Mr. Nobody is an invisible nobody from nowhere. He thinks he used to be a somebody, but he can't really remember who, what, where, or when. When Mr. Happy finds him crying one day, he decides that he has to help him! But what can he do to help this Nobody become a Somebody?

A fun and exciting tale from the land of Mr Men. Mr Happy has a magical meeting!

The Mr. Men have been tickling children for generations with their funny and charming antics. The Mr Men for Grown-Ups series now gives adults the chance to laugh along as the Mr Men and Little Miss try to cope with the very grown-up world around them. Featuring Roger Hargreaves classic artwork alongside hilariously funny new text. Mr Happy is usually a very happy fellow. But the morning after the office party, he doesn't feel so happy. In fact, he loses his smile. It couldn't be that bad, could it? The perfect book for anyone who has ever been to a work party and lived to tell the tale. Also available in The Mr Men for Grown-Ups series: Little Miss Shy Goes Online Dating, Mr Greedy Eats Clean to Get Lean and Little Miss Busy Surviving Motherhood.

12 Rules for Life

Mr. Messy

Mr Happy

Little Miss Sunshine

Mr. Funny

Mr Happy was fat and round, and happy! When he meets Mr Miserable, the most miserable person in the world, Mr Happy wonders if he can make him happy by taking him to Happyland. The Mr Men and Little Miss have been delighting children for generations with their charming and funny antics. Bold illustrations and funny stories make Mr Men and Little Miss the perfect story time experience for children aged two up. Have you met them all? It all started with a tickle. Roger Hargreaves' son Adam asked him what a tickle looked like. In response, Roger drew orange man with extraordinarily long arms that could reach anywhere and tickle anyone. Mr Tickle, the first of the Mr Men, was born. Mr Tickle was soon joined by Mr Greedy, Mr Happy, Mr Nosey, Mr Sneeze and Mr Bump. The books were an instant hit and Roger went on to create many more Mr Men and Little Miss characters. What Roger really wanted was to make children laugh, which is probably why his own favourite character is Mr Silly.

Mr. Greedy Wants to eat everything in sight. How will he ever stick to a low-calorie diet?

In "Coping With Life: More Poems from Mr. Happy," Robert Cook builds on the success of his first collection, "Look Up!" "Coping With Life" is lavishly illustrated, mostly with Robert's own photo-artwork, which is enhanced by this new book's larger eight-by-ten format. This work is sure to be an inspiration as you "cope with life!"

During the mid 1980s Howard Marks had forty three aliases, eighty nine phone lines and owned twenty five companies throughout the world. Whether bars, recording studios or offshore banks, all were money laundering vehicles serving the core activity: dope dealing. Marks began to deal small amounts of hashish while doing a postgraduate philosopy course at Oxford, but soon he was moving much larger quantities. At the height of his career he was smuggling consignments of up to fifty tons from Pakistan and Thailand to America and Canada and had cont organisations as diverse as MI6, the CIA, the IRA and the Mafia. Mr Nice is Howard Mark's extraordinary story.

Mr. Happy Goes to a Pop-up Dinner

Whether enemy or ally, demon or god, the source of satisfaction or the root of all earthly troubles, the penis has forced humanity to wrestle with its enduring mysteries. Here, in an enlightening and entertaining cultural study, is a book that gives context to the central role of the penis in Western civilization. A man can hold his manhood in his hand, but who is really gripping whom? Is the penis the best in man -- or the best? How is man supposed to use it? And when does that use become abuse? Of all the bodily organs, only the penis forces man to confront such contradictions: something insistent yet reluctant, a tool that creates but also destroys, a part of the body that often seems apart from the body. This is the conundrum that makes the penis both hero and villain in a drama that shapes every man -- and mankind along with it. In A Mind of Its Own, David M. Friedman shows that the penis is more than a body part. It is an idea, a conceptual but flesh-and-blood measuring stick of man's place in the world. That men have a penis is a scientific fact; how they think about it, feel about it, and use it is not. It is possible to identify the key moments in Western history when a new idea of the penis addressed the larger mystery of man's relationship with it and changed forever the way that organ was conceived of and put to use. A Mind of Its Own brilliantly distills this complex and largely unexamined story. Deified by the pagan cultures of the ancient world and demonized by the early Roman church, the organ was later secularized by pioneering anatomists such as Leonardo da Vinci. After being measured "scientifically" in an effort to subjugate some races while elevating others, the organ was psychoanalyzed by Sigmund Freud. As a result, the penis assumed a paradigmatic role in psychology -- whether the patient was equipped with the organ or envied those who were. Now, after being politicized by feminism and exploited in countless ways by pop culture, the penis has been medicalized. As no one has before him, Friedman shows how the arrival of erection industry products such as Viagra is more than a health or business story. It is the latest -- and perhaps final -- chapter in one of the longest sagas in human history: the story of man's relationship with his penis. A Mind of Its Own charts the vicissitudes of that relationship through its often amusing, occasionally alarming, and never boring course. With intellectual rigor and a healthy dose of wry humor, David M. Friedman serves up one of the most thought-provoking, significant, and readable cultural works in years.

**The #1 New York Times bestseller. Over 4 million copies sold! Tiny Changes, Remarkable Results No matter your goals, Atomic Habits offers a proven framework for improving--every day. James Clear, one of the world's leading experts on habit formation, reveals practical strategies that will teach you exactly how to form good habits, break bad ones, and master the tiny behaviors that lead to remarkable results. If you're having trouble changing your habits, the problem isn't you. The problem is your system. Bad habits repeat themselves again and again not because you don't want to change, but because you have the wrong system for change. You do not rise to the level of your goals. You fall to the level of your systems. Here, you'll get a proven system that can take you to new heights. Clear is known for his ability to distill complex topics into simple behaviors that can be easily applied to daily life and work. Here, he draws on the most proven ideas from biology, psychology, and neuroscience to create an easy-to-understand guide for making good habits inevitable and bad habits impossible. Along the way, readers will be inspired and entertained with true stories from Olympic gold medalists, award-winning artists, business leaders, life-saving physicians, and star comedians who have used the science of small habits to master their craft and vault to the top of their field. Learn how to:
• make time for new habits (even when life gets crazy);
• overcome a lack of motivation and willpower;
• design your environment to make success easier;
• get back on track when you fall off course;
...and much more. Atomic Habits will reshape the way you think about progress and success, and give you the tools and strategies you need to transform your habits--whether you are a team looking to win a championship, an organization hoping to redefine an industry, or simply an individual who wishes to quit smoking, lose weight, reduce stress, or achieve any other goal.**
