Hanna, listen. Don't cry, don't cry. The world is envy. You're too perfect and she hates it. Aku tahu kau menyembunyikan luka di senyummu yang retak. Kemarilah, aku akan menjagamu, asalkan kau mau mengulurkan tanganmu. Waktu tidak berputar ulang. Apa yang sudah hilang, tidak akan kembali. Dan, aku sudah hilang. Aku ingat kata-katamu itu, masih terpatr di benakku. Aku tidak selamanya berengsek. Bisakah kau memercayaku, sekali lagi? Kilat rasa tak percaya dalam matamu, membuatku tiba-tiba meragukan diriku sendiri. Tapi, sungguh, aku mencintaimu, merindukan manis birimum. Apa lagi yang harus kulakukan agar kau percaya? Kenapa masih saja senyum retakmu yang kudapati? Hanna, kau dengarkah suara itu? Hatiku baru saja patah. "" Sebuah buku novel tentang kisah percintaan yang romantis, persembahan penerbit Gagasmedia Keats's first volume of poems, published in 1817, demonstrated both his belief in the consummate power of poetry and his liberal views. While he was criticized by many for his politics, his immediate circle of friends and family immediately recognized his genius. In his short life he proved to be one of the greatest and most original thinkers of the second generation of Romantic poets, with such poems as "Ode to a Nightingale", "On First Looking into Chapman's Homer" and "La Belle Dame sans Merci". While his writing is illuminated by his exaltation of the imagination and abounds with sensuous descriptions of nature's beauty, it also explores profound philosophical questions. John Barnard's acclaimed volume contains all the poems known to have been written by Keats, arranged by date of composition. The texts are lightly modernized and are complemented by extensive notes, a comprehensive introduction, an index of classical names, selected extracts from Keats's letters and a number of pieces not widely available, including his annotations to Milton's Paradise Lost.

Finally, a beginning . . . The time had finally come. The time I had been waiting for through all these long months that I knew sooner or later had to occur. Now it was here. She had surprised me so much by actually crying that for a moment I did nothing but look at her. Then I gathered her into my arms, hugging her tightly. She clutched onto my shirt so that I could feel the dull pain of her fingers digging into my skin. She cried and cried and cried. I held her and rocked the chair back and on its rear legs, feeling my arms and chest get damp from the tears and her hot breath and the smallness of the room.

One cold fall day, high school junior Liz Emerson steers her car into a tree. This haunting and heartbreaking story is told by a surprising and unexpected narrator and unfolds in nonlinear flashbacks even as Liz's friends, foes, and family gather at the hospital and Liz clings to life. This riveting debut will appeal to fans of Before I Fall, by Lauren Oliver, and 13 Reasons Why, by Jay Asher. "On the day Liz Emerson tries to die, they had reviewed Newton's laws of motion in physics class. Then, after school, she put them into practice by running her Mercedes off the road." Why did Liz Emerson decide that the world would be better off without her? Why did she give up? The nonlinear novel pieces together the short and devastating life of Meridian High's most popular junior girl. Mass, acceleration, momentum, force—Liz didn't understand it in physics, and even as her Mercedes hurtles toward the tree, she doesn't understand it now. How do we impact one another? How do our actions reverberate? What does it mean to be a friend? To love someone? To be a daughter? Or a mother? Is life truly more than cause and effect? Amy Zhang's haunting and universal story will appeal to fans of Lauren Oliver, Gayle Forman, and Jay Asher.

This is a look at the principles of art history. Working from the thesis that modernity is the culture that invented what art is, the author by means of the pictorial essay offers a cultural critique of the contemporary circumstances that have influenced our notions of what art actually is, how we attempt to value it, how we have come to make a business of it. Like film, photography and other forms of mass culture, the author studies how popular taste influences the aesthetic criteria that determine its worth.
