Investment protection treaties
generally provide for the
obligation to treat investments
fairly and equitably, even if the
wording of the rule and its

Read PDF Mtd 790 M Manual

relationship with the customary international standard may differ. The open-textured nature of the rule, the ambiguous relationship between the vague treaty and equally vague customary rules, and States' interpretations of the

Read PDF Mtd 790 M Manual

content and relationship of both rules (not to mention the frequency of successful invocation by investors) make this issue one of the most controversial aspect of investment protection law. This

Read PDF Mtd 790 M Manual

monograph engages in a comprehensive analysis of the relationship between the international minimum standard and fair and equitable treatment. It provides an original argument about the historical development

Read PDF Mtd 790 M Manual

of the international standard, a normative rationale for reading it into the treaty rules of fair and equitable treatment, and a coherent methodology for establishing the content of this standard. The first part of this

Read PDF Mtd 790 M Manual

book untangles the history of both the international minimum standard and fair and equitable treatment. The second part addresses the normative framework within which the contemporary debate takes

Read PDF Mtd 790 M Manual

place. After an exhaustive review of all relevant sources, it is argued that the most persuasive reading of fair and equitable treatment is that it always makes a reference to customary law. The third part of the book builds

Read PDF Mtd 790 M Manual

on the historical analysis and the normative framework, explaining the content of the contemporary standard by careful comparative human rights analysis.

The second edition of the
Encyclopedia of Toxicology

Read PDF Mtd 790 M Manual

continues its comprehensive survey of toxicology. This new edition continues to present entries devoted to key concepts and specific chemicals. There has been an increase in entries devoted to international
