Critical Approaches to Food in Children's Literature is the first scholarly volume on the topic, connecting children's literature to the burgeoning discipline of food studies. Following the lead of historians like Mark Kurlansky, Jeffrey Pilcher and Massimo Montanari, who use food as a fundamental node for understanding history, the essays in this volume present food as a multivalent signifier in children's literature, and make a strong argument for its central place in literature and literary theory. Written by some of the most respected scholars in the field, the essays between these covers tackle texts from the nineteenth century (Rudyard Kipling's Kim) to the contemporary (Dave Pilkey's Captain Underpants series), the U.S. multicultural (Asian-American) to the international (Ireland, Brazil, Mexico). Spanning genres such as picture books, chapter books, popular media, and children's cookbooks, contributors utilize a variety of approaches, including archival research, cultural studies, formalism, gender studies, post-colonialism, post-structuralism, race studies, structuralism, and theology. Innovative and wide-ranging, Critical Approaches to Food in Children's Literature provides us with a critical opportunity to puzzle out the significance of food in children's literature.

Widely acclaimed, hugely successful speculative-fiction author Orson Scott Card takes another step into the mainstream with an extremely chilling, vastly engaging novel that sets the notion of family values on its head and chronicles a man's transformation from hermit to hero. When Quentin Fears was 10, his sister left this world, the victim of a car accident. Her death made him withdraw from this world too -- into books, away from people. By the time he reaches adulthood, Quentin has become a certifiable recluse, moving restlessly from town to town, investing the millions he's made as a software creator and avoiding companionship. It's odd but maybe inevitable that on a rare outing to a party he should meet his dream woman, Madeleine. She's witty and beautiful and as naive to the world's ways as he is, and they marry in a matter of weeks. Their relationship seems idyllic but for one thing -- Madeleine's multigenerational, cantankerous, eccentric family who all live in a rambling riverside mansion in upstate New York. But poor family dynamics isn't all that's wrong with them. Beyond the squabbling, there's an ancient family secret to which Madeleine holds the key. Only Quentin can stop her from unleashing an ageless malevolence that will rule the world. But to do so, he must do what seems impossible -- step outside himself into the world he has avoided. He must learn friendship, trust, forgiveness and the courage to face down the ultimate evil. Joining Quentin in this epic confrontation is a splendidly quirky cast of heroes, villains and witches -- from a no-nonsense nurse with a dash of the romantic in her to a small-town sheriff whose affable exterior conceals a dangerous past to a 10-year-old girl named Roz whose malign powers are rivaled only by her smart mouth. Treasure Box introduces the most spectacularly dysfunctional family in recent fiction and a singular hero whose only weapons against them are his mind and his heart. How Quentin defuses this volatile mixture of comedy and horror makes for a viscerally unsettling, poignant and appealing tale that's sure to draw the legions of fans Card has won in other genres and new fans as well.

The treasury starts out with the infamous Peter Rabbit, who trespasses in Mr McGregor's garden and gets his pants caught in the fence on the way out. For years, children have felt a stab of sympathy as Peter, punished by his mama, watches his brothers and sisters enjoy dinner without him. Children are also delighted by Two Bad Mice, naughty mice who wreak havoc in poor Jane's room. Other classic Potter characters make their appearance in the treasury as well, including Benjamin Bunny, Mr Jeremy Fisher, Jemima PuddleDuck, and Mrs Tittlemouse Contains: The tale of Peter Rabbit -- The tailor of Gloucester -- The tale of Squirrel Nutkin -- The tale of Benjamin Bunny -- The tale two bad mice -- The tale of Mrs. Tiggy-Winkle -- The pie and the patty-pan -- The tale of Mr. Jeremy Fisher -- The story of a fierce bad rabbit -- The story of Miss Moppet -- The tale of Tom Kitten -- The tale of
