A cat-and-mouse suspense thriller featuring a retired homicide detective who's haunted by the few cases he left open, and by one in particular - the pre-dawn slaughter of eight people among hundreds gathered in line for the opening of a jobs fair when the economy was guttering out. Without warning, a lone driver ploughed through the crowd in a stolen Mercedes. The plot is kicked into gear when Bill Hodges receives a letter in the mail, from a man claiming to be the perpetrator. He taunts Hodges with the notion that he will strike again. Hodges wakes up from his depressed and vacant retirement, hell-bent on preventing that from happening. Brady Hartsfield lives with his alcoholic mother in the house where he was born. And he's preparing to kill again. Only Hodges, with a couple of misfit friends, can apprehend the killer in this high-stakes race against time. Because Brady's next mission, if it succeeds, will kill or maim hundreds, even thousands.

For fifteen years August Sitwell has worked for the Barclays, a well-to-do white family who plucked him from an orphan asylum and gave him a job. The groundskeeper is part of the household’s all-black staff, along with "Miss Mamie," the talented cook, pretty new maid Jennie Williams, and three young kitchen apprentices--the latest orphan boys Mr. Barclay has taken in to "civilize" boys like August. But the Barclays fortunes have fallen, and their money is almost gone. When a prospective business associate proposes selling Miss Mamie’s delicious rib sauce to local markets under the brand name "The Rib King"—using a caricature of a wildly grinning August on the label—Mr. Barclay, desperate for cash, agrees. Yet neither Miss Mamie nor August will see a dime. Humiliated, August grows increasingly distraught, his anger building to a rage that explodes in shocking tragedy. Elegantly written and exhaustively researched, The Rib King is an unsparring examination of America’s fascination with black iconography and exploitation that redefines African American stereotypes in literature. In this powerful, disturbing, and timely novel, Ladee Hubbard reveals who people actually are, and most importantly, who and what they are not.

They were seven teenagers when they first stumbled upon the horror. Now they were grown-up men and women who had gone out into the big world to gain success and happiness. But none of them could withstand the force that drew them back to Derry, Maine to face the nightmare without an end, and the evil without a name.

The second book in Stephen King's Bill Hodges trilogy (Mr. Mercedes, Finders Keepers, End of Watch)—now an AT&T Audience Original Series! "Stephen King's superb stay-up-all-night thriller is a sly tale of literary obsession that recalls the themes of his classic 1987 novel Misery" (The Washington Post)—the #1 New York Times bestseller about the power of storytelling, starring the same trio of unlikely and winning heroes Stephen King introduced in Mr. Mercedes. "Wake up, genius." So announces deranged fan Morris Bellamy to iconic author John Rothstein, who once created the famous character Jimmy Gold and hasn't released anything since. Morris is livid, not just because his favorite writer has stopped publishing, but because Jimmy Gold ended up as a sellout. Morris kills his idol and empties his safe of cash, but the real haul is a collection of notebooks containing John Rothstein's unpublished work...including at least one more Jimmy Gold novel. Morris hides everything away—the money and the manuscripts no one but Gold ever saw—before being locked up for another horrific crime. But upon Morris's release thirty-five years later, he's about to discover that teenager Pete Saubers has already found the stolen treasure—and no one but former police detective Bill Hodges, along with his trusted associates Holly Gibney and Jerome Robinson, stands in the way of his vengeance... Not since Misery has Stephen King played with the notion of a reader and murderous obsession, filled with "nail biting suspense that's the hallmark of [his] best work" (Publishers Weekly).

Midwest 2009. Un salon de l'emploi. Dans l'aube glacée, des centaines de chômeurs en quête d'un job font la queue. Soudain, une Mercedes rugissante fonce sur la foule, laissant dans son sillage huit morts et quinze blessés. Le chauffard, lui, s'est évanoui dans la brume avec sa voiture, sans laisser de traces. Un an plus tard, Bill Hodges, un flic à la retraite, reste obsédé par la masacre. Une lettre du tueur à la Mercedes va le sortir de la dépression et de l'ennui qui le guettent, le précipitant dans un redoutable jeu du chat et de la souris. Avec ce polar très noir, véritable plongée dans le cerveau d'un psychopathe qui ferait passer Norman Bates pour un enfant de chœur, Stephen King démontre une fois encore son époustouflant talent de conteur, qui s'affranchit des frontières et des genres.
