Helps Children Banish Bedtime

Online Library Monster Study Guide Questions

FearsSo begins Suzy's adventure where she meets Karrit, another child, and one that lives far under her bed. The two children banish their bedtime fears and become best friends by treating each other the way that they want to be treated. A Fear of Monsters is

Online Library Monster Study Guide Questions

CommonA fear of monsters under the bed is common with children of all ages, starting with a vague sense of the unknown with younger toddlers and graduating to perhaps a more solid image in the minds of older children. The Monster on Top of the

Online Library Monster Study Guide Questions

Bed flips the idea around, like the famous Disney Movie Monsters Inc., and bases the story on the concept that it's the monsters that are actually afraid of the children. The Children Model The Golden Rule In this beautifully illustrated book we meet two

Online Library Monster Study Guide Questions

children--Suzy and Karrit, and we discover that sometimes things are not always what they seem and when the monster fears the child, we come to see a different perspective on misunderstandings and ignorance. We also discover that it is easy to

Online Library Monster Study Guide Questions

misinterpret the meanings of words and actions, when Karrit explains to Suzy that certain things she says and does, frightens him. Although the words, "The Golden Rule" never appear in the book, the way the two children treat each other as though they would like to be

Online Library Monster Study Guide Questions

treated enable the two of them to work together to work out their differences. A friendship forms, and a new light is shed upon them both when they realize that maybe they aren't so different from each other after all. A Mantra that Banishes Nighttime Fears When things

Online Library Monster Study Guide Questions

get scary, both children use Grandmom's mantra, which is highly effective in banishing monsters, "“You're welcome to stay until I say, 'Nay!' Then it's time to go, and you can't say, 'no.'” This is an empowering bedtime story. The multimedia edition

Online Library Monster Study Guide Questions

contains a link to an .mp4 file that features the same audio tracks in the CD version. Children can listen to the story being read by four narrators who read the story in English, Spanish and Italian. There are page turning sounds to let the child know when to turn the

page. There are slight differences between the words in CD version and the Kindle version. Children like the challenge of finding the differences. In addition to reading the story, the multimedia kindle edition also contains bonus material, including an interview

Online Library Monster Study Guide Questions

with the illustrator, and other stories and poems written by the author. Order Copies For Yourself and Your Friends...It's perfect for three to six-year olds, and six-to-twelve year olds (who are sometimes still afraid of monsters) find the story charming and
