

Mothering Magazine Submission Guidelines

Discover Your Personal Parenting Style Most parenting books present a cookie-cutter approach--which may or may not apply to all personalities and family dynamics. *Mothering From Scratch* shows mothers how to develop their own style that helps them be the best mom for their kids and restores the joy of mothering. Full of solid biblical truth, this book encourages moms to • explore their personalities and examine their strengths and weaknesses in order to find what works for them • tap into the resources surrounding them and get mentoring and support from other moms • push past the fear of change or doing it wrong and allow room for grace in their mothering Melinda Means and Kathleen Helgemo provide a flexible, customizable approach to help moms discover their optimal parenting style.

Mother's Magazine and Family Circle

The Mother's Magazine and Family Circle

The Editor

The Mother's Magazine & Family Monitor

An authoritative guide to natural childbirth and postpartum parenting options from an MD who home-birthing her own four children. Sarah Buckley might be called a third-wave natural birth advocate. A doctor and a mother, she approaches the question of how a woman and baby might have the most fulfilling birth experience with respect for the wisdom of both medical science and the human body. Using current medical and epidemiological research plus women's experiences

(including her own), she demonstrates that what she calls "undisturbed birth" is almost always healthier and safer than high-technology approaches to birth. Her wise counsel on issues like breastfeeding and sleeping during postpartum helps extend the gentle birth experience into a gentle parenting relationship.

Second Series

JUDICIOUS ADVERTISING

For more than twenty-five years, Mothering magazine has captured an audience of educated women who appreciate its "we'll inform, you choose" approach to parenting. Having a Baby, Naturally reflects this spirit with straightforward, uncensored information about pregnancy and childbirth, addressing common concerns and questions in a compassionate, nonjudgmental style. Written by Peggy O'Mara, the longtime publisher, editor, and owner of Mothering magazine, it synthesizes the best theories and safest practices used in natural childbirth, including recommendations from the World Health Organization, the American Academy of Pediatrics, and the American College of Obstetricians and Gynecologists. Throughout, O'Mara reinforces her belief that each woman's pregnancy and birth experience is a one-of-a-kind event. She covers such topics as: Nutrition, diet, and exercise Emotional self-awareness during and after pregnancy A trimester-by-trimester guide to what is happening in your body and your child's Birth choices -- offering suggestions, not "rules" Pain medication alternatives Birth locations, from hospitals to home birth Relieving morning sickness with natural remedies Prenatal testing Breastfeeding Prematurity and multiple births Balancing work and family The father's role during pregnancy and beyond Difficult subjects, such as birth defects, miscarriages, and postpartum depression, are also treated with sensitivity and candor. Finally, a book for the thinking woman who believes in her own inherent capacity to make smart, informed decisions about her pregnancy
