The #1 bestselling pioneer of "fratire" and a leading evolutionary psychologist team up to create the dating book for guys. Whether they conducted their research in life or in the lab, experts Tucker Max and Dr. Geoffrey Miller have spent the last 20+ years learning what women really want from their men, why they want it, and how men can deliver those qualities. The short answer: become the best version of yourself possible, then show it off. It sounds simple, but it's not. If it were, Tinder would just be the stuff you use to start a fire. Becoming your best self requires honesty, self-awareness, hard work and a little help. Through their website and podcasts, Max and Miller have already helped over one million guys take their first steps toward Ms. Right. They have collected all of their findings in Mate, an evidence-driven, seriously funny playbook that will teach you to become a more sexually attractive and romantically successful man, the right way: No "seduction techniques," No moralizing, No bullshit. Just honest, straightforward talk about the most ethical, effective way to pursue the win-win relationships you want with the women who are best for you. Much of what they've discovered will surprise you, some of it will not, but all of it is important and often misunderstood. So listen up, and stop being stupid!

The instant #1 New York Times bestseller! “It’s the best memoir I’ve ever read.” —Oprah Winfrey “Will Smith isn’t holding back in his bravely inspiring new memoir . . . An ultimately heartwarming read, Will provides a humane glimpse of the man behind the actor, producer and musician, as he bares all his insecurities and trauma.” —USA Today Winner of the NAACP Image Award for Outstanding Literary Achievement One of the most dynamic and globally recognized entertainment forces of our time opens up fully about his life, in a brave and inspiring book that traces his learning curve to a place where outer success, inner happiness, and human connection are aligned. Along the way, Will tells the story in full of one of the most amazing rides through the worlds of music and film that anyone has ever had. Will Smith’s transformation from a West Philadelphia kid to one of the biggest rap stars of his era, and then one of the biggest movie stars in Hollywood history, is an epic tale—but it’s only half the story. Will Smith thought, with good reason, that he had won at life: not only was his own success unparalleled, his whole family was at the pinnacle of the entertainment world. Only they didn’t see it that way: they felt more like star performers in his circus, a seven-days-a-week job they hadn’t signed up for. It turned out Will Smith’s education wasn’t nearly over. This memoir is the product of a profound journey of self-knowledge, a reckoning with all that your will can get you and all that it can leave behind. Written with the help of Mark Manson, author of the multi-million-copy bestseller The Subtle Art of Not Giving a F*ck, Will is the story of how one person mastered his own emotions, written in a way that can help everyone else do the same. Few of us will know the pressure of performing on the world’s biggest stages for the highest of stakes, but we can all understand that the fuel that works for one stage of our journey might have to be changed if we want to make it all the way home. The combination of genuine wisdom of universal value and a life story that is preposterously entertaining, even astonishing, puts Will the book, like its author, in a category by itself.

Nothing destroys trust like sexual betrayal. Beyond broken vows, a woman who discovers that the man she loves has been viewing pornography or having an affair must deal with devastating blows to her self-image and self-worth. She must grapple with the fact that the man she thought she knew has lied and deceived her. She may even bear the brunt of shame and judgment when the people around her find out. Drawing from her experience both as a marriage and family therapist and a woman who personally experienced the devastation of sexual betrayal, Dr. Sheri Keffer walks women impacted by betrayal through the pain and toward recovery. She explains how the trauma of betrayal affects our minds, bodies, spirits, and sexuality. She offers practical tools for dealing with emotional triggers and helps women understand the realities of sexual addiction. And she shows women how to practice self-care, develop healthy boundaries, protect themselves from abuse or manipulation, and find freedom from the burden of shame and guilt.

Debunks the "nice guy syndrome," the need to please others at one's own expense with the hope of receiving happiness, love, and fulfillment, and offers advice for how to rediscover oneself, revive one's sex life, and build better relationships with others.

Whether you're newly together and eager to make it work or a longtime couple looking to strengthen and deepen your bond, Eight Dates offers a program of how, why, and when to have eight basic conversations with your partner that can result in a lifetime of love. "Happily ever after" is not by chance, it's by choice- the choice each person in a relationship makes to remain open, remain curious, and, most of all, to keep talking to one another. From award-winning marriage researcher and bestselling author Dr. John Gottman and fellow researcher Julie Gottman, Eight Dates offers an ingenious and simple-to-implement approach to effective relationship communication. Here are the subjects that every serious couple should discuss: Trust. Family. Sex and intimacy. Dealing with conflict. Work and money. Dreams, and more. And here is how to talk about them—how to broach subjects that are difficult or embarrassing, how to be brave enough to say what you really feel. There are also suggestions for where and when to go on each date—book your favorite romantic restaurant for the Sex & Intimacy conversation (and maybe go to a yoga or dance class beforehand). There are questionnaires, innovative exercises, real-life case studies, and skills to master, including the Four Skills of Intimate Conversation and the Art of Listening. Because making love last is not about having a certain feeling—it's about both of you being active and involved.

New York Times Bestseller Men and Style reaches beyond standard “what to wear” advice: It is equal parts style guide and intriguing conversation about the masculine identity within the world of fashion. David Coggins explores the history of men’s style and learns from some of the most notable tastemakers in the industry and beyond. Its essays and interviews discuss the lessons men learned from their fathers, the mistakes they made as young men, and how they emerged to become better men. Some of the most dapper men in the world discuss bad mustaches, misguided cologne choices, and unfortunate prom tuxedos. All the men here have arrived at a place in the world and have a keen understanding about how they fit in it. Men and Style celebrates singular men who’ve lived well and can tell us about how they earned their worldview. They’re smart enough to absorb the wisdom that’s hidden in the world, and even smarter to wear that wisdom lightly.

Is it Worth \$15 To Learn How To Meet, Attract and Keep the Women You Most Desire? Models is the first book ever written on seduction as an emotional process rather than a logical one, a process of connecting with women rather than impressing them. It's the most mature and honest guide on how a man can attract women without faking behavior, without lying and without emulating others. A game-changer.

A mature guide to attraction that is neither insulting to women nor to the intelligence of its readers. While written for a general audience, this text caters especially to those with technical backgrounds. Logically minded individuals, such as engineers and computer programmers, are generally among the most befuddled when it comes to attracting women. While attraction and seduction are mor most critical and fundamental concepts. Inside this book you will not find pick-up lines, routines, gimmicks, tricks or manipulative mind games. While other resources provide surface level advice, this book tackles attraction on a first principles basis. By understanding how attraction works on the deepest level, you will learn to address the causes of your issues rather than just how to cover up t just how to act like one.

If half of all cars bought in America each year broke down, there would be a national uproar. But when people suggest that maybe every single marriage doesn’t look like the next and isn’t meant to last until death, there’s nothing but a rash of proposed laws trying to force it to do just that. In The New I Do, therapist Susan Pease Gadoua and journalist Vicki Larson take a groundbreaking look at marrying more consciously and creatively. Offering actual models of less-traditional marriages, including everything from a parenting marriage (intended for the sake of raising and nurturing children) to a comfort or safety marriage (where people marry for financial security or companionship), the book covers unique options for couples interested in forging their own paths. With advice and qu acts as a guide to thinking outside the marital box and the framework for a new debate on marriage in the 21st century.

"You can become irresistibly attractive to women without changing who you are." So says Mark Manson, superstar blogger and author of the international bestseller, 'The Subtle Art of Not Giving A F*ck,' a self help book that packs a punch. Mark brings the same approach to teaching men what they need to know about attracting women. In Models he shows us how much it sucks trying to attract women using the tricks and tactics recommended by other books. Instead, he says, men need to focus on seduction as an emotional process not a physical or social one. What matters is the intention, the motivation, the authenticity. To improve your dating life you must improve your emotional life - how you feel about yourself and how you express yourself to others. Funny, irreverent and confronting, Models is a mature and honest guide on how a man can attract women by giving up the bullsh*t and becoming an honest broker. A book and online profile that identifies a couple's strengths to help them build a more vital relationship. Based on an unprecedented national survey of 50,000 marriages, The Couple Checkup presents the principles for creating a successful couple relationship. The free online profile includes fifteen to twenty categories that are customized based on the relationship stage-whether dating, engaged, or married-the age, and whether or not children are involved. The book also includes the SCOPE Personality Profile and the Couple and Family Map of the relationship. Each chapter of the book matches a category in the free individual profile. While the book stands on its own, using the Couple Checkup with the book provides the maximum benefit. In addition, each chapter contains couple exercises to help build couple strengths in a variety of areas.

She was a professional model, long legs, high cheekbones, stunning red hair.And she was leaning in to kiss me! I was sixteen, this was going to be my first kiss... As her lips approached mine, I literally turned away, and then I nervously scurried out of the room.I didn't see her again for weeks (and I never ended up kissing her).Why did I do this?Because, like many modern men, I was insecure about my sexuality, I was afraid of rejection, and I lacked self-confidence. All I wanted was romantic connection, but I couldn't be vulnerable, and as a result, I spent 19 years without a woman's touch.I started reading articles and watching videos about how to pick up girls, I learned all the techniques, and spent years practicing them. But the techniques didn't work, because as men, we don't need tricks to create attraction. We need to learn how to face our fears and be vulnerable.But it's hard, it took me years to learn how to genuinely connect with women on my own.This is the book I wish I had: the book that would have cut years off my learning curve. Instead of teaching you how to build attraction, The Trial is a step-by-step guide to overcoming your insecurities by facing them directly. Through following the steps, you will learn...-The three-step process to enter a state of total self-confidence in which all of your fears become meaningless.-How to have an engaging conversation with anyone you meet.-How to gain so much value from rejection that you will literally look forward to being turned down.-How to use a website created by Harvard scientists to force yourself to succeed in any goal, dating or otherwise.-How to overcome your insecurities and demolish your fears through a scientifically proven technique.-The reason most people never improve (and how to be the exception)This book contains a set of carefully constructed challenges, each one will push you further outside of your comfort zone.If you complete the challenges, your success is guaranteed. In fact, if you read this book and don't get the results you want. I will personally give you a gift worth over \$100 as an apology.But I know I won't have to: so long as you can answer yes to one important question:Are you ready to take massive action?

Have you ever dreamt of becoming an infallible seducer of women? This book tells you everything you need to know, courtesy of the world's only major female PUA (pick-up artist), Kezia Noble! Unknown until a couple of years ago, Kezia was approached by the organisers to attend a PUA class meeting. She gave it to the other attendees straight, not caring if she offended anyone; the men took it on the chin and took her constructive criticisms on board. Within days and weeks they were trying out her suggested techniques and starting to become more successful with women. Kezia returned to the PUA classes and started to make a name for herself. Kezia Noble is the first woman to offer the aspiring pick-up artist advice on how to attract women from a woman's point of view. She now runs many classes and a workshop, and even produces corporate videos on the chemistry of attracting women. Now, in answer to requests from her students, Kezia has written a book on the 15 steps to becoming a master seducer - which will also prove an invaluable aid to men who cannot afford her classes, who work too far away or don't have enough time. The Noble Art of Seducing Women is the first and only sure-fire pick-up guide to be written by a woman. It has the potential to transform a lonely man into someone who need never be single again . . . unless, of course, he wants to be. Kezia Noble works with her students instead of belittling them. As a sensitive and intelligent young woman, she is becoming known as the best PUA in the business...

That's where 101 Places to Have Sex Before You Die comes into play. This fun, portable workbook provides a list of everyday places where venturesome people can have sex -- without too much difficulty. Each location features: - a difficulty rating (cakewalk to sexperts only) - helpful icons to indicate certain hazards or special considerations for each place (for instance, if there's a chance you might get arrested; if there are time constraints; if there's a risk of embarrassment; if any special equipment is needed, etc.) - a box to check once you've successfully completed the deed - a place to mark whether or not it's worth a repeat performance Whether you're feeling romantic, adventurous, sporty, lazy, or just plain naughty, 101 Places to Have Sex Before You Die is a must-have for anyone who enjoys a good roll in the hay (or on a floating dock, or even in the reptile house at the zoo).

Currie breaks down the "Four Modes of Verbal Communication" to help readers better understand why men exhibit the behavior they do towards the women they are either interested in dating or having a few episodes of casual sex with.

Describes what women seek in a man and the steps a man needs to take to win women over.

Examining changing role models for masculine identity--from cowboy in the 1950s to Terminator in the 1990s, from flesh-and-blood man to machine--this book suggests that men need new role models and that sufficient room needs to be left for the expression of male vulnerability, a psychic space that would accept attitudes and behaviors traditionally labeled as "feminine." This new model, Badinter argues, may reduce the profound effects of homophobia and misogyny.

Hidden somewhere, in nearly every major city in the world, is an underground seduction lair. And in these lairs, men trade the most devastatingly effective techniques ever invented to charm women. This is not fiction. These men really exist. They live together in houses known as Projects. And Neil Strauss, the bestselling author and journalist, spent two years living among them, using the pseudonym Style to protect his real-life identity. The result is one of the most explosive and controversial books of the last decade—guaranteed to change the lives of men and transform the way women understand the opposite sex forever. On his journey from AFC (average frustrated chump) to PUA (pick-up artist) to PUG (pick-up guru), Strauss not only shares scores of original seduction techniques but also has unforgettable encounters with the likes of Tom Cruise, Britney Spears, Paris Hilton, Heidi Fleiss, and Courtney Love. And then things really start to get strange—and passions lead to betrayals lead to violence. The Game is the story of one man's transformation from frog to prince to prisoner in the most unforgettable book of this generation.

Which sort of seducer could you be? Siren? Rake? Cold Coquette? Star? Comedian? Charismatic? Or Saint? This book will show you which. Charm, persuasion, the ability to create illusions: these are some of the many dazzling gifts of the Seducer, the compelling figure who is able to manipulate, mislead and give pleasure all at once. When raised to the level of art, seduction, an indirect and subtle form of power, has toppled empires, won elections and enslaved great minds. In this beautiful, sensually designed book, Greene unearths the two sides of seduction: the characters and the process. Discover who you, or your pursuer, most resembles. Learn, too, the pitfalls of the anti-Seducer. Immerse yourself in the twenty-four manoeuvres and strategies of the seductive process, the ritual by which a seducer gains mastery over their target. Understand how to 'Choose the Right Victim', 'Appear to Be an Object of Desire' and 'Confuse Desire and Reality'. In addition, Greene provides instruction on how to identify victims by type. Each fascinating character and each cunning tactic demonstrates a fundamental truth about who we are, and the targets we've become – or hope to win over. The Art of Seduction is an indispensable primer on the essence of one of history's greatest weapons and the ultimate power trip. From the internationally bestselling author of The 48 Laws of Power, Mastery, and The 33 Strategies Of War.

*#1 New York Times Bestseller Over 10 million copies sold In this generation-defining self-help guide, a superstar blogger cuts through the crap to show us how to stop trying to be "positive" all the time so that we can truly become better, happier people. For decades, we've been told that positive thinking is the key to a happy, rich life. "F**k positivity," Mark Manson says. "Let's be honest, shit is f**ked and we have to live with it." In his wildly popular Internet blog, Manson doesn't sugarcoat or equivocate. He tells it like it is—a dose of raw, refreshing, honest truth that is sorely lacking today. The Subtle Art of Not Giving a F**k is his antidote to the coddling, let's-all-feel-good mindset that has infected American society and spoiled a generation, rewarding them with gold medals just for showing up. Manson makes the argument, backed both by academic research and well-timed poop jokes, that improving our lives hinges not on our ability to turn lemons into lemonade, but on learning to stomach lemons better. Human beings are flawed and limited—"not everybody can be extraordinary, there are winners and losers in society, and some of it is not fair or your fault." Manson advises us to get to know our limitations and accept them. Once we embrace our fears, faults, and uncertainties, once we stop running and avoiding and start confronting painful truths, we can begin to find the courage, perseverance, honesty, responsibility, curiosity, and forgiveness we seek. There are only so many things we can give a f**k about so we need to figure out which ones really matter, Manson makes clear. While money is nice, caring about what you do with your life is better, because true wealth is about experience. A much-needed grab-you-by-the-shoulders-and-look-you-in-the-eye moment of real-talk, filled with entertaining stories and profane, ruthless humor, The Subtle Art of Not Giving a F**k is a refreshing slap for a generation to help them lead contented, grounded lives.*

If you want to play the Game, you've got to know the Rules. In his international bestseller The Game, Neil Strauss delved into the secret world of pick-up artists—men who have created a science out of the art of seduction. Not only did he reveal the techniques that they had developed, but he became a master of The Game, and the world's No. 1 PUA, as Style. Now, in this bestselling companion, Strauss reduces three books of life-changing knowledge into a single-volume set. The first book, The Stylelife Challenge, breaks down the knowledge he learned and techniques he invented into simple step-by-step instructions that anyone can follow to meet and land the women of their dreams. In the second book, Strauss takes readers into the dark side of The Game. The Style Diaries offers a series of tales of seduction and sexual (mis)adventure. From accidentally getting married during a drunken night in Reykjavik, to luring a famous musician's granddaughter into a threesome, to the stress and frustration of the torturous and highly unorthodox "30 Day Sex Experiment," The Style Diaries takes you further into the seduction underworld than ever before. Finally, in the all-new, updated third volume, Strauss collects the greatest, most powerful, field-tested, word-for-word routines. You don't need money, looks, or fame to succeed with women. All you need is an understanding of how attraction works—and this thirty-day workout program for your social skills, which has already guided countless men from frustration to fulfillment.

What is your true purpose in life? What do women really want? What makes a good lover? If you're a man reading this, you've undoubtedly asked yourself these questionsbut you may not have had much luck answering them. Until now. In The Way of the Superior Man David Deida explores the most important issues in men's livesfrom career and family to women and intimacy to love and spiritualityto offer a practical guidebook for living a masculine life of integrity, authenticity, and freedom.
