This volume explores the traditional and contemporary modes and stakes of messianic thinking in its close interaction with both previous and actual political contexts and theoretical discourses. In the past decades, philosophers and political thinkers repeatedly drew upon the millennial tradition of messianic thinking in their efforts to come to terms with the injustices of the present. Their conceptions of messianism build upon and revise, modify or radicalize politico-theological theories developed in the period between the two world wars by thinkers who, in the face of doom and destruction, reverted to ancient Judeo-Christian visions of redemption. The essays address the ways in which today's messianic thinking relates to its historical Jewish and Christian origins, and how it deals with the legacy of its early twentieth century precursors, such as Walter Benjamin, Franz Rosenzweig, Ernst Bloch, Gerschom Scholem, and Theodor W. Adorno. Historically, attitudes toward messianism interact with the political and historical conditions as well as with the prevailing theoretical and philosophical discourses of their times. Cross-fertilization between messianism, politics and philosophy also inform recent conceptualizations of history and time, language and the law in the writings of Emmanuel Lévinas, Jacques Derrida, and, most recently, Giorgio Agamben. The analysis of messianism in contemporary discourse encourages reflections on the following core questions: How does messianism figure in modern and contemporary philosophy? How does it relate to today's state of affairs in the juridical, political, and social realm? Is it still primarily a Jewish concern,

and how has it interacted with other religious and political traditions? How does the impact of Jewish messianism on modern philosophy compare with and relate to other influences of Jewish thought, such as the legalistic tradition? The contributors to this volume shed light on as divergent aspects of messianism as its socio-historical embeddedness, its discontinuous historiography, its manifestations in literature and the arts and its complex relation to human agency.

Just after World War II, a young orphan living in Naples comes under the protection of Don Gaetano, the superintendent of an apartment building. He is a generous man and is very attached to the boy, telling him about the war and the liberation of the city by the Neapolitans. He teaches him to play cards, shows him how to do odd jobs for the tenants, and even initiates him into the world of sex by sending him one evening to a widow who lives in the building. But Don Gaetano possesses another gift as well: he knows how to read people's thoughts and guesses correctly that his young friend is haunted by the image of a girl he noticed by chance behind a window during a soccer match. Years later, when the girl returns, the orphan will need Don Gaetano's help more than ever.

Italian Tales

A Rainmaker Translation Grant Winner from the Black Mountain Institute: Senselessness, acclaimed Salvadoran author Horacio Castellanos Moya's astounding debut in English, explores horror with hilarity and electrifying panache. A boozing, sex-obsessed writer finds himself employed by the Catholic Church (an institution he loathes) to proofread a 1,100 page report on the army's massacre and torture of thousands of indigenous villagers a decade earlier, including the testimonies of the survivors. The writer's job is to tidy it up: he rants, "that was what my work was all about, cleaning up and giving a manicure to the Catholic hands that were piously getting ready to squeeze the balls of the military tiger." Mesmerized by the strange Vallejo-like poetry of the Indians' phrases ("the houses they were sad because no people were inside them"), the increasingly agitated and frightened writer is endangered twice over: by the spell the strangely beautiful heart-rending voices exert over his tenuous sanity, and by real danger—after all, the murderers are the very generals who still run this unnamed Latin American country.

I was inspired by one of my grandsons, Eugene, to write a book after I had assisted him with making one. Being that the last fourteen years I had spent teaching preschoolers, I had viewed and read books on letters. I saw a need to create one with a different and interesting title. I knew you could alter a few letters to create other letters. However, while pondering that idea, I learned that every letter could be altered to create another letter. So the thought about twins come in twos or doubles. That thought led to the title Fraternal Letters. I created the book and thought I would have enjoyed having such a book in my room to teach letter recognition to my three-, four-, and five-year-olds had it been available. I read the book to two grandsons and had a granddaughter read it with positive feedback. That led to the idea of publication.

Bis in die 60er Jahre des 20. Jahrhunderts war die Stadt am Golf ein Sehnsuchtsort, und auch heute noch bl ü hen die Zitronen in Unteritalien. Dieser Band mit Beitr ä gen aus der Arch ä ologie, der Geschichts-, Kunst-, Musik-, Film- und Literaturwissenschaft zeigt aber, dass Neapel auch stets ein Hort der Unruhe, des Zwielfichtigen, wenn nicht des Anr ü chigen war und ist. Die Stadt ist so durchl ä ssig wie der Tuffsteingrund, auf dem Parthenope einst erbaut wurde. Als » Stadt des Por ö sen « (Walter Benjamin) steht Neapel f ü r eine reiche antike Ü berlieferung, f ü r eine hoch entwickelte Opernkultur und eine barocke Verbl ü ffungskunst, die ihresgleichen sucht, aber auch f ü r die lange spanische Fremdherrschaft, f ü r blutige Rebellionen und nicht zuletzt f ü r die Ausw ü chse globalisierter Kriminalit ä t. Until the 1960's the city situated on the Gulf was a place of desire and even today lemons are still blossoming in Southern Italy. This volume with essays from archaeology, study fields of history, art, music, film and literature depict that Naples also was and still is a hotbed of unrest, of shadiness not to say disreputability. The city is as porous as the volcanic tuff on which Parthenope once was built. As a » porous city « (Walter Benjamin) Naples stands for a rich ancient tradition, for a highly developed opera culture and for an outstanding baroque art but also for a long period of Spanish rule, for bloody rebellions and last but not least for global crime.

World Literature Today

rivista semestrale di letteratura, teatro e sistemi di pensiero

From Argentina to Italy, the intense, metaphysical and poetic story of a gardener in love, by Italy's most prominent writer. "A man's life lasts as long as three horses. You have already buried the first." Somewhere along the coastline of Italy, a man passes his days in solitude and silence, tending a garden and reading books of travel and adventure. Through these simple routines he seeks to quiet the painful memories of the past: a life on the run from Argentina's Dirty War; a young bride 'disappeared' by the military; a terrifying escape through the wilds of Patagonia. Yet everywhere he turns, new life is pulsing, ready to awaken his senses, like the force that drives his fruit trees into bloom. People and events from the past and present migrate into patterns assigned by a metaphysical geometry. A woman of the world re-introduces him to love. An African day laborer teaches him the meaning of gratitude. In this intense narrative, every acute observation, every nuance, becomes a means of salvation. Using a language that is both gripping and contemplative, Three Horses is an unforgettable tale. Praise for The Sea of Memory: "Poetic . . . charged with anger and desire." -The New York Times Book Review "Alluring . . . shimmeringly lyrical." -Publishers Weekly From the Trade Paperback edition.

This book simply points to home beyond any experience. It points back to that which has always been there despite who and what you believed yourself and the world to be. It is true freedom - not one based on hope or perfection in the flow of life. This is about the perfection and love of simply being. True LOVE is Everything.

Writing Orality in Contemporary Italian Fiction

Drawing on the recent renewal of interest in the debate on orality and literacy this book investigates the varying perceptions and representations of orality in contemporary Italian fiction, providing a fresh perspective on this rich and fast-developing debate and on the study of the Italian literary language. The book brings together a number of complementary approaches to orality from the fields of linguistics, literary and media studies and offers a detailed analysis of a broad variety of authors and texts that appeared over the last three decades - ranging from internationally acclaimed writers such as Celati, Duranti and Tabucchi, through De Luca and Baricco, to the latest generation of writers, such as Campo, Ballestra and Nove. By exploring the complementary facets of Italian orality, and its diachronical developments since the seventies, this study questions the traditionally dichotomic approach to the study of orality and literacy and posits a more flexible, cross-modal approach that accounts for the increasing hybridisation of text forms and media and for the greater interaction between the spoken and the written as well as their representations.

This is a story told by a boy in his thirteenth year, recorded in his secret diary. His life is about to change; his world, about to open. He lives in Montedidio—God's Mountain—a cluster of alleys in the heart of Naples. He brings a paycheck home every Saturday from Mast'Errico's carpentry workshop where he sweeps the floor. He is on his way to becoming a man—his boy's voice is abandoning him. His wooden boomerang is neither toy nor tool, but something in between. Then there is Maria, the thirteen-year-old girl who lives above him and, like so many girls, is wiser than he. She carries the burden of a secret life herself. She'll speak to him for the first time this summer. There is also his friendship with a cobbler named Rafaniello, a Jewish refugee who has escaped the horrors of the Holocaust, who has no idea how long he's been on this earth, and who is said to sprout wings for a blessed few. It is 1963, a young man's summer of discovery. A time for a boy with innocent hands and a pure heart to look beyond the ordinary in everyday things to see the far-reaching landscape, and all of its possibilities, from a rooftop terrace on God's Mountain.

Figures of the Messianic

Non ? Gerusalemme, ? Napoli, ? un suo quartiere dal nome solenne e abusivo, Montedidio, dove frigge la vita di una folla densa e dove neanche i morti se ne stanno quieti. A tredici anni un ragazzino impara il lavoro, l'italiano e l'ammore, quello con doppia emme. Si allena in segreto a far volare un magico pezzo di legno. A un suo amico, un vecchio calzolaio ebreo piovuto dal nord dell'Europa, arriva finalmente a scadenza una profezia, sotto la specie di un battito di ali. Protagonista ? un luogo, Montedidio, un rilievo di tufo abitato da millenni, stratificato a ossa e ceneri vulcaniche. Dall'alto di un suo tetto la mezzanotte di capodanno esplode come un cratere, libera voli, spalanca precipizi..

This anthology serves as a literary map to guide readers through the varied geography of contemporary Italian fiction. Massimo Riva has gathered English-language translations of short stories and excerpts from novels that were originally published in Italian between 1975 and 2001. As an expression of a communal contemporary condition, these narratives suggest a new sensibility and a new way of seeing, exploring, and inhabiting the world, in writing. Riva provides a comprehensive introduction to Italian literary trends of the past twenty years. Each selection is preceded by a short introduction and biography of the writer. For English-language readers who are familiar with the work of Italo Calvino and Umberto Eco, this collection presents an opportunity to acquaint themselves with the work of other important contemporary Italian writers of fiction.

This prizewinning collection of stories and essays set in post-WWII Naples is "required reading for [Elena] Ferrante fans" (Kirkus Reviews). A classic of European literature, this superb collection of fiction and reportage is set in Italy's most vibrant and turbulent metropolis—Naples—in the immediate aftermath of World War II. Depicting the widespread suffering and brutal desperation that plagued the city, it comprises a mix of masterful storytelling and piercing journalism. This book, with its unforgettable portrait of Naples high and low, is also a stunning literary companion to the great neorealist films of the era by directors such as Vittorio De Sica and Roberto Rossellini. From an author who has won most of Italy's major literary prizes and served as "a major inspiration for Elena Ferrante," Neapolitan Chronicles is exquisitely rendered in English by acclaimed translators Ann Goldstein and Jenny McPhee (The New York Times). Included in the collection is "A Pair of Eyeglasses," one of the most widely praised Italian short stories of the last century. "Elena Ferrante has cited Ortese as one of her greatest influences . . . This collection of short stories and essays [infuses] a grimy, chaotic Naples with unsentimental menace." —The New Yorker "A writer of exceptional prowess and force. The stories collected in this volume, which reverberate with Chekhovian energy and melancholy, are revered in Italy by writers and readers alike." —Jhumpa Lahiri, Pulitzer Prize-winning author of Interpreter of Maladies

'Happiness - was it right to name it without knowing it? It sounded shameless in my mouth, like when someone shows off

about knowing a celebrity and just uses their first name, saying Marcello when they really mean Mastroianni ...' A young orphan boy grows up in Naples, playing football, roaming the city's streets and hidden places. The older boys call him 'monkey' because he can climb anywhere. He is alone, apart from Don Gaetano, the apartment caretaker, who feeds him, teaches him to play scopa, and tells him stories about women, history and the dark secrets of Naples' past. Then one day the boy sees a young girl standing at a window. It is an encounter that will haunt his life for years and, eventually, shape his destiny. Lyrical and exuberant, told with the simplicity of a fairy tale and the intensity of a memory, *The Day Before Happiness* is the story of friendship, a city and what makes us who we are.

Providing the most complete record possible of texts by Italian writers active after 1900, this annotated bibliography covers over 4,800 distinct editions of writings by some 1,700 Italian authors. Many entries are accompanied by useful notes that provide information on the authors, works, translators, and the reception of the translations. This book includes the works of Pirandello, Calvino, Eco, and more recently, Andrea Camilleri and Valerio Manfredi. Together with Robin Healey's *Italian Literature before 1900 in English Translation*, also published by University of Toronto Press in 2011, this volume makes comprehensive information on translations from Italian accessible for schools, libraries, and those interested in comparative literature.

Summer holiday on an island off the coast of Naples provides the setting for this lyrical novel, which chronicles the relationship between an Italian boy and a German Jewish girl in the aftermath of World War II.

" Chacun de nous vit avec un ange, c'est ce qu'il dit, et les anges ne voyagent pas, si tu pars, tu le perds, tu dois en rencontrer un autre. Celui qu'il trouve à Naples est un ange lent, il ne vole pas, il va à pied : " Tu ne peux pas t'en aller à Jérusalem ", lui dit-il aussitôt. Et que dois-je attendre, demande Rafaniello. " Cher Rav Daniel, lui répond l'ange qui connaît son vrai nom, tu iras à Jérusalem avec tes ailes. Moi je vais à pied même si je suis un ange et toi tu iras jusqu'au mur occidental de la ville sainte avec une paire d'ailes fortes, comme celles du vautour. " Et qui me les donnera, insiste Rafaniello. " Tu les as déjà, lui dit celui-ci, elles sont dans l'étui de ta bosse. " Rafaniello est triste de ne pas partir, heureux de sa bosse jusqu'ici un sac d'os et de pommes de terre sur le dos, impossible à décharger : ce sont des ailes, ce sont des ailes, me raconte-t-il en baissant de plus en plus la voix et les taches de rousseur remuent autour de ses yeux verts fixés en haut sur la grande fenêtre.
