

What if you could live again and again, until you got it right? On a cold and snowy night in 1910, Ursula Todd is born to an English banker and his wife. She dies before she can draw her first breath. On that same cold and snowy night, Ursula Todd is born, lets out a lusty wail, and embarks upon a life that will be, to say the least, unusual. For as she grows, she also dies, repeatedly, in a variety of ways, while the young century marches on towards its second cataclysmic world war. Does Ursula's apparently infinite number of lives give her the power to save the world from its inevitable destiny? And if she can -- will she? Darkly comic, startlingly poignant, and utterly original -- this is Kate Atkinson at her absolute best.

From flamboyant Capitol fashion to the wild, earthy textures of the unforgiving arena, The World of the Hunger Games is rich with stunning imagery. Between these pages you'll find intricate patterns, logos, and designs inspired by characters and scenes from all four The Hunger Games films, inviting you to fill them with color. Unleash your imagination and add your own flair to Effie Trinket's outrageous outfits, Katniss's trademark braids, Cinna's stunning creations, and, of course, the iconic Mockingjay. Both inspiring and relaxing, this gorgeous coloring book is a must-have for any The Hunger Games fan.

When high-achiever Mischa is rejected from every college she applies to, she teams up with a group of hacker girls to find who altered her transcript and set things right.

The Postmistress
The Hunger Games Trilogy
Beyond The Kitchen House

Series information taken from publisher's website.

A “sweeping and raw story of courage, resilience, and clear-eyed grace” (Sara Gruen, #1 New York Times bestselling author) about a teenage girl’s fierce struggle to reclaim her life from her abusive father in the vein of My Absolute Darling and Room. Fifteen-year-old equestrian prodigy Roan Montgomery has only ever known two worlds: inside the riding arena, and outside of it. Both, for as long as she can remember, have been ruled by her father, who demands strict obedience in all areas of her life. The warped power dynamic of coach and rider extends far beyond the stables, and Roan’s relationship with her father has long been inappropriate. She has been able to compartmentalize that dark aspect of her life, ruthlessly focusing on her ambitions as a rider heading for the Olympics, just as her father had done. However, her developing relationship with Will Howard, a boy her own age, broadens the scope of her vision. “[A] heart-pounding, can’t-take-your-eyes-off-it debut novel” (O, The Oprah Magazine), Dark Horses explores the themes of abuse and resilience in a way that will leave you transfixed. This is “a provoking and needed book” (Booklist, starred review).

Go deeper into the home of the Hunger Games with the creator of the best-known fan map of Panem • What does Panem look like? • How does Panem define race? • How do Panem's districts reflect the major themes of the trilogy? • What allusions to our world are found in Panem names like Finnick, Johanna, Beetee, Cinna, Everdeen, and Mellark? The Panem Companion gives fresh insight into Suzanne Collins' trilogy by looking at the world of the Hunger Games and the forces that kept its citizens divided since the First Rebellion. With a blend of academic insight and true fan passion, V. Arrow explores how Panem could have evolved from the America we know today and uses textual clues to piece together Panem's beliefs about class, ethnicity, culture, gender, sexuality, and more. Includes an extensive name lexicon and color-illustrated unofficial map

When a new, chatty, young couple and their two daughters move in next door, Ove's well-ordered, solitary world turns upside down.

The Unauthorized Guide to the Series

A Man Called Ove

#1 NEW YORK TIMES BESTSELLER * The author of The Devil in the White City and Dead Wake delivers an intimate chronicle of Winston Churchill and London during the Blitz--an inspiring portrait of courage and leadership in a time of unprecedented crisis "One of [Erik Larson's] best books yet . . . perfectly timed for the moment."--Time * "A bravura performance by one of America's greatest storytellers."--NPR NAMED ONE OF THE BEST BOOKS OF THE YEAR BY The New York Times Book Review * Time * Vogue * NPR * The Washington Post * Chicago Tribune * The Globe & Mail * Fortune * Bloomberg * New York Post * The New York Public Library * Kirkus Reviews * LibraryReads * PopMatters On Winston Churchill's first day as prime minister, Adolf Hitler invaded Holland and Belgium. Poland and Czechoslovakia had already fallen, and the Dunkirk evacuation was just two weeks away. For the next twelve months, Hitler would wage a relentless bombing campaign, killing 45,000 Britons. It was up to Churchill to hold his country together and persuade President Franklin Roosevelt that Britain was a worthy ally--and willing to fight to the end. In The Splendid and the Vile, Erik Larson shows, in cinematic detail, how Churchill taught the British people "the art of being fearless." It is a story of political brinkmanship, but it's also an intimate domestic drama, set against the backdrop of Churchill's prime-ministerial country home, Chequers; his wartime retreat, Ditchley, where he and his entourage go when the moon is brightest and the bombing threat is highest; and of course 10 Downing Street in London. Drawing on diaries, original archival documents, and once-secret intelligence reports--some released only recently--Larson provides a new lens on London's darkest year through the day-to-day experience of Churchill and his family: his wife, Clementine; their youngest daughter, Mary, who chafes against her parents' wartime protectiveness; their son, Randolph, and his beautiful, unhappy wife, Pamela; Pamela's illicit lover, a dashing American emissary; and the advisers in Churchill's "Secret Circle," to whom he turns in the hardest moments. The Splendid and the Vile takes readers out of today's political dysfunction and back to a time of true leadership, when, in the face of unrelenting horror, Churchill's eloquence, courage, and perseverance bound a country, and a family, together.

Single mother Jenny Lucas must find caregivers who will raise her five-year-old daughter when she's gone. Returning to her hometown in North Carolina, she's forced to mend relations with two possible custodians: the baby's father, who doesn't know he has a child, and her own cold-hearted father.

In winning a medal she is no longer there to receive, a tight-lipped little Polish girl teaches her classmates a lesson. Includes a note from the author's daughter, Helena Estes.

Standing in opposition to a class assignment to debate Hitler's Final Solution, seniors Cade and Logan become embroiled in turmoil involving their teacher, principal, Commissioner of Education, white supremacists, and their entire community.

National Book Award winner M. T. Anderson returns to future Earth in a sharply wrought satire of art and truth in the midst of colonization. When the vuvv first landed, it came as a surprise to aspiring artist Adam and the rest of planet Earth – but not necessarily an unwelcome one. Can it really be called an invasion when the vuvv generously offered free advanced technology and cures for every illness imaginable? As it turns out, yes. With his parents' jobs replaced by alien tech and no money for food, clean water, or the vuvv's miraculous medicine, Adam and his girlfriend, Chloe, have to get creative to survive. And since the vuvv crave anything they deem classic Earth culture (doo-wop music, still life paintings of fruit, true love), recording 1950s-style dates for the vuvv to watch in a pay-per-minute format seems like a brilliant idea. But it's hard for Adam and Chloe to sell true love when they hate each other more with every passing episode. Soon enough, Adam must decide how far he's willing to go – and what he's willing to sacrifice – to give the vuvv what they want.

A comprehensive and compelling guide to Suzanne Collins's bestselling young-adult, dystopian trilogy The Hunger Games, Catching Fire and Mockingjay. Already a publishing phenomenon to rival Harry Potter (over 50 million copies sold), the four blockbuster movies starring Jennifer Lawrence have grossed almost \$3 billion dollars at the box office. Suzanne Collins has created a series of characters and situations that have struck a chord not only with the target audience of teenagers, but which have also drawn in adult readers: the series is second only to Harry Potter in NPR's popular poll of the Top 100 Teen Novels. Robb explores themes in The Hunger Games, and the influences and inspirations that lie behind the books, highlighting where Suzanne Collins has drawn on mythology and history, reshaping them to fit her universe. He examines the characters and situations created in the book and how these have impacted on the books' largely teen readership. He also looks at reactions to the books from fans and critics, both acclaim and criticisms faced by the author. Robb chronicles the adaptation of The Hunger Games from acclaimed, best-selling novel to blockbusting film. With a script by Suzanne Collins herself, the film has made stars of Jennifer Lawrence as Collins' heroine Katniss Everdeen, Josh Hutcherson as Peeta Mellark and Liam Hemsworth as Gale Hawthorne.

NEW YORK TIMES bestselling author Suzanne Collins has created a deeply moving autobiographical picture book about a father who must go off to the war in Vietnam -- and the daughter who stays behind. When young Suzy's father leaves for Vietnam, she struggles to understand what this means for her and her family. What is the jungle like? Will her father be safe? When will he return? The months slip by, marked by the passing of the familiar holidays and the postcards that her father sends. With each one, he feels more and more distant, until Suzy isn't sure she'd even recognize her father anymore. This heartfelt and accessible picture book by Suzanne Collins, the NEW YORK TIMES bestselling author of the Hunger Games series, is accompanied by James Proimos's sweet and funny illustrations. This picture book will speak to any child who has had to spend time away from a parent.

Robin "Birdy" Perry, a new army recruit from Harlem, isn't quite sure why he joined the army, but he's sure where he's headed: Iraq. Birdy and the others in the Civilian Affairs Battalion are supposed to help secure and stabilize the country and successfully interact with the Iraqi people. Officially, the code name for their maneuvers is Operation Iraqi Freedom. But the young men and women in the CA unit have a simpler name

for it:WAR

"Fleeing her strict grandmother's home in 1963 Mississippi, 9-year-old Starla Claudelle becomes an unlikely companion to an African-American woman at whose side she learns harsh lessons about period segregation and family. By the RITA-winning author of Back Roads. 50,000 first printing."

Ambition will fuel him. Competition will drive him. But power has its price. It is the morning of the reaping that will kick off the tenth annual Hunger Games. In the Capitol, eighteen-year-old Coriolanus Snow is preparing for his one shot at glory as a mentor in the Games. The once-mighty house of Snow has fallen on hard times, its fate hanging on the slender chance that Coriolanus will be able to outcharm, outwit, and outmaneuver his fellow students to mentor the winning tribute. The odds are against him. He's been given the humiliating assignment of mentoring the female tribute from District 12, the lowest of the low. Their fates are now completely intertwined - every choice Coriolanus makes could lead to favor or failure, triumph or ruin. Inside the arena, it will be a fight to the death. Outside the arena, Coriolanus starts to feel for his doomed tribute . . . and must weigh his need to follow the rules against his desire to survive no matter what it takes.

Continues the story of Jamie Pyke, son of a slave and the master of Tall Oaks plantation, whose deadly secret compels him to take a treacherous journey through the Underground Railroad.

Beyond the Myth

The Hunger Games is the opening title in a novel series that also constitutes Catching Fire and Mocking jay. The three titles are jointly referred to as Hunger Games Trilogy. The first novel was listed as a New York Times Best Seller as well as the New York Times notable book of 2008. The series has garnered major praise from several writers, including Stephanie Meyer and Stephen King. The Guide To Hunger Games Trilogy presents an engaging way to probe into the enthralling world of the popular young adult novel series authored by Suzanne Collins. The resourceful solution offers interpretative insight into the trilogy's captivating escapades; starting with a detailed profiling of all the main characters in the series. For each title in the trilogy, a summary of the novel and a set of solved discussion questions are presented. The Hunger Games guide includes a thirty-point summary of the key differences between the book and its film adaptation. To assist the avid readers understand the idea behind the two sequels, a comprehensive description of the 'secret' of each title is included, as well as discussions of other contemporary themes in each book. Why Do I Need This Guide? This must-have guide is a perfect companion for anyone looking for a vivid introduction to the story or just seeking to construe the most noteworthy aspects of Hunger Games Trilogy. The interactive 'Book Club Discussion Questions and Answers' offer a valuable means of gauging the reader's interpretation of the book on a Q&A basis. Each question is accompanied by a comprehensive solution; such as the reason behind a character's action or an interpretation of a particular event or reaction in the adventure. This vital guide also includes reflection questions to assist the reader in exploring the connection between the trilogy and today's contemporary society.

Places the life of the fifteenth-century girl who has become a French national symbol within the social, religious, and political context of her time.

Phoenix, Arizona is one of America's fastest growing metropolitan regions. It is also its least sustainable one, sprawling over a thousand square miles, with a population of four and a half million, minimal rainfall, scorching heat, and an insatiable appetite for unrestrained growth and unrestricted property rights. In Bird on Fire, eminent social and cultural analyst Andrew Ross focuses on the prospects for sustainability in Phoenix--a city in the bull's eye of global warming--and also the obstacles that stand in the way. Most authors writing on sustainable cities look at places that have excellent public transit systems and relatively high density, such as Portland, Seattle, or New York. But Ross contends that if we can't change the game in fast-growing, low-density cities like Phoenix, the whole movement has a major problem. Drawing on interviews with 200 influential residents--from state legislators, urban planners, developers, and green business advocates to civil rights champions, energy lobbyists, solar entrepreneurs, and community activists--Ross argues that if Phoenix is ever to become sustainable, it will occur more through political and social change than through technological fixes. Ross explains how Arizona's increasingly xenophobic immigration laws, science-denying legislature, and growth-at-all-costs business ethic have perpetuated social injustice and environmental degradation. But he also highlights the positive changes happening in Phoenix, in particular the Gila River Indian Community's successful struggle to win back its water rights, potentially shifting resources away from new housing developments to producing healthy local food for the people of the Phoenix Basin. Ross argues that this victory may serve as a new model for how green democracy can work, redressing the claims of those who have been aggrieved in a way that creates long-term benefits for all. Bird on Fire offers a compelling take on one of the pressing issues of our time--finding pathways to sustainability at a time when governments are dismally failing in their responsibility to address climate change.

Experience World War 2 through the eyes of two very different women in this captivating New York Times bestseller by the author of The Guest Book. "A beautifully written, thought-provoking novel."—Kathryn Stockett, #1 New York Times bestselling author of The Help In 1940, Iris James is the postmistress in coastal Franklin, Massachusetts. Iris knows more about the townspeople than she will ever say, and believes her job is to deliver secrets. Yet one day she does the unthinkable: slips a letter into her pocket, reads it, and doesn't deliver it. Meanwhile, Frankie Bard broadcasts from overseas with Edward R. Murrow. Her dispatches beg listeners to pay heed as the Nazis bomb London nightly. Most of the townspeople of Franklin think the war can't touch them. But both Iris and Frankie know better... The Postmistress is a tale of two worlds—one shattered by violence, the other willfully naïve—and of two women whose job is to deliver the news, yet who find themselves unable to do so. Through their eyes, and the eyes of everyday people caught in history's tide, it examines how stories are told, and how the fact of war is borne even through everyday life.

The Hunger Games Trilogy A Guide Book, Questions and Answer, Mystery of Hunger Games, Mockingjay, Catching Fire Createspace Independent Publishing Platform

*The Hunger Games is on fire. This series of novels and movies is attracting millions. Jane Wells offers an exciting new perspective on novelist Suzanne Collins' complex world. Readers and moviegoers, young and old, continue to cheer for her hero Katniss Everdeen, a teenager fighting forces of injustice in a bleak future version of our world. Now, Jane Wells delves into this dystopian realm from a Christian perspective, exploring themes of social justice, transformation and unlikely heroism. In the novels and movies, Katniss is not content with the tragically unjust world in which she finds herself. Instead, she is on fire for justice and transformed by the love and loss she encounters. Jane Wells' new book, *Bird on Fire*, is thought-provoking for the individual reader, but the chapters also feature discussion questions, making this book an excellent option for small group study. The book opens with a description of the Mockingjay, the revolutionary symbol of hope that gives the second book in *The Hunger Games* trilogy its title. Jane Wells recounts several other tales of "unlikely heroes" from *The Hunger Games* (often paralleled by examples from scripture), including Katniss' own journey. Katniss risks her life to fight for justice. When Katniss emerges from the arena, she finds herself changed. She witnesses the death of her friend, Rue, and she experiences things no teenager should have to encounter. She also learns to appreciate the differences in those around her. Wells invites readers to reflect on these eye-opening experiences of love and loss, both in *The Hunger Games*-and in readers' our own lives. Then, Jane Wells invites us to take action. The fictional world of Panem is full of inequality and desperation-and Katniss fights desperately to make her world better for everyone. Wells guides us through issues of social justice featured in *The Hunger Games*, inviting us to model our actions on Katniss Everdeen-and our faith.*

First in the ground-breaking HUNGER GAMES trilogy, this new foiled edition of THE HUNGER GAMES is available for a limited period of time. Set in a dark vision of the near future, a terrifying reality TV show is taking place. Twelve boys and twelve girls are forced to appear in a live event called The Hunger Games. There is only one rule: kill or be killed. When sixteen-year-old Katniss Everdeen steps forward to take her younger sister's place in the games, she sees it as a death sentence. But Katniss has been close to death before. For her, survival is second nature.
