*“Remarkable personal

Online Library Montanelli Lidentit Italiana

of Russia began. As events transpired, he recorded the tension as the Germans deployed on the Soviet frontier in June 1941. Then, a firestorm broke loose as the Wehrmacht tore across the front, forging into the

Online Library Montanelli Lidentit Italiana

primitive vastness of the East. During the Kiev encirclement, Roth's unit was under constant attack as the Soviets desperately tried to break through the German ring. At one point, after the enemy had finally

Italian 8th Army, and his observations of its collapse, as opposed to the reaction of the German troops sent to stiffen its front, are of special fascination. Roth's three journals were discovered

many years after his disappearance, tucked away in the home of his brother. After his brother's death, his family discovered them and sent them to Rosel, Roth's wife. In time, Rosel handed down the journals to

Online Library Montanelli Lidentit Italiana

Erika, Roth's only daughter, who had emigrated to America. Roth was likely working on a fourth journal before he was reported missing in action in July 1944. Although his ultimate fate remains unknown, what

he did leave behind, now finally revealed, is an incredible firsthand account of the horrific war the Germans waged in Russia. Based on the author's personal World War II diary. An unflinching look at

Luftwaffe combat, tactics, and leadership during the campaign for Sicily. A concluding chapter assesses the war's lessons for air forces.

Roger Corman is an ambiguous artistic figure. On the one hand, he is notorious for shooting and producing his films quickly,

cheaply and with blatant disregard for safety measures, which, together with his ability to issue a dozen new films every year and his impressive filmography, have earned him the titles of “ shlockmeister ” and “ the King of the B ’ s ” among film journalists. At the beginning of World War II,
the Luftwaffe was the world's most
