*"Crombie's characters are rich, emotionally textured, fully human. They are the remarkable creations of a remarkable writer."—Louise Penny "Nobody writes the modern English mystery the way Deborah Crombie does—and A Bitter Feast is the latest in a series that is gripping, enthralling, and just plain the best." — Charles Todd, New York Times bestselling author of The Black Ascot and A Cruel Deception New York Times bestselling author Deborah Crombie returns with a mesmerizing entry in her "excellent" (Miami Herald) series, in which Scotland Yard detectives Duncan Kincaid and Gemma James are pulled into a dangerous web of secrets, lies, and murder that simmers beneath the surface of a tranquil Cotswolds village. Scotland Yard Detective Superintendent Duncan Kincaid and his wife, Detective Inspector Gemma James, have been invited for a relaxing weekend in the Cotswolds, one of Britain's most enchanting regions, famous for its rolling hills, golden cottages, and picturesque villages. Duncan, Gemma, and their children are guests at Beck House, the family estate of Melody Talbot, Gemma's detective sergeant. The Talbot family is wealthy, prominent, and powerful—Melody's father is the publisher of one of London's largest and most influential newspapers. The centerpiece of this glorious fall getaway is a posh charity harvest luncheon catered by up-and-coming chef Viv Holland. After fifteen years in London's cut-throat food scene, Viv has returned to the Gloucestershire valleys of her childhood and quickly made a name for herself with her innovative meals based on traditional cuisine but using fresh local ingredients. Attended by the local well-to-do as well as national press food bloggers and restaurant critics, the event could make Viv a star. But a tragic car accident and a series of mysterious deaths rock the estate and pull Duncan and Gemma into the investigation. It soon becomes clear that the killer has a connection with Viv's pub—or, perhaps, with Beck House itself. Does the truth lie in the past? Or is it closer to home, tied up in the tangled relationships and bitter resentments between the staff at Beck House and Viv's new pub? Or is it more personal, entwined with secrets hidden by Viv and those closest to her?*

The Anti-Counterfeiting Trade Agreement (ACTA) is the most important effort undertaken to lay down a plurilateral legal framework for the enforcement of intellectual property rights. With the view to learn more about the origins of this treaty, the process leading to its conclusion and its implications for law making in this field, The ACTA and the Plurilateral Enforcement Agenda: Genesis and Aftermath analyses in great depth both the context and the content of the agreements. In order to attain this objective, a large and diverse group of experts - renowned scholars, policy makers, civil society and industry actors - who represent different perspectives on the necessary balance between intellectual property enforcement and other economic and social interests have been gathered together. This book is the most comprehensive analysis of ACTA, and of its relation with ongoing initiatives to improve enforcement of intellectual property and norms pertaining to a range of international legal regimes, conducted so far.

A WRY AND HILARIOUS ACCOUNT OF LIFE AT A BOOKSHOP IN A REMOTE SCOTTISH VILLAGE "Among the most irascible and amusing bookseller memoirs I've read." —Dwight Garner, The New York Times "Warm, witty and laugh-out-loud funny..." —The Daily Mail The Diary of a Bookseller is Shaun Bythell's funny and fascinating memoir of a year in the life at the helm of The Bookshop, in the small village of Wigtown, Scotland—and of the delightfully odd locals, unusual staff, eccentric customers, and surreal buying trips that make up his life there as he struggles to build his business . . . and be polite . . . In this wry and hilarious diary, he tells us the trials and tribulations of being a small businessman; of learning that customers can be, um, eccentric; and of wrangling with his own staff of oddballs. And perhaps none are quirrier than the charmingly cantankerous bookseller Bythell himself turns out to be. Slowly, with a mordant wit and keen eye, Bythell is seduced by the growing charm of small-town life, despite—or maybe because of—all the peculiar characters there.

Examines both Richard's role as prince and king in history, and also analyses the different and sometimes controversial elements which, for the chroniclers of his day, helped to make Richard a true model of chivalry

Taryn Clark thought she'd outgrown the need to find her birth mother. She thought that a successful career and a comfortable life in the city were enough to be happy. Did she really need to know about the woman who had given her away? Adopted at birth, her first few years were happy. It hadn't mattered that she didn't know her heritage; she had parents who loved her and wanted her. But divorce, and then death, ripped their tiny family apart, and at the tender age of

six, she entered the foster care system. Over the next dozen years, she shuffled from home to home. Finding her roots seemed an impossible dream. But dreams are resilient. An unexpected discovery awakens old yearnings of belonging to a family, of being part of something bigger than herself. Finding the brief, ambiguous note from her birth mother is enough to unfurl the ribbons of hope still binding her heart. Her quest takes her to Lancaster County, Pennsylvania and the heart of the Plain community. Aided by her unique eye color, a healthy dose of luck, and the private investigator she hires, Taryn finds her birth family easily enough, but finding the truth is another matter. In all her musings, she never imagined a scenario where her mother might be Amish. She never imagined that the fabric of her life might be a patchwork of faith and fear, stitched together with a dark family secret. Taryn is determined to trace her roots, even if it means digging in the mud to do so. Now she's caught in the quicksand of a shocking discovery and the consequences of choices made, almost forty years ago. She'll risk everything to uncover the truth and to claim the family--and the roots--she so desperately craves.

***The deep sea is the last, vast wilderness on the planet. For centuries, myth-makers and storytellers have concocted imaginary monsters of the deep, and now scientists are looking there to find bizarre, unknown species, chemicals to make new medicines, and to gain a greater understanding of how this world of ours works. With an average depth of 12,000 feet and chasms that plunge much deeper, it forms a frontier for new discoveries. The Brilliant Abyss tells the story of our relationship with the deep sea – how we imagine, explore and exploit it. It captures the golden age of discovery we are currently in and looks back at the history of how we got here, while also looking forward to the unfolding new environmental disasters that are taking place miles beneath the waves, far beyond the public gaze. Throughout history, there have been two distinct groups of***

*deep-sea explorers. Both have sought knowledge but with different and often conflicting ambitions in mind. Some people want to quench their curiosity; many more have been lured by the possibilities of commerce and profit. The tension between these two opposing sides is the theme that runs throughout the book, while readers are taken on a chronological journey through humanity's developing relationship with the deep sea. The Brilliant Abyss ends by looking forwards to humanity's advancing impacts on the deep, including mining and pollution and what we can do about them.*

*Edward Bunker's life is beyond the imaginings of most fiction writers. He was born in Hollywood, California, the son of a stagehand and Busby Berkeley chorus girl, whose early divorce propelled him into a series of boarding homes and military schools. From the age of five he repeatedly ran away, roaming the city streets at night. A proud character, combined with an IQ of 152, resulted in a series of altercations with the authorities. He became the youngest ever inmate of San Quentin at the age of seventeen, and there he learned survival skills and faced down the toughest prisoners in the system. He was*

*befriended by Mrs Louise Wallis, a former star of the silent screen and wife of movie mogul, Hal Wallis, who produced films starring Bogart, Cagney, Edward G. Robinson and George Raft. She introduced Bunker to her circle of friends, including Jack Dempsey, Tennessee Williams, Aldous Huxley and William Randolph Hearst, whose guest he was at San Simeon. A parole violation resulted in a spell crossing America as a fugitive on the FBI's most wanted list. His eventual capture led to Folsom prison. Encouraged by the example of Dostoevsky, Cervantes and Caryl Chessman, and by the kindness of Mrs Wallis, he determined to write his way out of prison. Bunker's first published novel, No Beast So Fierce, viewed by many including Quentin Tarantino as the finest crime novel ever written, changed his fortunes. It was filmed as Straight Time, starring Dustin Hoffman. He has written three other novels, The Animal Factory, Little Boy Blue and Dog Eat Dog, (all published by No Exit) admired by writers as diverse as William Styron and James Ellroy. He received an Oscar nomination for the screenplay of Runaway Train, and has appeared in a score of films, most notably his legendary role as Mr Blue in Reservoir Dogs. This blistering narrative is a memoir like no other.*

\* AGENDA SETTIMANALE , se stai cercando di pianificare e organizzare il tuo tempo e le tue idee, ti forniremo un prodotto semplice e pratico.

A haunting, magical story of a cursed gem and the people who suffer in its wake, set in seventeenth-century London. Most men of stature wouldn't marry their betrothed after she'd been kidnapped and forced into sexual slavery in the harem of the Great Turk, but Paul Pindar, wealthy merchant and former ambassador to Constantinople, is not most men. When Paul and Celia, finally reunited, return to London in 1611, his house at Bishopsgate has stood empty for nearly a decade. A phalanx of carpenters, upholsterers, and gardeners have been summoned to restore it to its former glory. But all is not as it seems. Celia is frail, and their marriage, despite her longing, is childless. Traumatized by her experiences, she is unprepared for

*English society and the duties of managing a house with a full staff. Paul arranges for Celia's old friend, Annetta, to join them in England as Celia's companion, but Annetta arrives to find that another woman, the widow Frances Sydenham, has insinuated herself into the Pindar household. Lady Sydenham seems to have a mysterious hold over Celia and, Annetta suspects, increasingly over Paul. Who is this woman, and what are her motives? Like everyone else, including members of the royal family and Pindar's greedy brother Rafe, she is fascinated by the Sultan Blue, the legendary diamond Pindar has brought back from the Middle East. All of London wants to get their hands on the jewel, despite the dark magic properties that are said to surround it, but Paul Pindar might be the only merchant who doesn't have a price.*

*After forming a coalition of human resistance against the enemy invasion, Dalinar Kholin and his Knights Radiant have spent a year fighting a protracted, brutal war. Neither side has gained an advantage, and the threat of a betrayal by Dalinar's crafty ally Taravangian looms over every strategic move. Now, as new technological discoveries by Navani Kholin's scholars begin to change the face of the war, the enemy prepares a bold and dangerous operation. The arms race that follows will challenge the very core of the Radiant ideals, and potentially reveal the secrets of the ancient tower that was once the heart of their strength. At the same time that Kaladin Stormblessed must come to grips with his changing role within the Knights Radiant, his Windrunners face their own problem: As more and more deadly enemy Fused awaken to wage war, no more honorspren are willing to bond with humans to increase the number of Radiants. Adolin and Shallan must lead the coalition's envoy to the honorspren stronghold of Lasting Integrity and either convince the spren to join the cause against the evil god Odium, or personally face the storm of failure.
